DAILY PUST. False Report.

A report was very generally circulated yesterday to the effect that Hagan, the man who was whipped at the Provest made diligent inquiry, and learn the following facts. Hagan is at Camp Braddock, and is, according to the statement of a soldier who saw him—well. The soldier who saw him—well in Greene county. Brown was in a case recently tried at Waynesburg, where a numl er of negroes were indicted for the murder of a man named Zimmerman.—

SATURDAY MORNING, AUG. 8.

There will be a meeting of the above named committee, held at the Central Democratic Club Rooms, corner of Fifth and Smithfield streets, Pittsburgh, on Satpervade every department of trade. One thing, tion we received from a couple of soldiers at the Provost Marshal's office. The river—Last evening at twi-light there were 3 feet 6 in water by the metal marks and rising, the swell being from the Al-legheny. RIOT AT MUSCATINE. wever, must be taken into consideration never be at heard of since. The remains were found in the sand in the creek near present time is one of the dullest of the year-AND DUBING THE WEEK. More of the Roughs.

On Tuesday night an old man by the name of James McFarland was assaulted by some roughs on the corner of High and Wiley streets, who held his hands, and endeavored to put a dog muzzle over his head. He escaped from, but they retained possession of his cap. They were arrested last evening.

Were found in the sand in the creek near a couple of negro shanties on the farm of Jesse Hook, Esq. and in the immediate vincinity of the scene of Zimmerman's table through the left side of the skull and diractly back of the temple. The presumption is that Brown was is lied in order to prevent his testifying against the negroes concerned in Zimmerman's 'taking off.' and the body was subt equently sunk in the creek. The weather during the past week has been op-Engagement of the Old, Original and Pais Latest from California. pressively hot. Our rive's, since our last, attained a height of some six feet, which enabled a New Steamer Nightingale pressively hot. Our rivers, since our last, attained a height of some six feet, which enabled a number of new boats to proceed to the lower ports. Besides, being from the Allegheny; a large number of oil boats were enabled to reach our city. This caused a good deal of activity in that branch of trade. Money matters remain that branch of trade. Money matters remain without any special change. The rates of coin vary occasionally. There is, however, but litt'e and is easily obtained on good paper. Our Banks are doing a safe but not large business. The rates on the street rule low.

Flour—The market continues dull. This, how ever, is no news to our Weekly reade s. They large that same report before, and frequent; by. In all our experience in reporting, we have heard that same report before, and frequent; ly. In all our experience in reporting, we have never witnessed the market to continue dulls olong as during the present season. Dealers, however, seem perfectly indifferent—all agree that the present quietude in regard to this stricle cannot last much longer. When that event takes place our readers shall be fully advised. Bacon—The increased business we noticed in our last weekly review has been fully maintained and a slicht. urday the 8th day of August at 10 o'clock A. M. Punctual attendance is requested.

THE FIRST SESSION OF THIS IN.

STITUTION will commence on TUESDAY, the Ist of SEPTEMBER, 1833. The studies of the school are so arranged as to embrace a full and, theocough course of Greek, Latin, English, German and Mathematics, including the branches usually attended to in connection with these respective departments. Students who are intended for commercial or professional pursuits are carefully instructed in Book-Keeping, Mercantile Arithmetic, and such other branches as may fit them to be useful and intelligent in the discharge of the various duties of the store or counting-room, or any profession. Our course of studies embraces also the subjects required in preparation for entering any of our Theological Schools or Seminaries.

Parents wishing to secure for their sons a thorough instruction, are respectfully invited to apply to Prof. F. W. A. Riedel, A. M., No. 597 Penn strees, as soon as convenient, and, if possible.
