DAILY POST. ABBRET OF VALLANDIGRAM. The Richmond Enquirdr, the official

The Union as it was; The Constitution as it is! A See First and Third Page for Com-mercial Daily Markets and Biver New

FRIDAY MORNING, MAY 8.

FROM HOOKER'S ARMY. The news from the Rappahannock this

leading rebel organ to Mr. Vallandig scorched demons, as they always do when ham's speeches in favor of peace. The attacking, crowding the road and present course of the leading rebels and their ing a formidable front. Before they fired, newspapers towards such Democrats as Schurz's, Steinwehr's and Devin's divimorning is of a disheartening character, and will cast a momentary gloom over the Union cause. We confess ourselves Vallandigham, has for the past few sions, retreated rapidly, leaving the breast Vallandigham, has for the past few months been more intense in hatred than it has been against the Administration.— The second stricken. A little longer and the results might have been most disastrous to the sadly disappointed, because, until yesterdey morning, we confidently calculated upon the overwhelming defeat of Lee's These Southern rebels have made up their whole right wing of the army, but General upon the overwhelming defeat of Lee's These Southern rebels have made up their whole right wing, of the army, out tremerant army. It is true that we had nothing from authentic sources to justify this cor. Their confederacy, and that being the case himself. The enemy had already passed transmission of passe from our side will the become works but more callered up commanded by army correspondents and from letters be by them laughed to scorn. written in Washington, all pointed to the It will be seen, however. that the abolinot only certain success of our arms, but

tionists have obliged the rebel organ in its the absolute annihilation of the rebel demand for Vallandigham's incarceration. forces. All the movement, first relied upon In order to properly apperciate the for success appear to have been accomp. case and facility of the arrest, we need up his cavalry brigade for their proteclished. Lee was compelled to come out only direct the reader's attention to the of his fortifications as Hooker predicted; of his fortifications as Hooker predicted; following paragraph, which Secretary Se a'ter venturing out he was flanked and ward communicated to Lord Lyon, the Howard's picket line, where the enemy

was successful in destroying the railroad leading to Richmond up to within a few miles of that city; and yet, all of these achievements conclude with the retreat of AGAIN, AND ORDER THE IMPRISmiles of that city; and yet, all of these achievements conclude with the retreat of our army across the Bappahancock, if not panic stricken, according to the Tri-bune, at least demoralized. This result CAN RELEASE THEM. CAN THE PRESIDENT, Dasses our comprehension: and the only OHEEN OF ENGLAND DO AS. The was highly necessary that Hooker's manner we have for accounting for it is,

> here that the United States sloop of war sveetly with the wreck and roar that soon Preble was burned on the 28th inst. off Pensacola

The The Burning of the Preble. dispatches announcing our constant and From the Richmond Whig, May 1. continued good fortunes for five or six days and the complete realization of Gen. Hooker's plans, were manufactured by stock-jobbers in New York, speculating and gambling upon the distress of the Nation. It will be remembered that those dispatches did not come from Hooker himself, but from irresponsible individua's doubtless in the pay of the dark gamb

ceiving a Federal appointment : Civing a Federal appointment: "If the officer in question has not made sacri-faces for hi country, we should like to know who has; and, if it will be any comfort to the Post we shall simply say that his connection with the Gazette had nothing to do with his app internet lefatters himself that he had other and stronger caims tran such as are imagined in that den o Corporheads, who hato the Gazette with an in tensity only second to that they feel for the Gov ernment,"

lers in gold and stocks, to whom we have

a'laded.

In return for this explanation we desire

singularly torgotten in the distribution of cfficial favors. If our new commissioner's appointment was made and secured be-cause of his sacrifices (and we are inclined to believe him a very meritorious citizen), we are glad of it, and wish that our neivhcause of his sacrinces (and we are inclined to believe him a very meritorious citizen), we are glad of it, and wish that our neigh-bor could say as much for the other half dozen from its establishment, who are now demonstrating their loyalty by signing anarteriv receipts for encouracing sala-the war. by the rise in goods, contracts, quarterly receipts for encouraging sala-ries. This kind of patriotism and loyalty, and by running the blockade. Places of ries. This kind of patriotism and loyalty, although blatent and voluble, is just the sort to corrupt the sources of public intel-ligence. When we see a leading newspa-per, which has half a dozen of its adhe-rents luxuriating in profitable sinecures, insisting upon our owing loyalty to men who are themselves sworn to support the constitution, and are liable to impeach-

who are themselves sworn to support the constitution, and are liable to impeach-ment if they violate it, we may indeed be apprehensive of the corrupting tendencies of official favors. This is what we com-plain of; the public press on one side is being purchased, while that on the other simple discussion of the acts of the Ad-ministration. The strange and no less silly impres-sion of our "fhating" the Gazette is pro-

The strange and no less silly impres-sion of our "hating" the Gazette is pre-posterons. We dislike its teaching; it is n irrow, bigoted and proscriptive; but we entertain no malice toward it. Every day's experience demonstrates that it, and the radical faction to which it belonge. \$20; vests, \$5 to 20; and shirts, \$5 to 10. Cotton is plenty in the interior, and can be bought at twenty cents per pound, de-livered at Savannah wharf. Gen. Beaure-troops are often passing through the city; strengthened, and work on the batteries does not stob. The guns are numerous day's experience demonstrates that it, and the radical faction to which it belongs, are ruining the country as rapidly as they can. They will not profit by experience, but rush blindly on, and like genuine fanatics, denoance all who will not follow their destructive councels. They have a while attempting to run the blockade, and their destructive counsels. They have a while attempting to run the blockade, and was concerned bloody experience have proved to be a was also not any one of the set bloody experience have proved to be a was also part owner in the cargo, which delusion, and, rather than abandon their consisted of seventy-two bales of colton.
