OITY AND REIGHBOBHOOD INTELLIGENCE a strong police force to have dispersed them; and in fact, one policeman who ramonstrated with them was given to un derstand that he had better leave. What Fourth of July. The guns on the different fortification

shortly after daylight Saturday morning, announced the fact that the sun had risen upon the eighty seventh anniversary of the declaration of American Independence, and soon the streets were awarming with monds intent poon a day of allowing

crowds intent upon a day of pleasure. Thousands started for the fortifications, to assist in their completion, other thou-sands started on pic-nic excursions, some went carriage riding, others filled the large convex of the size and the pilled the large canvas of the circus, and the walls old. of the theatre, some listlessly walked the soon expired. He was about six years

of the theatre, some listlessly walked the streets, some were intent upon receiving the last news, and some stayed at home and enjoyed a day of quiet rest. In every direction flags were flying, artillery boom-ing, gans and pistols cracking, and fire-works of all kinds were exploding. At night the theatre was so crowded that not only was every seat, and all the standing Fight on Wylie Street. There was a terrible fight last night, or Wylie street, between some whites and negroes, One report was that the negroes had insulted some ladies, and another was that the negroes were maliciously attacked only was every seat, and all the standing by a gang of rowdies without any provica-

tion. It was impossible to gather any thing reliable in regard to the matter last night. room taken, but seats were arranged npon the stage, barely giving the actors room to the stage, barely giving the actors room to perform their parts, and, we suspect, con siderably embarrassing their movements. Towards night exciting intelligence was received from the seat of war in this State, which, together, with a recommendation from the President that our victory be suitably celebrated groups a victory be

An Officer Attacked.

Drowned.

We understand that a gang of rowdies on Irvin street attacked officer Gambert on the Fourth of July, while in the per-formance of his daty in quelling a distarbrom the Fresident that our victory be suitably celebrated, wrought excitement up to the highest pitch. Oid and young, rich and poor, alike joined in the universal jubilee. After dark rockets from the forts sprang up into the clouds in eve-ry direction, showing the locality of since. Fortunately he was but slightly in-finred. Some of these provers will suffer before long for their misdeeds. They are well known to the police, and on the first rovocation they will be arrested. and iade to pay the penalty of a long line of

Mr. Sefton's Benefit.

forts sprang up into the clouds in every ry direction, showing the locality of the different lines of fortifications that completely socicile the city. Although there was the usual quantity of drunken men, we saw but little fighting, and that was perfectly bloodless. We noticed but three runaways; twice, horses attached to buggies, which fortunately contained To night is the last night of the theatri al season, after which its doors will be losed for a while. On this occasion Mr. to buggies, which fortunately contained no one, and once a pair of horses attached closed for a while. On this occasion mr. J. O. Sefton, the popular and eccentric comedian takes a benefit, when the Col-leen Bawn, and Blanche of Brandywine, will be presented. Johnny Mackey, of pug-listic fame has also volunteered his servito a carriage containing ladies and chil-dren. No one was hurt, but one buggy was mashed to smithereens. In every inace the running away was caused by boys throwing fire-works under the horses ces. We have no doubt but that the seats feet. But taking the day out and out, its on the stage will again be called into regeneral features were those of unrestrain-ed, and unalloyed epjoyment. abisition.
