Circus Accident.

Oil Trouble in England. besides Pittsburgh have their difficultie concerning Petroleum: monday more on the monutains.

On Monday week, the Town Clerk of Newcastle-upon-Tyne applied to the bench for a warrant to seize about two hundred casks of Petroleum. The casks, he said, were in a warehouse in Low Street, and Mr. J. S. Alcock was apprehensive of danger, and could state upon his oath that they contained Petroleum within the meanling of the Act of Parliament. After they sent they contained Petroleum were seized, a portion of their contents On Thursday night a spark from the locomotive of a freight train, in which were several truck cars laden with oil in barrels. ignited one of the barrels near Kittanning Point, on the other side of the Tunnel, and in a few minutes four of the cars were in flames. The rest of the train tance, a work of some difficulty, and the considered that there was great danger in shape the locomotive of a freight train, in which were seized, a portion of their contents would be tested to see whether it was Petroleum or not. Mr. John S. Alcock, to Malaya, while the largest shipments and said the oil was the property of Mr. Grimshaw, grocer, High Street. He was ports from Baltimore since January 1st, the casks yesterday morning, and he between the cask ports from Baltimore since January 1st, amounts to 498, 280 gallons. The total exports from all ports since January 1st amounts to 16,067,963 gallons or 376,449 was-cut loose and removed to a safe distance, a work of some difficulty, and the four cars left to burn. Every particle of wood-work was entirely consumed. So intense was the heat that the crossties of the track on which the cars stood, and also of the adjoining track, were burned nearly through and the rails so warped as to render it difficult for trains to pass.—

The axles of the cars were melted down until they almost touehed the road bed, and the wheels were burned off or completed for a distance of the considered that there was great danger in the considered that there was great danger in amounts to 15,057,963 gallons or 376,440 barrels. We also learn from the Circular that Mr. Boult, an intelligent member of the Liverpool Dock Board, has ventured to advocate the use of Petroleum for the was removed. He had seen Mr. Grimshaw had, foliage on the trees were burned off or complete for the considered that there was great danger in amounts to 15,057,963 gallons or 376,440 barrels. We also learn from the Circular that Mr. Boult, an intelligent member of the Liverpool Dock Board, has ventured to advocate the use of Petroleum for the was removed. He had seen Mr. Grimshaw had, however, show him a letter which stationally and the wheels were burned off or complete that there was great danger in amounts to 15,057,963 gallons or 376,440 barrels. We also learn from the Circular that Mr. Boult, an intelligent member of the Liverpool Dock Board, has ventured was removed. He had seen Mr. Grimshaw had, however, show him a letter which stationally amounts to 15,057,963 gallons or 376,440 barrels. We also learn from the Circular that Mr. Boult, an intelligent member of the Liverpool Dock Board, has ventured to advocate the use of Petroleum for the Mersey light houses, instead of the more expensive article of Olive Oil.

George H. Stuart.

This gentleman, who is so thoroughly identified with that noble body, the Christian Commission, as to be the very life of a pharmacentical chemist, who was of his audience. His narration consists of his experience in the samp, and he reported that its gravity was seven eights; in other words, that it would not explode under 100°. It exploded at 125°, the vapor would take fire when a fame was near to it at 140° it would light readily: and at 145° it would explode violently. According to the Act of Parlimanner of his address, he more resembles than 100°, Alderman Cadish: Then it is out of our jurisdiction and out of yours? \$160, he must pay \$5. The license fee is graded according to the rent or rental to which the fee control of to remain where it is "If to the business of providing for travelers and sojourners, the hotel-keeper adds the retailing of spirituous liquors, he is required to pay an additional sum of \$20 tor license; and this he must pay, whether his hotel belongs to the first, last, or any intermediate class.

"By the 48rd section of the supplement,"

Indecent Exposure.

We have twice before written articles about the shameless manner in which by bathing in the Allegheny river within prevailed in the mountains, near Cressen, any intermediate class.

For several days an extensive fire has prevailed in the mountains, near Cressen, any regard to decency going in the river feared, do immense damage before it whether his note; belongs to the first, last, or any intermediate class.

"By the 48rd section of the supplement, approved March 2rd, 1863, no alteration wharf from Hand street bridge down to approved March 2rd, 1863, no alteration whart from Hand street bridge down to is made in the act of July 1, 1862, except to the point. Saturday afternoon complaint was laid before Alderman Donaldthat the latter promises the person needs to keep an hotel from selling liquors to be con of the outrageous conduct of these detaken off the premises. This is intended based and shameless fellows, by gentleto prevent an hotel keeper licensed to sell men whose residences skirt the to prevent an hotel keeper licensed to sell liquors as well as food and ledging, from pursuing, under cover of his license, a dis finct branch of business, and entering into competition with apothecaries, merchants or others, who may be allowed by the local law to sell, hy retail, liquors to be carried law man of common decency. Cannot liquors to be carried law man of common decency. or others, who may be allowed by the local law to sell, by retail, liquors to be carried off the premises, and who like the hotel-keeper, must in each case, pay for his privilege a license fee of \$20." these violators of public decency? If there is, let it be put in force, and let these fellows see that although lost to all shame themselves, they shall be made to record themselves, they shall be made to regard the feelings of others. We hope that this matter will be attended to forthwith, for

evening, (June 1st,) at their Hall in the Diamond. The public are invited to at-Bank Stock. Anniversary, the feelings of others. We hope that this matter will be attended to forthwith, for it is becoming a great nuisance. Morning, noon and night, it is the same thing, he included the product regard to who may be in sight. The spectacle to ladies and young girls oroseing the bridge must be intensely in teresting.

