Having had a man employed for the last six years compounding the above excellent remedies for my own practice, and having used them with uncommon success in all that time, I feel it a duty to set them before the public, as my experience leads me to think they are as near specifics as any remedies well can be for the following diseases, namely: Scrofula, Coitre, Syphilis, and all diseases that arise from an impure state of the blood. One trial will convince any person of their fitness for those diseases.

They will cure the above diseases in ninety-nine cases out of a hundred.

Induced by the extensive sale and universal popularity of Hoofland's German Bitters, (purely vegetable) hosts of ignorant quacks and unscrupulous adventurers have opened upon suffering humanity the flood gates of Nostrums in a shape of poor whisky, vilely compounded with injurious drugs and christened Tonics, Stomachics and Bitters.

Beware of the innumerable array of alcoholic preparations in plethoric bottles, and big-bellied kegs, under the most expellation of Bitters; which, instead of curing only aggravate diseases and leave the disappointed sufferers in despair.

HOOFLAND'S GERMAN BITTERS are not a new and untried article, but have stood the test of fifteen years trial by the American public, and their reputation and sale, are unrivalled by any similar preparation.

The proprietor has thousands of Letters from the most eminent

Clergymen, Lawyers, Physicians and Citizens,

Testifying of their own personal knowledge, to the beneficial effects and medical virtues of these Bitters.

DO YOU WANT SOMETHING to STRENGTHEN YOU?
DO YOU WANT A GOOD APPETITE?
DO YOU WANT TO BUILD UP YOUR CONSTITUTION?
DO YOU WANT TO FEEL WELL?
DO YOU WANT TO GET RID OF NERVOUSNESS?
DO YOU WANT ENERGY?
Do you want to sleep well?
Do you want a brisk and vigorous feeling?

If you do, use

HOOFLAND'S GERMAN BITTERS.

PARTICULAR NOTICE.

There are many preparations sold under the name of Bitters, put up in quart bottles, compounded of the cheapest whisky or common rum, costing from 20 to 40 cents per gallon, the taste disguised by Anise or Coriander Seed.

The class of Bitters has caused and will continue to cause, as long as they can be sold, hundreds of victims to be kept continually under the influence of Alcoholic Stimulants, the worst kind, the desire for Liquor is created and kept up, and disease and all the horrors attendant upon a drunkard's life and death.

For those who desire and will have a Liquor Bitters, we publish the following receipt, Get the best **Bottle Hoofland's German Bitters, and mix with Three Quarts of Good Brandy or Whisky**, *and the result will be a preparation that will be* **exceedingly** *medicinal virtues and true excellence any of the numerous Liquor Bitters in the market, and will cost much less. You will have all the virtues of* **Hoofland's Bitters** *in connection with a good article of Liquor, at a much less price than these inferior preparations will cost you.*

ATTENTION SOLDIERS.

AND THE FRIENDS OF SOLDIERS

We call the attention of all having relations or friends in the army to the fact that "HOOFLAND'S German Bitters" will cure nine tenths of the diseases induced by exposures and hardships necessarily attendant to camp life in the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters. Diseases originating and arising from disorders of the digestive organs are speedily removed. We have no hesitation in stating that if these Bitters were freely used among our soldiers hundreds of lives might be saved, that otherwise will be lost.

We call particular attention to the following remarkable and well authenticated letter of one of the nation's heroes, whose life, to use his own **an usage** has been saved by the Bitters:

PHILADELPHIA, August 23d, 1862.

Messrs. Jones & Evans,—

Hoofland's German Bitters has saved my life. There is no mistake in this. It is vouched for by numbers of my comrades, some of whose names are appended, and who were fully cognizant of all the circumstances of my case. I am, and have been for the last four years, a member of Oberman's celebrated battery, under the immediate command of Capt. R. B. Airey. Through the exposure attendant upon my arduous duties, I was attacked in November last with inflammation of the lungs, and was for seventy two days in the hospital. This was followed by great debility, heightened by an attack of dysentery. I was then removed from the White House and sent to this city on board the steamer "State of Maine," from which I was landed on the 25th of June. Since that time I have been about as low as any one could be and still retain a spark of vitality; For a week or more I was scarcely able to swa low anything, and if I did it was a morsel down, it was immediately thrown up again.

