The Union as it was The Constitution as it is! TUESDAY MORNING, JUNE 16.

43- Where there is no law there

"Once give it fair swing in a general election: iet the people have a free opportunity to scru-tinize the true character of the Democr tiparty, and there could be no fear of the result. For this reason we are not scorry that Vallandigham has been nominated for Governor of Obio;" GOV. GURTIN'S PROCLAMATION. The proclamation of Governor Curtin published in another column, is like his This is all the Democracy require ; give former productions of a similar character, us free discussion and we will be far more a stirring and elequent and judicious appeal to the patriotic enthusiasm of our people. It will be responded to by the cept those whose acts and motives will not passed since 1763. I would put America quiring immediately an additional military precisely on the footing she stood at that former for the footing she stood at the bounding thousands of the heretofore la bear scrutiny. Let us. therefore, have teut patriots of the State whose services light not darkness; let us have free speech have not yet been required by the exigen. not Bastiles for using it; if we violate have been the aggressors from the begin-any law punish us according to known ning, you cught to make the first over-and Commander in Chief of the Army and cies of the war. The Governor remarks : enactments, not banish us into an enemy's "The issue is one of preservation or decountry upon the verdict of a packed court struction. It involves considerations paramartial.

mount to all matters of mere expediency, According to the North American's rule and all questions of local interest ; all of policy, and in order to render its arguties, social and political, all impulses of lar cry for Vallandigham's immediate rement complete, it should join in the popua personal or partisan character, sink by lease. Will it do it? comparison into insignificance. It is now to

be determined by deeds, and not by words alone, who are for us and who are against VALLANDIGHAM. us. That it is the purpose of the enemy NUMBER XVIII. to invade our borders with all the strength To His Excellency, Abraham Lincoln

he can command is now apparent."

RADICAL LOYALTY. It is, and has been notorious that while the Conservatives of the country are held is not the question. But I do declare that to a rigid accountability for their opinions, in relation to public questions effecting their concerns, the Radicals, on the con trary, exercise the largest liberty. Wendell Phillips, under the eye of the Presi-

dent of the United States, announced his there can be none; and that is the ques contempt for the Union of the States, and tion. And it seems to me so plain that 1 he was applauded ; Mr. Vallandigham dif. cannot suppose that there is an honest fered from the policy merely of the Ad. man in the land who will affirm that the ministration and he was, in defiance of proceeding is lawful or constitutional.positive enactments, tried by court mar. Suppose Vallandigham was guilty of

tial and banished. In and about St. Louis, Mo., there is a administration in his speech ; free speech set of German Radicals, who, ever since is guaranteed to every man by our consti the removal of Fremont from that com. | tation and by our most ancient and undismand, have been denouncing the Admin. puted customs, and we have no law to de-

**DAILY POST.** BETTER LATE THAN NEVER The Philadelphia North American, a leading organ of the Administration, in its sense of daty is so diametrically opposite to avery principle of sound policy, as to issue of Saturday last, rejoices in the remo to every principle of sound policy, as to val of the upstart poppinjay, Hascall, from the command in Indiana, and in the with-involved the innocent and the gullty in drawal of all orders against free discuss sion. Its reasons seem to be of a purely partisan character, for in alluding to the true is it," adds the historian, "that a naunnimous nomination of Vallandigham, tion which would risk everything to secur its own liberty, may not be the less infor Governor, it says :

for Governor, it says: "Martyrdom has consecrated Joe Smith's pame and memory to thousands of followers, and per-secution has made his sect numerous and respect-able. Repression has been vailly tried in Eu-and stard y ever successful. As a matter of pri-icy, therefore, the national government has very indiciously acted in its removal of linscall, and revocation of the orders of himself and Burnside "Once gins it for methods." per of those who are to be governed, and the circumstances of things; which being

infinitely diversified, government ought to be adapted to them, and to conform itself to the r nature, instead of vainly endeavoring o force that to a contrary bias." He adds: 'All confidence in the government on the

us free discussion and we will be far more decorous in our rhetoric than sholikionism ever was to its opponents. Open and can the same subject Lord Chatham said: "I roads into the States of Maryland, Peandid investigation are feared by none ex- wish for a repeal of every oppressive act sylvania, Ohio and Western Virginia, reprecisely on the footing she stood at that period. If asked why should we concede? will tell you, my lords. Because you

> ·Several of your measures, together with ecent assaults upon the freedom of speech and of the press, have lost you the confi dence and support of the people, and all the United States one hundred thousand must be retracted that are needed to restore these.

History tells us that during our revolu tionary struggles, there were in England, an 'innumerable multitude of political publications, in which the conduct of the State of West Virginia 10,000, to be mus-

administration was arraigned in the bit-terest terms of severity:" and yet no press For the Post. was stopped by the Sovernment. Emi-nent among these were the famous letters of six months from the date of such muster

Junius, and a prosecution of the pub into said service, unless sooner discharged, of Junius, and a prosecution of the pub-lisher of them failed, and only increased the freedom of the press by further legal protection: and out of that prosecution grew our constitutional provisions in favor made known through the War Depart-President of the United States SIR: I have no thought of either ap

vroving or condemning the course of Mr- *of that freedom.* You remember all this. Vallandigham, or the language for which Why then neglect its warnings? Thurs places of rendezvous. These militia to be were no military arrests then, no suppreshe has been sentenced to exile; for that sion of newspapers, no military trials for such offenses there is no law in the land that furnishes Sir, mob law is a mere gust of passion any sort of spology for such a trial and that is admitted to be wrong and transient, sentence- there is no law that authorizes and therefore, it is not so great an evil as

calculated governmental encroachments any civil offense to be tried by a military upon liberty. It is better for a mob, than for government to violate law. commission, and under our constitution Very respectfully yours.

MORRIS Correspondence of the Post. HARRISBURG, June 11, 1863.

Since the departure of the returning volunteers, Harrisburg has been too dull coarse and disrespectful treatment of the to afford an item worth inditing. Our neighbors up the Cumberland Valley are

having a more lively time of it. About the close of last week, the pleasant little town of Greencastle, situated midway be istration without limitation. Their indig. June good manners in the exercise of this tween Chambersburg and Hageretown right, I am mistaken if you would not tween Chambersburg and Hageretown
