THE Dispatch of Monday pays the fol said Company. Passed on the third readlowing just compliment to Sergeant John Stuckrath, son of Ex Mayor Stuckrath of Allegheny city. We knew him well and can cheerfully endorse what our neigh-Dor says :

"A GALLANT SOLDIER GONE.—A letter from Vicksburg, Miss., under date of Aug 16th, conveyed to his friend, the melan. choly intelligence of the death of Sergeant John Stuckrath, of the Missouri Battery, volunteer artillery, and son of ex Mayor Jacob Stuckrath, of Allegheny. Mr. Jacob Stuckrath, of Aliegheny. Mr. Stuckrath volunteered on the breaking out of the rebellion as a private in Company K, Ninth Penna. Reserves, Captain Drainsville and upon the Peninsula, until taken prisoner at Malveru Hill. He was taken into Richmond and remained there four weeks, when he was only exchanged. Soon after returning to his company here ceived a discharge for the purpose of accepting a commission, and returned home to take a position in the Stanton Artillery.

Some difficulty arose in the company inregard to the selection of officers, and to avoid any disturbance, and at the same time carry out the spirit of pense that has been incurred by the an engagement with the government. Mr. was subsequently merged is the Missouri Adopted. Battery. His battery was actively employed during the entire campaign against ton street confusion, the Council ad Vicksburg, and participated during the journed. The climate, however, proved fato his constitution, and after a lingernty-second year, and that the same ment, against the advice of friends, referred from the contents of the letter

We loved your son: we admired his bravery and his soldierly bearing, and tender to you condolence in bearing, and tender to you condolence in So.442.13, which with \$1,800 contributed the memory of Sergeant John Stuckrath tor public defence make a total of \$17.

THE HEALING ART.

I have for thirty years taught that no diseased action could be cured by mercury or tartar emetic. That the human body could only be "made whole" by "vegetable food"—Animal food being, in fact, condensed vegetables. Brandreth's Pills should be in every military hespital. these Pills cure Billous Diarrhea, Chronic Diarrhea, Chronic Dysentery, and all Fevers and Affections of the Bowels, sconer and more surely than any medicine in the world. Brandreth's Pills in these cases should be taken night and morning. Read Directions and get new style. CASE OF ROSCOE K. WATSON. CASE OF ROSCOE K, WATSON.

Dr. B. Brandreth,—New York:
Sir: I was a private in Co. F, 17th Regiment,
New York Yols. While at Harrison's Landing,
and on the Rappahannock near Falmouth, I and
many of the Company were sick with bilious diarrilea. The Army Surgeon did not cure us, and
I was reduced to skin and bone. Among the company were quite a number of members who had
werked in your Laboratory at Sing Sing. They
were not sick, because they used Brandreth's
Pills. These men prevailed upon me and others
to use the Pills, and we were all cured in from
two to five days. After this our boys used Brandreth's Pills for the typhus fover, colds, rheumatism, and in no case did they fail to restore
health.

Out of gratitude to you for my good health!
