Democratic Nominations. FOR GOVERNOR GEORGE W. WOODWARD.

FOR SUPREME JUDGE. WALTER H. LOWBIE.

THE ARSENAL QUESTION. tire abolition figure. We publish to-day another review

GEN. SCHENCK. by "Wayne" of the Allegheny Arsenal This valiant person now located in Balquestion. Its publication has been deimore has accomplished a great military layed in consequence of our absence, and operation for his department ; he has supthe bustle and pressure of the times. If pressed the circulation of some three or the facts and revelations made by Wayne four newspapers not published in his are correct, (and they are vouched for by district. These newspaper suppressions the persons impeached and implicated,) by military quacks are intended to com the case presents the most extraordinary peasate for their former failures in the extra-jadicial proceeding, that we have field. Burnside and Schenck will live in seen or heard of since the commencement history when nine tenths of our heroes are of this rebellion. We have time and torgotten ; theirs, too, will be a lasting space merely to call attention to the facts fame, such as that courted by the aspiring of the case as presented, and leave them youth, who fired the dome of Ephesus. for the present, to the consideration and The Chicago Times, one of the papers

suppressed by Schenck, remarks:

reflection of our readers. PARTISAN FANATICISM.

These are pertinent questions, truly Jersey are, by their celerity and precision but the idea is, it seems, not to either conputting to blash the imbeciles at Washciliate the Democratic party or put an eud ington, the Abolition press is thanking to the war either. The proper disposithem for assisting our State authorities in tion of the slavery question is first and al their endeavors to save our Commonways in order. wealth from rebel-invasion, by applying

to their party and to themselves the term copperheads and traitors. In what condition would our State now be, had it not been for the prompt action of these cop perbeads?

New England, which has been directing the Administration and dictating its poli cy, has not responded to Gov. Curtin's

ciples they both once held."

he was quite emphatic in his denunciation | "THE U.S. ALLEGHENY ARthe Democratic State Convention. SENAL QUESTION." which had just adjourned. So, it will be PITTSBURGH, June 19th, 1863. seen by this that he is properly impressed To the Editor of the Post:

seen by this that he is properly impressed To the Editor of the Post: with the way to military promotion—pol roonery in the field and intense abolition June, in reterence to the "Arsenal Quess" potent business," prevarications, &c. !! To the Editor of the Post: Sin: My communication of the 6th of "reterence to the "Arsenal Quess" potent business," prevarications, &c. !! Still be is patient under suffering; and it partisanship at home. The members of tion," was addressed to the Secretary of willing to make any sacrifice for the public while at the same time he declared himself generally. I now address myself to the devotion of Mr. Barr, have been wondercivil authorities, to judges, jurists, and Butler and Burnside'' stripe. If these an men conversant with proceeding in our nouncements do not secure Milroy milicriminal courts. That they may under-

stand the case, and be able to apply their a baser or more ignoble motive! Would independent on the facts. I give the foll such a man aid or abet in consigning his tary promotion, they will, at least, fave im from being dismissed the service.-These political generals are wide awake lowing brief abstracts as *texts* for their whenever one of them makes a serious comments and criticism. Let me premise military blunder, he immediately makes a the case, by stating: That fifteen laborispeech denouncing "Northern Copperous, sober, steady and faithful mechanics. leads," at the same time intimating what have been accused, secretly tried, con-

felicity it would afford him, to place his out notice, and not having the slightest intimation or knowledge, as to the accuheel upon their traitorous necks. Al though indignant at Milroy's shameless dis sations preferred, or the accusers who tes-tified against them. Their first and only aster, we trust that the Dispatch is not displeased with his Harrisburg perform botice was: "You have been tried, con-demned and sentenced !" But to the brief ances. He on that occasion went the en in the case:

> Riddle, editor of Gazette, Thomas How ard, Esq., and Samuel F. Barr; (the Chair-man of the Committee appointed by Mr. Riddle). I did this from a sense of justice and fair dealing towards the accusers 2d. That I quoted them truly, and com mented justly on their letters, publications and proceedings, I refer to the Gazette o the 25th of May last, in which Mr. Rid dle professes to give all that had trans-pired, but in which he took the liberty to suppress Col. Whitely's note of the 15th and his own letter of the 8th of May.

