HARBREBURG, June 19th, '63.

showing how disastrous have been our efforts to crush the rebellion. It says :

efforts 10 crush the rebellion. It says: "We bope there are not many honest, patriotic men at the North, who have not, during the last week, asked themselves in sober readness; how is it that, after two years of war, with every a vantage on our side; with overwhelming su-ports open, our trade flourishing, our credit good, our people pertinacious and determined beyond crample-we find the enemy threatening our own territory with an army equal, if not supe-nior to our own? How is it that, within a day's march of Washington, we have no better pro-tection grainst invasion than a levy cancer, and a tunultuous rush to the field of half-armed south, thad itself reduced to the humiliting ne-ceive for the tases for conquering the whole south, indus itself reduced to the humiliting ne-ceive france energy of State Governors?" After reading this confession of the Ad-After reading this confession of the Ad-

ministration's incompetency, one would naturally coaclude that the writer of it daddled back to Chambersburg with the desired to get rid of it. Its remedy for alarming information that the roads and the evils complained of is, not a change of the fields were as full of advancing rebels rulers, but the absolute concentration of all the power of the States in the hands of those who have so woefully misused and sacrificed the tremendous means already

destroy the Railroad buildings when they left on Wednesday afternoon. These buildings had all been destroyed by Stuintrusted to them. It desires a concentration of power at Washington, because, as it says: "We are engaged in an enterart's cavalry last October, but the compa prise which requires that a well drilled, ny had rebuilt all of them except the pasruled by one code, commanded by one house. It is true they have destroyed the chief, should be maintained until it is ac- Scotland bridge, five miles this side of complished."
