THURSDAY MORNING, JUNE 11. CITY AND NHIGHBOBHOOD INTELLIGENCE

Elizabeth Beatty.

We yesterday visited this unfortunate young woman in jail, and found her as cheerful as possible under the circum-stances by which she was surrounded. Her cell is kept very neat, is well suppli-States, from salary either private or as an officer of the United States, from rents, ed with books and papers, a lamp being allowed her, and she spends her time read

ed with books and papers, in time read-ing and sewing. She says that is auxions for her trial to come off, as anything is bet-ter than suspense. She says that, although she does not ask the sympathy of the peo-ple, yet she feels very grateful to them for the interest they have manifested in her case, and thankful for kindnesses shown not only by persons outside, but for those who have charge of the jail. Being near her confinement, she needs the sympathy and during 1862; amount paid for inson-ther confinement, she needs the sympathy is a comparison of the set of the source set. She does not ask the sympathy of the peo-ple, yet she feels very grateful to them for the interest they have manifested in her case, and thankful for kindnesses shown have charge of the jail. Being near her confinement, she needs the sympathy is the needs the

her confinement, she needs the sympathy and attention of those of her own sax. We understand that her trial will probably come off next week. There is some uncertainty as to the meaning of certain provisions of the law as set forth in the blank sent to citizens, and different persons put different con-tractions upon these provisions. There is some uncertainty as to the meaning of certain provisions of the law as set forth in the blank sent to citizens, and different persons put different con-tractions upon these provisions. There is some uncertainty as to the meaning of certain provisions of the law as set forth in the blank sent to citizens, and different persons put different con-tractions upon these provisions. There about 6 o'clock, under the following cir-cranstances. He had been unwell for sev-eral days, and went down to the river, aparently to bathe or wash his head. He was seen by a boy to fall into the river, for about three hours, his body was found. He was about forty years of sge, and leaves a wife and six children

Activity in the Rebel Army. &c., &c., &c. &c.

WASHINGTON, June 10 .- From an officer who participated in the fight yesterday, we learn that two brigades of Pleasonton's avalry, under command of Gen. Buford, made a reconnoissance to Culpepper, and

had one of the most obstinate fights that has occurred during the war. The force was composed of Gen. Ba ford's brigade, under Col. Davis, supported by two batteries and two regiments of

nfantry.

infantry. At half past 12 o'clock on Monday night the cavalry bivouacked near Bererly Ford, on the bank of the river. At three next morning the men were called, and they crossed the river beyond the ford.— There was a semi circle belt of woodr, with a range of rifle pits near the edge of bave no doubt whatever but that the pre-sent season will be the most prosperous and brilliant in its history. Cresson Springs are situated just one hundred miles from Pittsburgh, being a ride hy rail of only four hours. This in itself is an in-ducement for our merchants who cannot with a range of rifle pits near the edge of service at the time the act went into effect, the timber, and a line of pickets guarded are not to be included in that class, which the ford and the southern bank of the ducement for our merchants who cannot leave town to send their families there, as

The 8th New York cavalry crossed first The 8th New York cavalry crossed first and drove the pickets back to their rifle pits. The cavalry then charged directly through the woods, the enemy falling back on their artillery, and maintaining their no.