I could not even keep a glass of water on my stomach. Life could not last under these circumstances; and, accordingly the physicians who had been working faithfully, though unsuccessfully, frankly told me they could do no more for me, and advised me to see a clergyman, and to make such disposition of my limited funds as best suited me. An acquaintance who visited me at the hospital, Mr. Frederick Steinbron, of 6th below Arch Street, advised me as a forlorn hope, to try your Bitters and kindly procured a bottle. From the time I commenced taking them the shadow of death receded, and I am now, thank God for it, getting better. Though I have taken but two bottles, I have gained 10 pounds, and feel sanguine of being permitted to rejoin my wife and daughter, from whom I have heard nothing for eighteen months; for, gentleman, I am a loyal Virginian, 18 m the vicinity of Front Royal. To your invaluable Bitters I owe the glorious privilege of again clasping to my bosom those who are dearest to me in life.

Very truly, yours, ISAAC MALONE.

We fully concur in the truth of the above statement, as we had despaired of seeing our comrade, Mr. Malone, restored to health.

RIGHEST PREMIUM

AWARDED TO THE

WHEELER & WILSON

Sewing Machines,

BY THE

LONDON AND PARIS EXHIBITIONS.

THE SALE OF THESE MACHINES is equal to the sale of all others combined, arising from its adaptability to all kinds of cotton and linen goods, and from the following from Douglass & Sherwood, the well known Shirt Manufacturers:

"We have used the Wheeler & Wilson Sewing Machine in our Shirt Manufactory since January 20th, 1856. *It has indeed created our business.* After testing the principal machines before the public we selected yours. We commenced with one, and are now running one hundred and seventy-two of them. We are running one hundred of your machines in one room, and yet such is the quietness, that conversation can be carried on in an ordinary tone of voice. They are adapted to every portion of our work; sewing equally well upon the lightest muslin and our heaviest work, consisting of nine thickness. Five of them bind a hair cloth, two of common cotton cloth, and two of leather and tape. Its speed is unexampled. With one, a person can accomplish as much as twelve persons without it, and twice as much as by an old fashioned machine. It is sewed in as much as straight seam, ten stitches to the inch, as an ordinary day's work often hours. We have run it as fast as one hundred and fifty yards per hour. The fatigue is so slight that our employees work the year round in good health and spirits. We cannot too highly recommend Wheeler & Wilson's Machines, and our opinions are shared by all Manufacturers of experience and intelligence with whom we come in contact."

Also, from the *United Presbyterian* of Sept. 10 certainly recommend to our friends Wheeler & Wilson's Sewing Machines as one of the most useful pieces of household furniture with which any house can be supplied. It is the last thing in our domestic institution that we would part with.

Every machine warranted for three years, and others ranging from $18, 10 and 5. For all and examine the premiums range from $10 to 5 and $3.

Also, furnish Boilers and Sheet Iron separately, Wrought Iron Shafting, Hangers and Pullies in every variety, and continue the manufacture of Woolen Machinery and Machine Cards.

Our prices are low, our machinery manufactured of the best quality of materials, and warranted in all cases to give satisfaction.

☞ Orders from all parts of the country solicited and promptly filled. se21:d&w

Our stock of Vines is unequalled anywhere, which we offer at 25 cents each, $2.50 per dozen, $12,50 per 100, $100 per 1000 Small vines at less prices.

We can furnish a few extra large vines at from 50 cents to $1 each.

SURGEON GENERAL HAMMOND, by ordering calomel and destructive minerals from the supply tables, has conferred a blessing on our sick soldiers. Let him not stop here. Let him order the discontinuance of the "Bleeding," and the substitution of Brandreth's Pills in the place thereof. Then will commence a "new era" in the practice of Medicine, which would then become emphatically

THE HEALING ART.

I have for thirty years taught that no diseased action could be cured by mercury or other emetic. That the human body could only be made whole by a "vegetable food"—Animal food being, in fact, condensed vegetables. Brandreth's Pills should be in every military hospital. These Pills cure Bilious Diarrhœa, Chronic Diarrhœa, Chronic Dysentery, Fevers and Affection of the Bowels, sooner and more surely than any medicine in the world. Brandreth's Pills in incredible cases should be taken at night and morning. Read Directions and get new style.

CASE OF ROSCOE K. WATSON.

