James P. Barr, Editor & Proprietor. FRIDAY MORNING, MAY 15, 1863.

Established 1842.

that will give it dignity hereafter. A wise hereafter.

consequences, I have endeavored to act in manner worthy of my constitutents, and discharge them all in the best or der he can. Admit that it is our duty to make that no he of the military appropriately and the worth of my constitutents, and discharge them all in the best or der he can. Admit that it is our duty to make that none of the military appropriations? Here was a rebellion raising its fractional hand against the Government—cedents may be left for justifying future enaccipation of slaves. They would not here is the rebellion, with the sword uphone. In the midst of all our blessings, favor, as though recognizing the divinity of the government, suddenly there arises, not a foreign enemy, not an alien, jealous of the money appropriations for the war, and I didn't measures to which I have allided are obneced to agree that no part of the money appropriations. not a foreign enemy, not an alien, jealous noxious, but the rebellion is more so, should be applied to pay for negroes.

Of our own prosperity and greatness; but

(Still great appliause.)

I believe I have thus given the gene or our own prosperty and greatness; out the bar bar arise, with arms in their the hards, ready to rear, us to pieces, and avowed their purpose to overthrow our Government and our liberties and set us

moxious, but the rebellion is more so. Should be applied to pay for negroes.

[Still great appliance.]

My countrymen, the great issue and the principle which guided my conduct during greatest issue that the events of this world the last Congress as your representative. When I came home from Washington this the country entire. You have the greatest. Spring, it was with no expectation or wish country and the greatest government, the country and the greatest government, the country and the greatest government the country and the greatest government. avowed their purpose to overthrow our Government and our liberties and set us addiff egain upon the wide ocean of experiment. Where could we ever hope to find as better Government? Where could we ever hope to find men more competent world ever saw in a country, springing in a manner that astousiates and awes the first of this Government of our? Who is to supply, in these latter days, the place of Washington, the place of Madison, the place of Liefferson, the place of Madison, the place of Hamilton? Who shall supply the place of the property of these mighty intellects? Are the demandant of the place of the property of the property