3d. I stated also that a cabal of conspi rators met at night and examined witness es against the accused. without giving then notice or the slightest intimation that they were charged with any offence, or inform ing them of the names of their accusers. r of those who were summoned to ap pear, or who voluntarily appeared against

It this has not been as unique to the piracy, in its intents and purposes, as it has been detrimental and damning to the lition accounts of their desperation and (On weenesusy it has another grown at the management of the army.) The tendency of such remarks is most mischevious. It discourages enlistments, for who will enlist when it is so broadly and fair dealing between man and man, the stealthy, covert and assassin like valor in the field, the President, of course, "should and must protect them." Hay

ing made this important discovery, of neing made this important discovery, of ne-gro superiority, however, why do not An-drew and Summer insist upon their being drafted, instead of cowardly copperheads who will betray their cause? We trust, however, that the President will not fur-ther neglect Pennsylvania, at present, to consider this Massachusetts petitica. Our case is more urgent, demanding immedi-

consider this Massachusetts petition. Our case is more urgent, demanding immedi-ate attention. Andrew promised that New England would swarm with volun-teers whenever a proclamation of emanci-pation were issued; it was issued, but the swarms did not appear. Having fooled the Administration into one fatal blunder,

they like it or not. They should be care-ful how they offer such advice, for that dangerous adviser of the President, Stan-ton, who by his apings has succeeded in making himself a most ridiculous bur-lesque on Metternich "the incarnation of A netrier despetier"? is no way backward I will leave the matter for the reflection of the President now should postpone the consideration of this petition, and show some concern for our gallant old Commonwealth, which has given him over a Austrian despotism" is no way backward I will leave the matter for the reflection hundred and fifty thousand of her sons to assuming powers that don't belong to others.

fight for the Union.

MILBOY'S DEFEAT. Our spicy little neighbor, the Dispatch, not being impressed with the fear of sup pression, has the temerity to remark that :

If our troops, while in the enemy's country, are to be managed and disposed as if they were on a grand pic-nic excursion, we need not be sur-prised to bear of an occasional surprise and dis-astrous rout. Details of Gen. Grant's Operations Dispatches have been received at Washington trom Vickburg, dated the 15th and 16th inst. The siege works, it is stated, and declare that the "study and practice ington trom Vickburg, dated the 15th and

"We are also informed, as a matter to be re-stretted, that many of the officers had their wives with them, and that the ladies work and their wives so long as our troops county the field in this style, surrounded by their wives and families, it is not to be expected that they will deprive themselves of the pleasures of a domestic life in order to at-the soldier." are still progressing with vigor. General of the law, contracted the under

surrounded by their wives and families, it is not to be expected that they will deprive themselves of the pleasures of a domestic life in order to at-tend with due diligente to the sterner duties of the soldier." Milroy, in this "grand pic-nic excur sion," with the ladies around him, was only practicing what the Abolitionists have, until recently, been preaching. They tail are that a more min to be the struct would be have and the south would be on the main road from Lackson to since the became a lawyer!

The Situation. On the main road from Jackson to Vicksburgh the rebels have constructed strong fortifications on a ridge running div themselves? What bonorable man would told us that a war with the bouth would be a mere frolic; that ten thousand old, but determined spinsters, with broom sticks, could march in triumph from Washington could march in triumph from Washington to Charleston. Milroy, being a genuine follower of these teachings, very properly gathered his family around him, as the hen gathers her brood; and, had it not been for the intrusive successor of Gen. Jack-

for the intrasive successor of Gen. Jack-is a very active, energetic officer, holds son, they would have had a pleasant and this point with his division. an exciting time of it. As it was, he lost Ditch Digging.

an exciting time of it. As it was, no lost about five thousand out of seven thousand men, besides a number of his officers' wives, who were erjoying the pic nic. Whether he staid long enough to secure the safety of Mrs. Milroy, we are not in-formed; the probability is that he did and six feet deep was completed to within two hundred feet of the tort, when it was not, because the report of his flight says two hundred feet of the tort, when it was that when these chosen and protected with necessary to turn it in a direction to the not, because the report of this high and the increasary to turn it in a direction to the that he never stopped until he reached Bal. necessary to turn it in a direction to the that he never stopped in that city for a left across the road. From this point it conple of days, and being positively as and one hundred feet would bring us to served that it was still in possession of the the base.

Union forces, he soon recovered from his fright; and the next day we find him in Harrisburg, addressing a small crowd of enthusiastic admirers of heroic achieve ments.
