Poetry. . To Lake Erie, by Minnie Fry. Besides the usual amount of Telegraph Mar-kets, and other matter of interest. It can be had at the desk this morning with or without wrap-

REBEL ATROCITIES. If the rebel leaders were to confine their depredations to the property of the fanatical scoundrels who have labored to con vert the war into one of savage cruelty, the retribution would be a judicious pun- Editors Louisville Democrat: cent suffer with the guilty. Look at the specifully to request that you di

not save her from enormous rebel depredations. We perceive, however, that one at least, of the bloody and brutal Aholi tion agitators, who have for twenty-five years been teaching "bloody instructions." has seen them return to plague their in ventor-we allude to Thaddeus Stevens. In a speech delivered to his constituents last September, and which was applauded

"When three miles this side of Gettysburg he was met by a mounted rebel, but managed to pass in minimuch difficulty. He met with no further interruption until three miles from Steven's furnace, when he was met by parties who said the whole rebel army was advancing.

"At Steven's furnace which, by the way, belongs to Hon. Thaddens Stevens, the rebels burned everything, and what could not be burned was destroyed. A large number of persons are thrown front of employment by the destruction of this furnace."

other member in moulding the radical policy of the Administration; he dictated emancipation proclamations, and invited negro insurrections. His policy is in full operation and what has it produced?

Why a united, ferocicus and desperate South, not content to fight upon the de without his host. The "sunnession" he South, not content to fight upon the defensive, but determined to risk a pitched battle in the hope of capturing our national capital. This is the result of call policy, and yet its authors are now as impudent and insolent in their proceedings and exactions, as if their plans had produced magnificent results for the national captured of the plans had produced magnificent results for the national captured of the proceedings of the proceedings of the proceedings and exactions, as if their plans had produced magnificent results for the national captured to risk a pitched without his host. The "suppression" had in store for the Democrat has fallen upon himself, as the following late paragraph from the Journal shows:

By an order from General Boyle, Col.

Moore, Provost Marshal evidently reckoned alry, who had two pieces of artillery.—Our troops had four pieces and the firing was kept up briskly for some time, when the rebels were forced to leave. The farm-living near where it occurred state that the rebels had sixty killed. Our loss was a lieutenant and private wounded.—The new troops are said to have behaved South, not content to fight upon the de. cause. Stevens will go back to the next Congress and will, with a face of brass

continue to domineer and dictate the policy to be pursued bereafter. The Harrisburg Union, of Wednes onton has captured three hundred of the enemy's wagons; and then county are at Chambersburg, Gen. Pleas to be at Goldsborough, York county are gently made and the enemy greatly.

A meeting was also held at the State gently and gently are a fire the many and the state of the read of the federal forces, two New York regiments and the rear guard of the rebels.

A committee of citizens was appointed to adopt a plan of action and raise volunties.

A committee of citizens was appointed to adopt a plan of action and raise volunties.

But I enusylvania as long as there is an armed rebel this side of the Potomaccinic first and the state of the State from Massachusetts. They have been accepted.

The Caledonia Furnace in Franklin county, owned by Inaddens dievens, was sign of the rebels to enter Onio within the visited by the rebels while they occupied york and everything burned. Fresh troops are pouring by thousands to adopt a plan of action and raise volunties.

Everything is perfective active and the state of the state of the rebels. day, says : "We vouch for nothing we

From a long editorial in yesterday's Ga ISM zette we copy the following opening para-graphs; not to refute them, because that is unnecessary, but to show the reckless, ruffianly and malicious temper which pervades the atmosphere of that poisonous establishment. We do not know to whom o attribute this outburst of malice and falsehood: it is likely from the pious brain with kicking by a Pittsburgh Colonel : 11

dblic-spirited of our citizens—(and that portion f them forms nineteen twentietus of all that any ody knows and comprehends everybody that is supbody)—whether, we say, the universally prev-alent soutiment among the good and true men o all former party and iolitical essociations, was not one of the strongest kind of desaits faction, leading some even to utter despair for the sal-yation of the country from the machinations of its enemies."

For the Post WINDY SACRIFICES. At this juncture, when our home are

ishment; but, alas in these the inno- Gentlemen: I have the honor most recounty of York, inhabited by one of the your attacks and war reflections upon the grand and heroic. This occurred on the of bacon, flour, salt, potatoes, molasses, the control of the war policy of the Administration, and the bar-your moderation did war measures of the Government. I am. gentlemen.

Your obedient servant, ORLANDO H. MOORE, Colonel and Provost Marshal.

