PHILDRIPHIA, August 23d, 1862.

Mesers. Jones & Evans.—Well, gentiomen, your Hoofland's German Bitters has saved my life. There is no mistake in this. It is youched for by numbers of my comrades, some of whose names are appended, and who were fully cognizant of all the circumstances of my case. I am, and have been for the last four years, a member of cherman's celebrated battery, under the immediate command of Capt. R B. Ayres. Through the exposure attendant upon my arduous duties. I was attacked in November last with inflamation of the lungs, and was for seventy two days in the hospital. This was followed by great debility, heightened by an attack of dysentery. I was then removed from the White House and sent to this city on beard the steamer "State of Msine," from which I landed on the 23th of June. Since that time I have been about as low as any one could be and still rotain a spark of vitality; For a week or more I was carcely able to swallow anything, and if I did force a morsel down, it was immediately thrown up again. or more I was scarcely able to awaitow anything, and if I did force a morael down, it was immediately thrown up again.

I could not even keep a glass of water on my stomach. Life could not last under these circumstances; and, accordingly the physiciahs who had been working fai hillly, though unsuccessfully, to resoue me from the grasp of the dread Aroheer, frankly told me they could do no more for me, and to make it, the such adspection of my limited funds as best suited me. An acquaintance who visited me at he wonth as the such adspection of my limited funds as best suited me. An acquaintance who visited me at he whospital, Mr. Frederick Steinbron, of 6th below Aroh Street, advised me as a forlorn hope, to try your Bitters and hindly procured a bottle, From the time I commenced taking them the shadow of death recorded, and I am now, thank God for it, getting better. Though I have taken but two bottes. I have gained 10 pounds, and feel sanguine of being permitted to rejoin my wife and daughter, from whom I have heard nothing for eighteen months; for, gentleman I am sloyal Virginian, 13 m to vicinity of Front Royal. To your invaluable Bitters I owe the glorious privilege of again clasping to my bosom those who are dearest to me in life. to me in life.
