The market for the past week has been sective. The demand has been good, but buyers are more anxious to buy than producers are to sell. The firm of Frew & week amount to \$70,000, which we con sider a pretty fair week's business for this season of the year. A fair amount of oil is going to Irvine by the river, and to Titusville. We have taken some pains to ascertain the total amount of oil on hand, both on the creek and at this point. It is a very difficult matter to arrive at it ac curately, but we think the total will foot though it is estimated by some a little higher. Much of this has been purchased by refraers or their agents, and is remaining here on account of the low stages of ater in the Allegheny, which prevents its transit.