The following are the comments of the Democrat upon the note: We confess that we have doubted wheth In a speech delivered to his constituents last September, and which was applicated by the Tribunz, Mr. Stevens said:

"Abolition! yes; ab. lish everything on the Jace of the carth but this Union; free overy slave that the Union; free over slave the state of the carth but this Union; free overy slave that the Union; free over slave the state of the Cabinet. We believe the House of Representatives, exulting in the thought of seeing our struggle to national unity, directed into a crual and indiscriminate slaughter, of women and children, old age and infancy, in his fury cried out in shricking anguish.

"The south can here breduced to exhaustion so long as this was feed upon its present principles—so long as they was feed upon its present principles—so long as they are feeds through forced labor.

"Although the black man never littled a weapon, he irreally the maintary of the rebelling."

"The south can here over educed to exhaustion of outivitating their fields through forced labor.

"Although the black man never littled a weapon, he irreally the maintary of the rebelling."

"The south can here of the feed through the state of the free of the feed and the transition of the feed of the feed of the transition of the feed of er the war measures of the Administra-tion are the perfection of human wisdom ,

relentless massacres; and for the following reason. A correspondent of the Phil. adelphia Inquirer, giving an account of the rebels advance from Gettysburg remarks:

"When three miles this side of Gettysburg he was met by a mounted rebel, but managed to pass him without, difficulty. He met with no further nace, when he was met by narries in the requirer and health in a state of the present. Having elected and appointed men to think for us, it is not in order to think; it it decidedly unconstitutional, and we repudiate to day the bad practice. The illustrious Provost Marshall and the propose man to toth?

Meantime the advantages of a strong intended position, excellent camping ground; good food (bating vegetables) and a tolerably certain line of communication, each day strengthen us—each hour weak or the pointed men to think for us, it is not in order to think; it it decidedly unconstitutional, and we repudiate to day the bad practice. The illustrious Provost Marshall and health is attention to other practices. should turn his attention to other practices and habits in vogue in this city. Rumor has many tongues, and they run at the expense of even Provost Marshals. We BEBELS FORCED TO RETREAT longs to from Thaddens Stevens, the rebels burned ed everything, and what could not be burned was destroyed. A large aumber of persons are thrown nace."

Mr. Stevens was the rebels burned was control to the first of the first

Threatened Invasion of Ohio. Cincinnati, June 36.
The Committee of Chip Council's and ritizens had interview with General Burnside last night in relation to the defense of the city.

FROM VICKSBURG rament—The Spirit of Ou Men-Daring of Two Union Soldiers,

&c.

&c. - &c.

Correspondence of the St. Louis Republican. NEAR VICKSBURG, June 22. Two or three things have happened of the individual who, last summer, ex within a few days deserving mention. One pressed similar sentiments when on a visit them is the bombardment of Saturday, to the army, for which he was threatened 20th, commencing at three o'clock and lasting till half past six. More than a "No can with ordinary powers of observation yesterday evening, could fail to see how var.ous classes of people were affected by the New York ramour which found its way over the telegraph wires to the city, and which reported that Halleck was to be removed and including called to take his place in Washington.

"We make suppeal to the faw, hours' experience of our tenders since this forty was bruited about the stress, to testify whether full nineteen twenther tenders in ordinary in the expension of the earnestly, unequivedly, loyal and public-spirited of our citizens—(and that portion of them formanine tenders) and that portion of them formanine tenders that that any very little. The rebels is dodged behind their pits, or crept in their caverus, and

we doubt if twent People were killed in the whole affair No position was carried. not an adv. be, nor a reply followed.
Our hope were kept posted in line of bany for six hours, when the opinion of e chief commander seems to have been strike. hade known unfavorably for the assault, which previously all thought to be immithreatened with the torch of wer and the ment. The bombardment ended, and all of two thousand reported here yesterday. threatened with the torch of wer and the invader is already on the solution. State of invader is already on the solution of the noise not but by the noise nor burt by the shells. On the contrary, they are the richer by some this Department.

he front this morning. Small bodies of the enemy's are still seen beyond Oyster Point, but they evince no disposition to attack our troops. Their movements are so erratic there

The people are responding nobly to the Governor's call for volunteers. Upwards

party," rashed to the rescue with alacrity: and gave without stint of their money, time and labor to put the city in a state of defence. Of course it was their duty, and there on the side of the parapet he commenced hewing and digging with amazing both they claim no credit for having done what was clearly the right and duty of every man to do! But they do claim that they have a right to put their substantial deeds in contrast with the windy sacrifices of their detractors.

