CITY AND NEIGHBORHOOD INTELLIGENCE Our Paper. We shall have to beg the indulgence of our readers for the lack of reading matter this week, as most of our employees are working on the city fortifications. Meeting of the Executive Com. At a meeting of the Fxecutive Committee held last night, the reports of the men working on the different lines of fort finations, when it was reported that on Herron's Hill there were 2,821 men, on Equrii Hill, 1,216; on Davis' Hill, 1,967; on Mt. Washington, 3,226. Mr. Joseph Plummer then reported that he had received an additional subscription from Mr. Joseph Rhodes of \$100. Sundry committees were appointed to attend to various matters, when it was Resolved, That this committee recom mend that loyal and patriotic persons able to bear arms in defence of their homes and fresides who have not already done so, that they form themselves into companies, and elect their officers representing the professional, manufacturing, localities in cities, boronghs, counties or townships embraced within the Depart ment of the Monongahela, and report at once to Maj. Gen. Brooks, who will have them mustered into the service of the United States to serve during the pleasur of the President or the continuance of the war; also have the officers commis sioned, and the troops supplied with arms, ammunition. clothing, blankets, rations, &c., under the terms and conditions set forth in his order, No. 2, dated June 9th, HEADQUARTERS DEPAR MENT OF ) THE MONONGAHELA, Pittsburgh, June 16, 1863. The President's Proclamation, calling for six months troops does not supersede the order establishing a Department Corps, the nature of which tervice appears to be misunderstood. It is not designed to keep this organization in active service for any period, but simply to establish, and keep up an organisation for the pro-tection and defence of the Department that will be familiar to every one and effi-cient when or anized. After the parties lar emergency is over, the troops will be sent to their homes, when they can assume their usual avocations undisturbed. They will be called out only on occasions of threatened danger, or periodically for in spection and instruction. For this last purpose it is supposed that on an average not over one day in the week will be ne-Provision has been made by some of money to pay these troops regularly, so that they might not have to wait the action of Congress. Under no circumstances can these troops be transported to any other Department. By order of Maj. Gen. W. T. H. BROOKS. T. BRENT SWEARINGEN, Capt. and A. A. Gen. Recovering. Geo. Chambers who was shot by Gold ing last week is in a fair way to recover. Among the wounds received, one large ball struck him in the left breast and passed through his lungs. A shot struck him in the corner of the eye, but did not destroy it. He retains his eight in both Committed. Republican: Mr. G. Tre Even Supedon, Editor Sing Sing Republican;
Dear Sir—I would state that I was induced to use BRANDBETH'S PHILE, through the recommendation of John B. Swift, of Croton, Westchester county who was entirely restored to health by their use, He was sick for some two years, very contive and dyspeptic, and he tried everything but was not relieved. Finally, he took one Brandreth's Pill every day for a west, and a does of six Pills every day for three days, and then took one Pill every day, with an occasional does of six. In one month he was able to go to work, and in three months he well gaining 40 pounds to weight.
