

Where there is no Law there is no Freedom.

Democratic Nominations.

FOR GOVERNOR, George W. Woodward. FOR SUPREME JUDGE, Walter H. Lowrie. FOR PRESIDENT JUDGE OF DISTRICT COURT, John H. Bailey.

MASS MEETING TO-MORROW.

The mass meeting to-morrow will assemble at 1 o'clock, p. m. on Allegheny common. We do not, like the Abolitionists, call upon our manufacturers and merchants to close their establishments in order to attend this meeting...

ELECTION TICKETS.

Democratic tickets for the approaching election are now ready for distribution. We are glad to see that the political spirit is bright, giving token of a glorious triumph on next Tuesday.

CORPUS.

Under the perpetual pressure of the campaign, made more urgent, as it is, by the approaching election, upon every, by some, a freeman holds dear, we have not paid as much attention as we should have done to Mr. Lincoln's decree closing the Courts to appeals in behalf of personal liberty.

COMPENSATED EMANCIPATION.

If the idea of freeing the slaves by paying their masters for them has been perpetrated against them. We know many leading men who have not voted with the Democrats for two years, but who are with us now, heart and soul.

OUR STATE LIABILITIES.

If the war debt should reach three thousand millions, as we think it will, the State's share of this would be \$400,000,000. The old State Debt is \$20,000,000.

HON. WILLIAM WILKINS.

Foxley's Philadelphia Press publishes the names of fourteen old Democrats, who are now for Curtis. Some of them went from us like Foxley, himself, because Mr. Buchanan did not give them the balance abandoned us two years and a half ago, in the hope of riding into office upon the war-hobby...

THE CHARACTER AND PRACTICES OF ANDREW G. CURTIS.

As I have and described in the Pittsburgh Gazette, by the Hon. THOMAS WILLIAMS. It is a fortunate fact that the discussion of the unusually grave and important themes that are involved in this election, should have awakened so little acerbity and had personal feeling.

SOMETHING MORE ABOUT THE WAR TAX.

The Pittsburgh Gazette admits that it will probably amount to Two Thousand Millions. Of this, one sixth, the share of our own State at once, the quota we give of men, it will be Three Hundred and thirty-three million.

FOR THE POST. Vice President Hamlin Asserts that "we cannot have the Constitution and the Union."

If there be an intelligent Republican who can read the speech recently delivered by Vice President Hamlin in New York without a blush of shame, it must be because he is callous to every sense of propriety and decorum. The coarse jests which he uttered, and the vulgar terms which he used in speaking of the Democratic party, plainly show that he has no better idea of the dignity of the office which he fills, than has Abraham Lincoln.

POLITICAL NEUTRALITY.

The Pittsburgh Commercial, finding no more Republicans who cannot support a "public plank" for Governor, has commenced issuing placards about neutrals. Here is a brief extract from it.

THE DIFFERENCE.

The rebels are out in the marshes and swamps of Mississippi hunting up conscripts and slow men with dogs. If a man opens his mouth in favor of the Union he is hung on the spot. The Abolitionists in Pennsylvania are busily engaged in denouncing as Copperheads and persecuting almost to the very death all who defend themselves in favor of the Union as it was under the Constitution.

DIED.

STEWART-On Friday morning at 9 o'clock, September 25th, Mr. JOSEPH STEWART, aged 84 years, died at his residence, near Liberty, Allegheny county, Pa.
