WEDNESDAY MORNING, AUG. 5. Democratic Nominations. FOR GOVERNOR,

GEORGE W. WOODWARD, FOR SUPREME JUDGE, WALTER H. LOWRIE.

CORRECTION.

James Campbell is announced on the ises to a whole people both regeneration State Central Committee as the member and sanctification at once. According to from the Batler district. This is incorthe ordinary course of the world's pro rect; it should be James G. Campbell, our gress, the European races are a thousan iate popular and handsome Marshal of years in advance of the negro in the Western Pennsylvania. Our Democratic moral and intellectual culture. Turn al contemporaries will make the correction, our negroes into the wilds of Africa and a because of there being in Butler , a James very few years would reveal the full extent Campbell, who is a most intense Aboli of their barbarism. All the propress flonist. they have gained is but an imitation of us.

THE CONVENTION TO-DAY. of principles. Now even this imitative advantage is to be given up, and the The feeling of hostility existing bewhite man is to abandon his position, and tween the different factions of the Abolition party of this State, as exhibited by adopt the negro as his equal and come the delegates who have arrived in the city down to his moral and intellectual level. is unparalleled in factional malignity. This is voluntary degradation, and is Each set prove the rest so many public plunderers. And, indeed, to speak plainly, not admit a foul spring without being cor we are inclined to believe them all. The rupted. The white man is naturally en struggle is between three distinct sets of tilled to the advantage and position which hungry contractors and office-holders. his superior attainments give him. And The friends of Curtin are the strongest, if any negro happens to have similar atbut the adherents of Cameron are active tainments, let him use them, as good in their efforts to defeat or scare him off. There is a third set who are anxious to beat both these factions by the nomination of some damaged Democrat, who, like Tod, in Ohio, will suit the purposes of the Abolitionists. Those mentioned are Muhlenburg and Judge Strong, of Berks county. Anything savoring of Democ racy is preferable to an Abolitionist, but these political trimmers ought to know | degrade himself, before the negro can be | Your administration began in moderation, | Nothing could be more surprising to not always successful. They tried this tame dodge, last year, in this State, and high excellence; but their place work is accial convulsions, but history warns you er journals have endeavored to delude the unbit time. Demonstril of the state and restriction the characteristic of the state o Ocrat," or whatever he was denominated, The negro has the same germs of human did not poll any more votes than his Abo principles as the white man; let them be lition colleague. 'This looking after faded Democrats, however, proves one thing,-

only change their name every year, but man can say that the two races are actuours. There could not be a greater compliment paid to the integrity and patriotism of our organization.

THE FALL OF VICKSBURG. The fall of the rebel Gibraltar, Vicksburg, and the opening of the Mississippi, which its capture secured, form the most striking incident in the history of the war. But suppose the abolitionist leaders yield The man, to whose genius the nation is so far as to assign three or four confiscated indebted for so magnificent a performance, will have a character in the history of the thither: what institutions will they have rebellion, which will not be obscured by In Afrira and Hayti the form of governthe recital of any similar achievement. ment of the race is despotism; but that

As entire nation will respond to the following account of the fall of Vicksburg, if it is still in force, guarantees a republi- through other and tess suspicious channels from the pan of Admiral Porter. He remarks · The 'all investment and capture of Vicksbur,

The 'att investment and capture of Vicisburg will be characterized as one of the greatest mil tary achievements even known. The conception of the idea originate wild Gereral Grant, the adopted a builte were fought and great risks were run. A single mestake would have novlved us la diffi-auty; but so wel were all the plans matured, a well, were all the plans matured, and offending the law of equality. They Vi sours and the passage of the fleet by Vi sours and the passage of the fleet by the river up to the present time. So confident a nover is the deteral for and to carry out his lane when he explained them to me that a nover is but so vickaburg. The work was hard, the deteral source, and the plots and impositions soore to below Vickaburg. The work was hard, and offending white men, stealing in among and offending the law of equality. They will what force it is invaced, that many months and more, it can be proving that will have be left to struggle up to civilization and order, through abounding disorders military terrorism spected just time that solar more bolk or and had seen their last solar run away;

Our readers remember that, upon the Indians. announcement of the capture of Vicksburg, those two modest patriots, Halleck and Stanton, addressed a crowd of revellers in Washington, coolly congratulating themselves upon their success. Halleck tickeled Stanton, and he tickeled back lers in Washington, coolly congratulating again, until the two panderers and muddy mettled pretenders, glowed with its fighting Shibboleth of equality will remuddy-mettled pretenders, glowed with the spparent conviction that they were coully the greatest captains of the ago. But the simple recital of Admir rai Porter, strips these swaggering Don Q izots of their borrowed robes; he tells us to whom we are indebted for the fall of Vickaburg. His exposition will full heav-ily upon the swelling vanity of the two mock heroes alluded to, and will furniah another striking bit of evidence, corrobera-ting the well established conviction that. ting the well established conviction that, the farther our armies are from Washing. ting the well established conviction that, the further our armies are from Washing-ton the more brilliant are their achieve-ments. Had Grant been within a few miles of the war office, and subjected to its instructions, he would have been re-moved after his first week's operations.— Being a couple thousand miles distant, he had his own way of it, and we see the re-sult of his own magnificent conception.— sult of his own magnificent conception.— of parties. Do you suppose that our cir-sult of his own magnificent conception.— sult of his own magnificent conception.— Virginia, a year since, had not the plans of graded by having such barbarism fused over the section of the cers that be has proclaimed martial law; McClellan been frustrated by those in graded by having such barbarism fused into it. And, it we have not heretofore been able to suppress these mutual re-Virginia, a year since, had not the plans of from Washington, and, ever since that period, whenever the officer in command obey Halleok and Stanton's instruction,

we have invariably met with disaster. At Genysburg we won a victory, but while it was being won, the Washington officials did not know where Meade and his army were. As soon, however, as a victory was announced, they were on hand to claim the credit of it.

Women as Harvesters.

Several German girls have gone to service in the harvest fields of Northern Illinois, where they receive one dollar per that German girls are not the only ones that engage in this employment. Last year, in many districts around that city, where the men volunteering for the war lets a scarcity of outdoor assistance on the farms, women of energy turned out and a sisted in gathering the crops. In many of a settlement would go in a body and harvest large fields of corn for some poor 'dier's lone wife in a single day.

ses to be founded on it? Considering the feebleness to which the rebellion has states to the negroes, and transfer them been reduced in the Southwest, an invasion dangerous enough to require the whole state of Kentucky to be suddenly put under martial law, is, to say the least. urprising; as is also the circumstances

must be left to struggie up to civilization and order, through abounding disorders and civil wars, and contests of ambitious ignorance, and the plots and impositions of designing white men, stealing in among we demend to know whether the procestate. We demand to know whether the prece of designing white men, stealing in among them as they have ever done among the Indians. In the meantime they must be our neigh-bors, and if we cannot live peaceably with the white men of the South, how shall we g do it with peace States? Cortainly the General Burnside calls "disloyal" (meando it with negro States? Certainly the difference will be greater. Let our Indian wars answer. Of course these will be worse. Abolitionism will be dead; but its fighting Shibboleth of equality will re-main, and the Equalitorians will find their main, and the Equalitorians will find their