Dr. B. Brandreth,—New York:

SIR: I was a private in Co. F, 17th Regiment New York Volunteers. While at Harrison's Landing, and on the Rappahannock near Falmouth, I and many of the Company were sick with bilious diarrhœa. The Army Surgeon did not cure us, and I was reduced to a mere skeleton. Among the company were quite a number of members who had worked in your Laboratory at Sing Sing. They persuaded me to procure some of your Brandreth's Pills. These men prevailed upon me and others to use the Pills, and we were all cured in from two to five days. After this our boys used Brandreth's Pills for the typhus fever, colds, rheumatism, and in no case did they fail to restore health.

Out of gratitude to you for my good health, I send you this letter, which if necessary, the entire company would sign.

I am, respectfully yours,

NAILED TO THE COUNTER.

Judge Woodward's opponents are not content to employ ordinary methods of misrepresentation in their warfare against him. It is base enough to publish garbled extracts from a long speech, and, by suppressing the context, to convey a false notion of his meaning, and it is mean enough to forge recommendations for a candidate, and to bolster up his weakness by bogus certificates from men of character and position; but it was worse for Mr. B. Browne to claim a long intimacy with Judge Woodward, in order to give currency to the slanders, and it was still more infamous for Mr. T. J. Bigham to invent a conversation between Judge Woodward and his son, Major George A. Woodward, such as is spoken of in the letter which we publish below. A better illustration of the utterly unscrupulous character of the assaults upon Judge Woodward could not be had than is given in the slanders of Mr. T. J. Bigham. At a large Republican meeting, which was held in the city of Pittsburgh, on the 16th instant, this man asserted, of his own knowledge, that after the battle of Gettysburg Judge Woodward told his eldest son that instead of being wounded in the foot "he ought to have been wounded in the heart for fighting in such a cause." This statement was published in the Pittsburgh papers, and of course the attention of Major Woodward was soon called to it. The character of the slander left him no alternative. It was due to himself and his father that the statement should be immediately contradicted, and accordingly he at once penned the letter, of which we subjoin a copy. We cannot recall in the history of partizan warfare a more disgraceful outrage upon the feelings of an honorable gentleman than this fabrication of Bigham; and we very much mistake the character of the people of Pennsylvania if this and other kindred attacks do not recoil upon the heads of those from whom they emanate. Engaged in an effort to throw off the restraints of the laws and the Constitution in the matter of government, these people seem to be equally regardless of the obligations of honor and truth.

To attain their object they shrink from no villainy: and unfortunately they are not always exposed as completely as they have been in this instance. Major Woodward, who was practising law at our bar when the war broke out, is a gentleman of high character and attainments, and well happen to know that, since he has been in the service, he has done as much hard fighting as any officer in the army of the Potomac. In selecting him as the weapon with which to wound Judge Woodward, Mr. Bigham made a very bad choice, and committed a great blunder.

It should be added that as the statement, which is thus contradicted, has been extensively copied, common decency demands that the Republican organs should give equal publicity to this letter, in contradiction of it. We trust, however, that none of our readers will suppose that we expect to see common decency exhibited by Governor Curtin or any of his friends in this contest. Convicted forgers and confessed slanderers, they will not be so inconsistent with themselves as to aid in the exposure of falsehood.—*Phila. Age.*

HEADQ'RS DEPOT CAMP INV'D CORPS,
MERIDIAN HILL, D. C., Sept. 23, 1863.

Mr. T. Bigham, Pittsburgh, Pa.:

Sir: I have noticed in the newspapers a report of a Mass Convention held at Pittsburgh on the 16th instant, in which you are represented to have said, in response to an inquiry of one Matthews, as to where Woodward (meaning Judge Woodward, the Democratic nominee for Governor) was when Curtin was attending to the soldiers' wants; "that when Judge Woodward's gallant son came home from Gettysburg, wounded in both legs, his father told him he might be thankful he got off so well—that he ought to have been wounded in the heart for fighting in such a cause."

As my only brother capable of bearing arms, who has made two campaigns with the State Militia, has never been wounded, I presume that I am the son of Judge Woodward alluded to in the foregoing statement—which statement I desire to brand, as you knew it to be when you made it, a wicked and deliberate falsehood. A cause so weak as to need such assistance must be weak indeed. A man so lost to honor and decency as to use such means for partisan ends deserves to be drummed out of respectable society.

As the Lieutenant Colonel commanding the 2d Pennsylvania Reserves, I participated in the battle of Gettysburg, but was fortunate enough to escape unharmed, except a slight injury to my right foot, in which I have been wounded during the Peninsula campaign.

Just after the fall of S
