The following eminent speakers are invited and expected to address the meeting: Hon. Wm. Hopkins, R. M. Gibson, Esq., and Hon. Wm. Glenn, of Washington county, and S. B. Wilson, Esq., and E. B. Dougherty, Esq., of Beaver.

By order of Committee.

Since writing the above we learn that Mr. Riddle for reasons of his own has returned the commission to Harrisburg, refusing to accept the proffered office. A more efficient officer than Mr. Riddle could not have received the appointment, and no matter what reasons prompted him to decline the position, they were doubtless satisfactory to himself, and should be to others. Coroner McClung still holds the position of Ex-officio Sheriff.

Wheeling Theatre. The Wheling Theatre closed rather sud-

denly, the cause for which is explained as ws by the Register: The Theatre is "played out." The monster bill announced for last evening Re C. was not put upon the stage. The cause of this sudden change was the elopement of the treasurer with all the funds of the institution. After the performance was care not to injure themselves by eating they "smelt a mice," and repaired to the none so far that have proved fatal. The residence of Ald. Robertson and aroused utmost moderation should be used in our him from his slumbers, and informed him that their treasurer had his clothes packed up and was about to "vamoose." then left and watched the treasurer, to see that he did not escape. He did not leave on the three o'clock train as anticipated, but waited for that leaving at ten, thus throwing the watching party of their

guard.

He left the city on the 10.20 train, for Cumberland, Md., leaving behind him some eight or ten performers, who have received no pay for near two weeks. Mrs. Ettie Henderson, whose engagement was to have closed last evening, did not receive any compensation whatever for her services, (although the proceeds of Tuesday evening were to be devoted to her efit,) and was compelled to pay her own expenses. The Treasurer, Mr. Merrick, leaves his newly married wife here, without funds sufficient to get away. The performers last night informed us that "money made the mare go,"—the need-ful was lacking, hence no show.

ing as possible. Not on the Tarr Farm. Through the kindness of Mr. J. F. Dunwe have been shown a letter from Mr. Thomas G. Duncan, which slightly alters the location of the new well struck by the latter gentleman. It informs us

that the well is not on the Tarr, but on the Blood farm, which adjoins the Tarr, neither is the capacity as much as at first represented, being one hundred, instead of one hundred and fifty barrels per day, which however is increasing.

Man Drowned. On Satuerday last, whilst a number of hands from the machine shop of the P. & C. R. Co., were bathing in the river near Connellsville, Michael Farr was drowned. Every effort possible, was made by those near to save him, but they were unavailing. The deceased had been recently married, and was much respected. His remains were taken to Mount Savage, Md., for interment.

Who are the Soldiers. The Wheeling Register says: "We do not favor the idea of prying into a man's political opinions as soon as he dons a soldier's uniform, but as so many of the radicals are constantly asserting that none but republicans are enlisting, we will state that there were but two members of Capt. Eaton's company, which were mustere in on Tuesday morning, who were not Democrats, and those two were opposed to Lincoln's proclamation.

Mr. Hammond of Ells worth, Ohio, shot his sister, wounding her in the thigh, a few days since, while re turning home in a carriage, from a visit. We are informed that the sister, who is severely but not fatally injured, before its strange committal, by the broth ore its strange committee, it was supposed he was insane from exication. We have no other particulars of this unfortunate affair.

Huckstering. The regular meeting of the City Councils comes off on Monday evening. We have mentioned the fact thus early in or der that they may have time to take into consideration the evils arising from hucks-tering. We are convinced that a great proportion of the high prices in marketing now existing is owing to the present efforts of the hucksters.

SURGEON GENERAL HAMMOND. by ordering calemel and destructive minerals from the snapply tables, has conferred a
blessing on our sick soldiers. Let him not stop
here. Let him order the discontinuance of
"Bieeding," and the substitution of Brandreth's
Pills in the place thereof. Then will commence
a "new era" in the practice of Medicine, which
would then become emphasically THE HEALING ART.

THE HEALING ART.

I have for thir'y years taught that no diseased action could be cured by mercury or tartar emetic. That the human body could only be "made whole' by "vegetable food"—Animal food being, in fact, condensed vegetables. Brandreth's Pil's should be in every military hospital. These, Pil's should be in every military hospital. These, Chronic Dysentery, and all Fevers and Actions of the Bowels, sooner and more surely than any medicine in the world. Dr. B. Brandreth, -New York;
Sir: I was a private in Co. F. 17th Regiment,
New York Yols. While at itarrison's Landing,
and on the Bappahannock near Falmouth. I and
many of the Company were sick with bilious diarrhea. The Army Surge-n did not cure us, and
I was reduced to skin and bone. Among the company were quite - rumber of mombers who had
worked in your Laboratory at Sing Sing. They
were not sick, because they used Brandreth's
Pills. These men prevailed upon me and others
to use the Pill, and we were all cured in from
two to five days. After this cur boys used Brandreth's Pills for the typhus fever, cids, rheumatism, and in no case did they fail to restore
health.

Cut of gratitude to von for my good health.
