> THE BEVOLT OF NEGROES IN ST. DOMINGO. be civilized in a life-time, but for a nation From Allison's History of Europe.

The slaves in that flourishing colony, agitated by the intelligence which they re-ceived of the leveling principles of the Constitutional Assembly (of France,) had early manifested symptoms of insubordi-nation. The assembly, divided between the desire of enfranchising so large a body of men, and the evident dangers of such a passions of the negroes were excited by the efforts of a society styled 'The Society of Friends of the Bincks," of which Bris-sot was the leading member; and the mu-fighting until a point was reached about attoes were induced by their injudiciona France, at its revolution, cast off all its advice to organize an insurrection. They trusted they would be able to control the when the enemy's cavalry fell back on terocity of the slaves, even during the their infantry supports. We were then pensity of a quarter of a century of war, heat of a revolt; they little knew the dis-Secretary Stanton said the other day, before at came to order, and its order is simulation and cruelty of the savage char-

> picion on the part of the planters, and the same night fixed upon for its breaking out fantry supports came to their assistance. over the whole island.

At length, at midnight on the 80th of October, 1791, the insurrection troke forth. In an instant 1,200 coffee and 200 while race, accompanied by such circum-stances of horror as the world has seldom sugar plantations were in flames, the buildwitnessed. That you may recall it to your mind, I annex Mr. Allison's account of it, ings, the machinery, the farm offices reduced to ashes-the unfortunate proprie taken from his History of Europe, Vol. 1. The horrible barbarity of that event would tors hunted down, murd\_red or thrown into the flames by the inturiated negroes. The ic newspaper, there would be no doubt it be more intensely felt, if it were described would be reckoned treason, secession, with more detail. The histories of Greece norrors of a servile war universally appeared. The unchained African signaliz complicity with Jefferson Davis; in a and Rome relate other servile insurred d his ingennity by the discovery of new word, everything hideous to contemplate - | tions, attended with similar massacres. and unheard of modes of torture. An un word, everything hideous to contemplate — that is, would be so designated by repub-licans. Still, as facts prove, by every principle of logic, the "Amen" of the Springfield paper is entitled to a universal happy planter was sawed asunder between two boards, the horrors inflicted on the women exceeded any thing known even in the annals of Christian ferocity. The in-dulgent master was sacrificed equally with the inhumane; in all alike, young masters ought to be divided among them, because they cleared and cultivated it, and made all the wealth their masters and old, rich and poor, the wrongs of a Massachusetts Conscript Camps. The subjoined account of a visit to the camp of the Massachusetts conscripts at Long Island is from the Boston Traviller oppressed race were indiscriminately wreaked. Crowds of slaves traversed the country with the heads of white children

affixed on their pikes; they served as the standards of their ferocians assemblages In a few instances only the humanity of he negro character resisted the savage contagion of the time : and some faithful Island. About eighty were sent to camp slaves, at the hazard of their lives, fed in caves their masters or their children whom they had rescaed from destruction. The intelligence of these disasters ex in new tice would bring us back to anarc

FANCY WOOL DELAINES, at 9 o'clock yesterday morning. Our force was composed of the following cav-PBINTS. GINGHAMS, MUSLINS, ginia, 3d United States, 6th Pennsylvania, 6th United States, 1st United States, 9th TICKINGS, CHECKS, New York, 8th Illinois and 17th Penneylvania. The crossing was about a half mile above the railroad station, and the Fancy Shirting Flannels, object of the expedition was to ascertain the exact position of the enemy on the SATINETTS, CASSIMERS, railroad line towards Culpepper, and the amount of force they had disposed to disoute any crossing which we might attempt. Honey-Comb Quilts, The enemy's cavalry was encountered half a mile from the ford. It was a por tion of Stuart's cavalry, and consisted of BALMORAL SKIRTS following regiments, the 1st and 2d South Carolina Cobb's Georgia Legion, and Jef-Hoop Skirts, ferson Davis Legion. Our cavalry drove TABLE DIAPERS, one mile and a half this side of Culpepper, when the enemy's cavalry fell back on SHIRT FRONTS, IRISH LINENS, obliged to retire after a brisk fight with both their infantry and cavalry.
