There will be a Democratic meeting in Allegheny City, on Monday evening, Oct.

Able speakers will be present and address these meetings. Qualification of Voters.

Registration of Voters.

The Constitution of the State defines the qualifications of voters. In the first place, the voter must be a white freeman, 21 years old. He must have resided in the State one year. If a qualified voter when he removed from the State, he must reside six months in it her was a constitution of the State, he must reside ax months in it her was a constitution of the State one year. If a qualified voter when he removed from the State, he must reside ax months in it her was a constitution; if Mr. Chase should find it necessary to again keep stocks and gold going up and down long enough for him to bag in the operation a three thousand dollar shawl for another daughter.

It should not be forgotten, that a few year; ago this same Secretary Chase, who is now a millionarie, was a poor school the Gulf, from the broad Atlantic to the reside ax months in it her was a constant. reside six months in it before he can vote esided ten days immediately preceding the election in the election district where he offers to vote. Next, he must have paid a State or county tax assessed at

east ten days before the election. After Friday last no voter can be assessed for the next election, but if his name is not on this year's assessment, he can show by of this kind, because there was no assess ment. A man's oath is sufficient to esment. A man's came is summered, but in again. addition to his own oath, he must prove, by at least one witness, a qualified elector himself, that he resides in the election plaints have been made to us about the district where he offers to vote. If he manner in which certain Republican As

sided ten years in the ward or district then his oath is sufficient. NEW POST OFFICE ARRANGEMENT Boxes for the reception of letters to be taken by carriers to the Post office twice or thrice per day, are now located at the following named places, viz: J. T. FIRST EDITION. No Rebels in Shenandoah Valley.

Russian Vessels of War. Rebels Advancing on Fort Scott

&c., NEW YCRE, October 8 .- A Herald dis-

atch says:-Intelligence from Martins urg is to the effect that there are no rebel n the Shenandoah Valley except a few uerrillas skulking in the mountains. Our avairy have scoured the Valley as far as trasburg and Front Royal without finding any traces of rebels. Information has also been received that there is no move ment on the part of the enemy's cavalry oward Western Virginia, as reported ew days since. The bureau of deserters has picked up

the bureau of deserters has picked up to the last two months 15,000 of the 88,000 the serters from the Union Army.

Lieutenant Commanding Debson, of the United States gunboat Seneca, reports the Navy Department, under date of Debay Sened Sentember 24th that on the night Sound, September 24th, that on the night of the 22d ult, he sent an armed boat's capital must be provided or the comthe Hudson Place salt works, near Darien, Ga., entirely demolishing the boilers, engines, &c., of the works of James H. Lockwood. The superintedent and his children, and a force of negroes, and other considerable must be provided. The latest reports show sell made a speech at G. American question, just recognizing the Conferent situated within two miles of the encamp ment of a rebel company, whose picket came very near the works, but they did not discover or resist the attack.

NEW YORK, Oct. 8 .- A Times Washing ton special says : Gen. Stuart, by increas ing his force, expects to bring on an early general engagement and overwhelm our corps by mere force of numbers, and secure his Lieutenant General's commission. The strict conscription now being enforced throughout the South offers great facilities for Stuart to carry out his chemes, because those conscripted are permitted to select whatever branch of the service they prefer to enter, and it is well known that most men at the South give preference to cavalry.

A squad of rebel prisoners, recently captured on the Rapidan, arrived here yesterday. One of the prisoners states that they have a report to the effect that we are raising 100,000 cavalry men, and adds, "if this is so the Confederacy has

derstood here among persons who are the efforts of those who sought to create posted, that ten or twelve more Russian trouble between America and Europe a few weeks, and it is believed in well informed quarters that they are likely to go away very soon, but may probably winter in our harsors. There are many theories is to the issue of this movement of the Russian navy, but the general belief is hat the Emperor expects to keep up a eet for cruising during the winter me lest some difficulty with his neighbor might arise and find him, as they found m once before, bound in his own harbors.

CAIRO, October 7.-Twenty five pay The Memphis and Charleston Railroad, now running to Corinth, will be open to Decatur, Alabama, in a few days. It is reported that Dick Taylor has 15 000 rebels at Shreveport, I.a., watching one land thousand bales of cotton. Gen.

Maj. Mitchell, Chief Quartermaster General of Longstreet's corps, died last oute for Washington.
