

The Union as it was: The Constitution as it in:

TUESDAY MORNING, JUNE 23. Where there is no law there

Democratic Nominations.

FOR GOVERNOR, GEORGE W. WOODWARD, FOR SUPREME JUDGE,

WALTER H, LOWRIE.

GEN. MEAGHER'S SPEECH. We direct the reader's attention to an eloquent address by Gen. Thomas Francis Meagher, published on the outside of this morning's paper. The concluding portions of it will be seen are terribly denunciatory of those in New York who are silly enough to talk of peace, and at a vancing upon Pittsburgh, and we were not THE KILLED AND WOUNDED AT PORT BUI time, too, when the rebels threaten the apprised of our danger until late on Sun-North with invasion.

INVASION OF PENNSYLVANIA. asked than answered. There is no doubt, what is far different, "unquestioned inhowever, of their intention, which is to tegrity." certainly cross into Maryland and Penn. sylvania, for the purpose of laying waste all that may fall under their destructive and vandal hands. If they do not invade us, it will be owing to the magnificent, and hearty and united action of our people, determined to lash back to their wasted territory these hungry hordes of famishing

There seems to be no doubt but that whenever Lee thinks he can, with any hope of success, invade our State, he will fierce in their denunciations of his management of the war, and insist that nothsecure them their independence. They sibly not many hours, before our army point to the well known facts of our armies having penetrated rebel territory; combarrances of the sible to face with the enemy, in which case (and it requires no gift of prophecy to foretell the lact) the fiercest barrance. pelling them to fight us upon rabel soil; they point to their devastated homes, their blasted fields, and to our armies closing in A Scouting Party-A Palse Alarmaround them in over direction. around them in every direction. They point to our immense resources in men and means and naturally conclude that their being subdued is but a question of the enemy in their travels.

Cannonading, supposed to have been heard in the direction of Thoroughfare

Cavalry have just returned from a two day's scouting expedition through London wide spread belief that the 'liberty' actrously upon themselves.

So far this threater' diavasion has done good to the Lindon cause. It has infused heard in the direction of Thoroughfare where the six and eight barbers were strengthened and consolidated their organization in the six and consolidated their organization. from their own fields to ours. As we have already stated, we do not doubt but thrown hundreds of feet in the air, and he asked the negro who was shaving him, that the intention to inten that the intention to invade was matured, teamsters, but hurting no one. The wagon because, fully four weeks ago, Mr. Clem was consumed. It had been packed with ent C. Barckley, through the New Orleans Picayune warned our government of it, heat from friction can be assigned for the proposed invasion.

Picayune warned our government of it, heat from friction can be assigned for the Commissary Department.

operations. This they have done last operations. This they have done last summer and this, and in view of what it is possible for a hundred thousand desperate men to accomplish, we think it time for our entire people to be prepared for the worst. If the rebels do invade us, it will not be for the purpose of inhabiting our soil; that is out of the question, but we soil; that is out of the question, not laster. Human nature cannot forever entire. Human nature cannot forever entire possible to the place during the afternoon, and at the cannot forever entire possible to expect a fight on Tuesday. To-mgnt uncy land with the procession with the occurrence had walked up to Cullen's oreast, pulled from his belt a revolver, put it to Cullen's oreast, pulled the trigger, the whole load passing into his breast. Then ported near Waynsburg and Cettysburg. Human nature cannot forever entire possible to the place during the afternoon, and at the time of the occurrence had walked up to Cullen and engaged in conversation with the contract of the contract incalculable disaster. By rapid and deseighty men, burned the city of Leipsic and escaped. They were after plunder and secured it; and so desperate and rapid were their movements that they not only escaped but threw the alarmed thousands of citizens who inhabited the city into such consternation as to petrify them with is that brought this morning by the steam. fear. A fewdaring men, like the tornado, er Continental, from Memphis to the 13th the flood or the conflagration, can inflict inconceivable horrors in a very brief time. After two years of speculation and discentered, in anions suspense, awaiting condition of our state. Upon every side condition of our state our state of the condition of our state. Upon every side condition of our state our st be put in a condition to defy any attempt at invasion. Chambersburg and Harrisbefore we cease our present operations, let our entrenchments and defences be such as to defy the enemy's approach, and when that is accomplished the work of lamp of life is fed and the flame my de to We have thousands of men, but we need organization, and to be at all useful this

"While the history of the present and the coming week will 'show that more volunteers are ing week will 'show that more volunteers are not the oming from Pennsylvania to meet the invasion then from nit the other traites together, it is still the fact that other traites together, it is still the fact that both New York and New Jersey have been in advance of us in placing organized torces in the field. We have every the usand of the Pennsylvania militial have air the usand of the Pennsylvania militial have air the placed themselves at the dispersal of the thousand tave concluded to themselves into regimental organizations. This city sha the neighboring countries are slive with companies; that in that term they tast to make the impressive show produced by the imposing regiment and brig-

TO DEMOGRATIO EDITORS. At the recent Editorial Convention in Harrieburgh an Executive Committee was appointed, which was instructed to obtain the names and, Post Office address of Prince George's county, Md., and a con-Democratic Journal in the State. Our usction of Reverdy Johnson, has been con-Democratic Journal in the State. Our editorial friends will confer a favor by giving this notice publication and forwarding the required information at the entiest moment to Henry Ward, office of the Patrior and Union, Harrisburg, office of the military prisons—perhaps Fort Delaware.

Usually the agent of the Associated Press places us under weighty obligations, because of his important dispatches; and says;

occasionally his vigilance and care extert rom us our unqualified and hearty admiration. In yesterday's paper there appeared one of those important items of compulsory purusal of a week's daily contradiction of important events.

PHILADELPHIA, June 21st,

City Star to ascertain what is going on in make his name familiar from almost one the neighborhood of Pittsburgh; and when other." he finds it out, he sends it here late on Sunday evening, much to the delight of the printers, and the numerous newsmonthirty eight miles of Uniontown," ad. says: day evening. This news did not come direct from Uniontown, but from the capital of the nation, and it was based, as Whether the rebels invade Pennsylvania is usual in such cases, upon a private let this week or next, or whether they shall ter received from "a gentleman" of not invade us at all, are questions more easily only the "highest respectability," but,

Hooker's Army. THE ENEMY NOT IN THE VICINITY. The Herald's Army correspondent with looker's Army, on the 10th inst. says: Our infantry and artillery are in pos tion, awaiting any demonstration of the enemy. General Lee's army has as yet the niggers," was the reply-"We don't given no token of being in our vicinity. It is now believed he will not call upon us here. Preparations are making to look

for him elsewhere. Sufficient rations were ring the posed to the Davis Government, have been troops are passing by here. Their destina ing but an invasion of the North will and that it will not be many days, and postle ever fought in Virginia may be looked
