Another Challenge from the Champion Oarsman. Josh. Ward has come to the conclusion to do Jimmy Hamill partial justice, or at east to give him a coloring of justice, for he well knows that Hamill can not have a fair race upon the Hudson. Hamill has before given way to Ward's wishes in regard to the choice of ground, and now asks it again. Why can he not accommodate the matter by accepting the Schuylkill, and by this, show Hamill that he intends to give him fair play. We append Ward's reply to Hamill's challenge. Its lameness is apparent to every unprejudiced mind — He will not row all ever the country for is apparent to every unprejudiced mind—

UBGEON GENERAL HAMMOND. by ordering calemel and destructive minerals from the supply tables, has conferred a blessing on our sick soldiers. Let him not stop here. Let him order the di continuance of "Bleeding," and the substitution of Brandreth's Pills in the place thereof. Then will commence a "new era" in the practice of Medicine, which would then become emphatically THE HEALING ART.

I have for thirty years taught that no diseased action could be cured by mercury or tartar emetic. That the human body could only be "made whole" by "vegetable food"—Animal food being, in fac, condensed vegetables. Brandrech's Pils should be in every military hospital. These Pills cure Billious Diarrheo, Chronic iarrhea, Chronic Dysentery, and all Fevers and Affections of the Bowels, sconer and more surely than any medicine in the world. Brandreth's Pilis in these cases should be taken night and morning. Read Directions and get new style.