Accident.

On Sa. arday afternoon as a little daughter of Dr. Hamilton's, sged about six years, was standing on a chair, leaning in the fall so the pavement below. It started out head foremost, but turned in the falls of that it did not strike on its head. At first when it was picked up it was thought it was followed. At first when it was picked up it was thought it was proken. Yesterday afternoon the same of the second as usual. Its escape from instant death was almost miraculous.

On Sa, arday afternoon as a little daugh with Barney O'Tool; you hate six years, was standing on a chair, leaning in the fall so that it did not strike on its head. At first when it was picked up it was thought it was followed again this evening, and all those bone was broken. Yesterday afternoon it was going around as usual. Its escape four instant death was almost miraculous.

On Sa, urday afternoon as a little daughter of Dr. Hamilton's, seed about six years, was standing on a chair, leaning out of the second story window, it lost its beard and forement and you weep one minute and you with the made and the rebels, and came up black the nead the rebels, and came up black the next. You sympathise with the leave one times is the "Peep o' day" will be leave. The "Recomment of the second story window, it lost its bear and you weep one minute and you weep one minute and you with the made of the rebels and came up black and came up black and came u

Another Nuisance.

The junction of Liberty and Ferry streets is every night completely blockaded with wagons, cars and other vehicles.

The Chinese Juggler and wantriloquist has been re-engaged, and Miss hathleen O'Neil also appears and sings some of her best song.

Ethiopian eccentricities There is one in particular that we have got to know by heart; a kind of a car or dances and other amasements fill the bill. got to know by heart; a kind of a car or butcher's wagon, with shafts, showing that it is intended for one horse. It has a sort of raised seat and the body is on springs. The owner takes peculiar delight in leaving it directly in the crossing, and sundry broken shins, and severe tumbles testify to his correctness in putting it is the dry broken shins, and severe fumbles testify to his correctness in putting it in the most proper place to throw a man on a dark night. Any person wishing to examina a collection of vehicles can do so any night, but more especially market nights, by going to the junction of Liberty and Ferry streets. 10gabu Molas

CBISTADORO'S HAIR DYE. CRISTADORO'S HAIR DYE IN USE

A SO pure, so free from all objectionable propure reties, that produce such splendid and permanent times or that operates so quickly, uniformly and certainly, as

Cristadoro's Excelsior Hair Dye.

This matchies article is pronuceed, by all who have ever applied it, or seen a applied, the most wonderful invention of the age. Ten minutes suffices for any shade of brown or the deepest black. It leaves the skin unstained.

Manufactured by J. URISTADORO, 6 Astor House, New York. Sold everywhere, and applied by J. uniformly and provided b

B. TOBIAS' VENETIAN INIment. An instantaneous remedy for chronic rheumatism, headache, toothache, croup, colic, quincy, sore throat, and pains in any part of
the body. Try a bottle and be convinced. Hemember this article is a success, not an experiment for 14 yearst has been tested. Every one
who uses it reommends it. No medicine ever
had such a reputation as this allently it has worked its way before the public, and all are loud in
its praise. Caronic rheumatism' Thousands are
laid for weeks on a bed of agony, and never walked without the aid of crutches, with this
complaint can testify to the magical effects of this
imment. They are oured and proclaim its vircertain, and a positive cure is sure to follow,
Headache of all kinds we warrant to cure. Putridsore throat, quincy and diptheria are robbed of
their terrors by a timely use of the Venetian Linments.

Price 25 and 50 cents. Sold by all drusristan-B. TOBIAS' VENETIAN LINI-

months, months, Price 25 and 50 cents. Sold by all druggists, Price 25 Cortland street, New York, my7:d&wc;wo Facts about Brandreth's Pills.

Mr. G. Then Evus Shrendon, Editor Sing Sing Republican:

Dear Sin- I would state that I was induced to use BRANDRETH'S PILLS; through the recommendation of John R. Swilt, of Croton, Westchester county, who was entirely restored to health by their use, He was sick for some two years, very costive and dyspeptic, and he tried everything but was not relieved. Finally, he took one Brandreth's Pill every day for a week, and a does of six Pill severy day with an occasional dose of six. In one month he was able to go to work, and in three months he wall gaining 40 pounds in weight Yours truly,

EDWARD PURDY.

Wastonsyal O Days, 53:

Wastonsyal O Days, 53:

Rdward Purdy being duly sworn, says that he resides in the town of New Gastle; that some years ago he was very sick with a sore on his leg which had been running for over five years; that he was also much distressed by a pain in his chest, he was also much distressed by a pain in his chest, and besides yety, costive and dyspeptic; that aftertrying various remedies and many physicians, he commenced using Brandreit's Pills sixto sight three times a week, and at the end of one month, the street on his leg healed, and at the end of two months he was entirely cured of coriveness, dyspensia and pain, and has remained well ever since.
