THURSDAY MOBNING, MAY 21. CITY AND NBIGHBOBHOOD INTELLIGENCE

Exports of Petroleum.

The transportation of petroleum. The transportation of petroleum has become an important item in the trade, and adds largely to the cost of the article on the seaboard and in Europe. There is a company in England which is building shina with tanks expressly for this article

ships with tanks expressly for this article of freight, by which the cost of searcarry-ing will be reduced and safety insured cussion, it was generally agreed that it would be to the advantage of wool grow It now becomes important to invent a railway car which will carry petroleum in bulk, whence it can be pumped into the swe the sharn the same the carry point of view.

bulk, whence it can be pumped into the ships, and thus save the expense as well as the freight both ways of the barrels. A Mr. Myers, of New York, has devized a model of a new car, or rather a new invention for this purpose. He

proposes to make two strong cylinders or barrels of Iron, the outer edges being ing of sheep. It was resolved by the meeting that five fitted with rims like the rims of railway wheels. The two barrels thus prepared

and connected with each other, form a car, and can be rolled with their contents of oil along the rail track from the springs in the interior to the side of the vessel in in the interior to the side of the vessel in Bays: New York, pumped out and returned As the wool buying season approaches As the wool buying season approaches empty to the springs for a new freight. A photograph likeness of the car can be seen at the Oil Exchange, and a view of it will

himself credit by naming his new boat C. make a large demand. It is but fair that D. Miller, in honor of our old friend the the producers should receive a share of the producers should receive a share of the profile enquely the work is river editor of the Daily Commercial .-Mr. Miller thus alludes to it : Capt. Newt. Robinson's new steamer, C. D. Miller, arrived from Gallipolis and Portsmouth, yesterday, ladened principally with iron tion for it equal to its present value. In sel-and salt. She discharged the bulk of her ling their wool farmers should demand U. and sait. One discharged the outs of her iron over at Covington, and reships 300 barrels of salt on the Iadonia, for the Wabash river. The Miller was built at Portsmouth, and is a neat craft. with ca-

pacity for 300 tuns. She is propelled by four screws, and draws very little water. We tip our beaver to Capt. Robinson. in return for the compliment paid us in the name of his new steamer.

Military Executions.

The first military executions took place on Johnson Island, last Friday, William Corbin and T. P. McGraw being the vic.

tims, having been found guilty of carrying mails and giving intormation to the rebels. The Mansfield *Herald*, whose editor was A Pittsburgher Abroad. present at the execution, says; The prisoners were then blindfolded. Mr. Chaffee, who formerly resided in

Pittaburgh, is now acting as agent for the Bailders Iron Foundry at Providence, Rhode Island, the Provost Marshal gave the necessary command to the execution party, and at presidely twenty five minutes of 2 o'clock, McGraw and Corbin paid the penalty of A Flat Contradiction.

their acts. The firing was instantaneous We direct attention to the card of Messre so that the sixteen muskets seemed to make but one report. The men both fell back upon their coffins, and died without Sumner & Co., agents for the Wheeler & Wilson Sewing Machine, which will be mass but one report. The men both fell back upon their coffins, and died without a struggle. "Corbin did not move a muscle McGraw gasped twice. * * Nothing occurred to derauge the order or mas the solemnity or impressiveness of the occasion. The firing was worthy of mote. The execution provided the solemnity of note. The execution party consisted of 82 men, divided into four squads, two of the squads being reserve. The sixteen

Wool Growing, Hamill Challenged. A meeting of wool growers was held in Cadiz, Ohio, last Saturday, and the fol-Josh. Ward, who was last summer de-feated by James Hamill, of Pittsburgh, in lowing resolutions were passed : lowing resolutions were passed: RESOLVED, That it is for the interest of thoughout the country, and for this pur-pose a price should be established by this appointed to confer with other sections of the country. RESOLVED, That in the opinion of this would it have been any thing more than the section of this pur-pose a price should be established by this appointed to confer with other sections of the country. RESOLVED, That in the opinion of this RESOLVED, THE RESOLVED, THE RESOLVED, THE THE RESOLVED, THE RESOLVED,

the country. RESOLVED, That in the opinion of this would it have been any thing more than meeting, the medium wool of this county just for him to have said something about THE SALE OF FIVE-TWENTIES. meeting, the medium wool of this county should bring one dollar per pound this season, and that we will use our exertions "defraying expenses," or at least have come half way to meet him? Five hun to obtain that price. The question of the propriety of clipdred dollars, even if Hamill were to win it, would scarcely pay the expenses of the ping sheep without washing was taken up by the meeting, and after thorough dis

John Lutz Pardoned

A dispatch was received from the Gov ernor stating that John Lutz, who was convicted of the murder of R. O'Leary i June, 1857, was pardoned. The difficulty save the sheep the injuries incurred by washing; and as an expression of their feelings on this subject, the following resoconvicted of murder in the first degree .-RESOLVED, That we agitate this ques. Through some defects he has remained in tion continually until we abolish the wash. Jail ever since. To morrow he will again

e free, cents should be the highest price paid for A Policeman Injured.

Cents should be the highest price paid for clipping stock sheep. The Zanesville *Times*, in a sensible arti-cle in regard to the demand for wool and the profits mode he contained for wool and stolen horses, which were stabled at Reachner's stables in Cecil's, Allegheny. After he had entered the stall, one of the we have a word or two of advice horses kicked him in the breast so severe-

photograph likeness of the car can be seen at the Oil Exchange, and a view of it will be found interesting to all interested in the purchase or shipment of oil. CAPT. ROBINSON, of Cincinnati, has done himself credit by naming his new boat C. D. Miller, in honor of our old triand the

To night Aurora Floyd will be presented for the last time, as the piece must give way to other novelties. Orange Blosthe producers should receive a share of way to other novelties. Orange Blos-the profis annually made on the wool by eastern buyers, and this season we think that farmers will lose nothing by holding their wool until they receive a compensa-tion for it equal to its present value. In sel-ling their wool farmers should demand II.

Various circumstan ies have transpired to delay the departure of Dr. Randall ish schooner Emma Amelia of 85 tons S. "greenbacks" in payment, and take nothing else. Eastern manufacturers send balks, many of which are altogether discount. Much of the eastern mopey in it is greatly inferior to the currence of the successful operator upon corns and banlos, the principal of which is, the in-creasing demand for hes services his pe-caliar system of treatment of these annoy-naces has occasioned, but he must assure that other engagements will preclude the possibility of his remaining in Dittaburgh those who intend to nonor nim with a can that other engagements will preclude the possibility of his remaining in Bittsburgh any longer than during the coming week. The following are the names of a few of it is greatly inferior to the currency fur-nished by the government. Let it be

hanes by the government. Let it be the following are the names of a tew of John, Margaret and Jessie Mina, Calypso, clearly understood that wool can be bought for no other but "greenbacks" or notes on our State bank, and dealers will pay that kind of money. We think these two which Dr. Kandall has operated upon the persons of the efficiency with presentions are worthy of consideration.
