Failing to capture Bressler the party returned to Statzman's tayern. After returned to Stutzman's tavern. After remaining there for a very short period of time, they went a second lime to the house of Bressler and demanded admittance. They were informed by the females of the family that there were no men in the house, and that they would not open the door. They then broke the door in and searched the house, but did not find

any of the male members of the family at home. They, however, found the rifle of Abraham Bressler standing in the house where it was usually kept, and brought it with them to. Pottsville. On returning from Bressler's house they arrested Christian tian Stutzman and his son Israel for a tri-nesday last. vial offense, and took them before the Provost Marshal, who undertook to hold them in their own recognizances in the sum of one thousand dollars to appear before him again if required.