The Louisville Provost Marshal Warns the Democrat—He is Himself Suppressed.

Heldquarters Provost Marshal, Louisville Democrat:

Gentlemen: I have the honor most respectfully to request that you discontinue

The rebels, on le, made requisitions for large supplies racks were not destroyed. The railroads and telegraph were much damaged. The

any serious casualty from them, and therefore presume our own to be equally harmless. On the whole, they are gaining a little ground steadily.

Of Johnston we hear little or nothing. Corps, under Gen. Reynolds and Meade, has been in progress all day. The locality is beyond Getysburg, on the Chambers burg pike. Portions of the fight have been severe, and was attended with heavy loss. Thus far the enemy has been successfully resisted by the two Corps mentioned, and the Third and Twelfth are now coming up. Maj. Gen. Reynolds was proved by the condensation of the easy now to be concentrating at Canton.—

He is not expected to attack our position here, as this would be almost an act of madness. Gen. Washburn went out to whereabouts, Nothing more than cavalry pickets were discovered between the two corps mentioned, and the Third and Twelfth are now coming up. Maj. Gen. Reynolds was richered with form of the glands, strengtheps, the system will be found equal to it in keeping horses up in mortally wounded, and has since died.

Of Lorbs, under Gen. Reynolds and Meade, the surface of the lungs, surfeit, of soabbers, clanders, policity, is beyond Getysburg, on the Chambers burg pike. Portions of the fight have been severe, and was attended with heavy loss. Thus far the enemy has been successfully resisted by the two Corps mentioned, and the Third and Twelfth are now coming up. Maj. Gen. Reynolds was presented to the two corps mention of the eyes, fisther course to five lungs, surfeit, of soabbers, clanders, policity, lange, inflammation of the eyes, fisther course for founder, distemper, rhemme, time had been and all diseases arising from impure blood, portex of the lungs, surfeit, of soabbers, clanders, policity, lange, inflammation of the eyes, fisther course, and all diseases arising from impure blood, portex of the lungs, surfeit, of soabbers, clanders, policity, lange, inflammation of the eyes, fisther, course, and all diseases arising from impure the long was an ause of extention of the eyes, fisther, course, and a PHILADELPHIA, July 1 .- A Harrisburg

special to the Press says a strong force under General Knipe marched up the valley to day towards Carlisle. A supply dred mules, which had been gathered up for Johnston's army.

The Yazoo valley is very rich in provisions, and it is asserted that a naval force on the Yazoo could prevent millions of bushels of corr crossing to the rebels on the east side. Possibly Johnston may make a diversion on Memphis, or even Port Hudson. His force is less than thirty

All the previous accounts of simple discomfort and destitution in Vicksburg are rife. The subordination of the troops is still broken by such exhibitions as regiments throwing down their arms and being compelled to take them again. Hopes of relief are industriously circulated every morning. The rebels, in conversation, are anxioug to get a Northern paper.—

HARRIBBURG, July 1.—Midnight—Heavy firing has been heard in the direction of Carlisle. It is believed the rebels have made an attack on the tween Mechanicsburg and Carlisle. Results unknown. A large fire is now seem in the direction of Carlisle. It is believed here that Lee's headquarters are at Dover, York county.

PHILADELPHIA, July 1.—The Washington Star has the following news from Richmond. It says an attack is expected there. The Ella has arrived from the Lower Potomac. She brings up prisoners; among them is Wm. Hunter. He says he is a deserter from the 10th Louis says no is a deserter from the 10th Louis-iana regiment. He represents that the people of Richmond, which place he left last week, were much frightened, fearing an attack, and the citizens were being armed.

WASHINGTON, July 1.—Letters of to-day's date, received from the army of the Potomac, in which the following facts are Our last movements have been charac terized by marked willingness on the part of the soldiers to undergo any fatigue within the bounds of endurance. The rebels recently sent a small scout

ing or reconnoitering party to the vicinity of Frederick. There is no force of the enemy between the city and Hagerstown.

A portion of our forces surrounded Emmettsburg, on Monday, and captured without a conflict, a battery, the only force there.
General Stable was relieved from his

cavalry command, by General Hooker, on Sunday, and Gen. Kilpatrick was appoint ed in his place. On Wednesday, July 1st, Miss MATILDA DENNY, daughter of the late John Wilkins, in the f3d year of her age. Her funeral will take place on Friday mornin legheny city.
