NO ALCOHOL OR BAD WHISKY

They will cure the above diseases in ninety-nine cases out of a hundred.

Induced by the extensive sale and universal popularity of Hoofland's German Bitters, (purely vegetable) hosts of ignorant quacks and unscrupulous adventurers, have opened upon suffering humanity the flood gates of Nostrums in the shape of new whisky, wisely compounded with Rum, Gin and trash! And christened Tonics, Stomachics and Bitters.

Beware of the innumerable array of alcoholic preparations in plethoric bottles, and big-bellied kegs, under the modest appellation of Bitters; which, instead of curing only aggravates diseases and leave the disappointed sufferers in despair.

HOOFLAND'S GERMAN BITTERS,

Are not a new and untried article, but have stood the test of fifteen years trial by the American public; and their reputation and sale are not rivalled by any similar preparation.

The proprietors have thousands of Letters from the most eminent

Clergymen, Lawyers, Physicians and Citizens,

Testifying of their own personal knowledge, to the beneficial effects and medical virtues of these Bitters.

DO YOU WANT SOMETHING to STRENGTHEN YOU?

DO YOU WANT A GOOD APPETITE?

DO YOU WANT TO BUILD UP YOUR CONSTITUTION?

DO YOU WANT TO FEEL WELL?

DO YOU WANT TO GET RID OF NERVOUSNESS?

DO YOU WANT ENERGY?

Do you want to sleep well?

Do you want a brisk and vigorous feeling?

If you do, use

HOOFLAND'S GERMAN BITTERS.

PARTICULAR NOTICE.

There are many preparations sold under the name of Bitters, put up in quart bottles, compounded of the cheapest whisky or common rum, costing from 25 to 30 cents per gallon, the taste disguised by Anise or Coriander Seed.

This class of Bitters has caused and will continue to counter, so long as they can be sold, hundreds to die the death of the drunkard. By their use the system is kept continually under the influence of Alcoholic Stimulants of the worst kind, the desire for Liquor is created and kept up, and the result is all the horrors attendant upon a drunkard's life and death.

For those who desire and will have a Liquor Bitters, we publish the following receipt. Get One bottle **Hoofland's German Bitters**, *and* mix well **Three Quarters of Good Brandy or Whisky**, *and the result will be a preparation that will far excel in medicinal virtues and true excellence any of the numerous Liquor Bitters in the market, and will cost much less. You will have all the virtues of* **Hoofland's Bitters** *in connection with a* **good** *article of Liquor, at a much less price than those inferior preparations will cost you.*

ATTENTION SOLDIERS,

AND THE FRIENDS OF SOLDIERS

We call the attention of all having relations or friends in the army to the fact that "HOOFLAND'S German Bitters" will cure nine tenths of the diseases induced by exposures and privations incident to camp life. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of this kind can be readily cured by Hoofland's German Bitters. Diseases resulting from disorders of the digestive organs are speedily removed. We have no hesitation in stating that, if these Bitters were freely used among our soldiers hundreds of lives might be saved, that otherwise will be lost.

We call particular attention to the following remarkable and well authenticated cure of one of the nation's heroes, whose life, to use his own language "has been saved by the Bitters."

PHILADELPHIA, August 23d, 1862.

Messrs. Jones & Evans,—Well, gentlemen, your Hoofland's German Bitters has saved my life. There is no mistake in this. It is vouched for by numbers of my comrades, some of whose names are appended, and who were fully cognizant of all the circumstances of my case. I am, and have been for the last four years, a member of Sherman's celebrated battery, under the immediate command of Capt. R. B. Ayres. Through the exposure attendant upon my arduous duties, I was attacked in November last with inflamation of the lungs, and was for seventy two days in the hospital. This was followed by great debility, heightened by an attack of dysentery. I was then removed from the White House and sent to this city on board the steamer "Cotas of Maine," from which I landed on the 28th of June. Since that time I have been about as low as any one could be and still, I retain a spark of vitality. For a week or more I was generally able to swallow anything I did force a morsel down, it was immediately thrown up again.

I could not even keep a glass of water on my stomach. Life could not last under these circumstances I saw, accordingly the physicians who had been working faithfully, though unsuccessfully, to rescue me from the grasp of the dread Archer, frankly told me they could do no more for me, and I twised me to see a clergyman, and to make such disposition of my limited funds as best suited me. An acquaintance who visited me at the hospital, Mr. Frederick Steinbrun, of 6th below Arch Street, advised me as a forlorn hope, to try your Bitters and kindly procured a bottle. From the time I commenced taking them the shadow of death receded, and I am now, thank God for it, getting better. Though I have taken but two bottles, I have gained 10 pounds, and feel sanguine of being permitted to rejoin my wife and daughter, from whom I have heard nothing for eighteen months, for, gentleman, I am a loyal Virginian, 12 m the vicinity of Front Royal. To your invaluable Bitters I owe the glorious privilege of again clasping to my bosom those who are dearest to me in life.

Very truly, yours, ISAAC MALONE.

We fully concur in the truth of the above statements as we had despaired of seeing our comrade, Mr. Malone, restored to health.

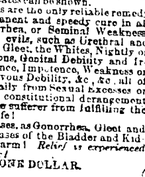
TO THE PUBLIC



DISEASES ESPECIALLY of the ignorant and false pretenders. The widest of all communications, recent secrets and delicate disorders, self-abuse and diseases, or unfitness contracted by the unwise or youths of both sexes, and adults, single or married. Beware! Dr. BRADSHAW publishes the fact of his doings, the ignorant and falsely modest are dreadfully shocked, and think it a great sin very immoral and for contamination and corruption among their wives, promising sons and daughters. Then is ignorance that they do the same as Dr. BRADSHAW, (except publishing) lost a lucrative trade she might be lost to them among stupid falsely modest and presumptuous families, here was raised in ignorance, sprung up as mushrooms and who compare society, intelligence, sense, &c., to gallop and canter, mysteriously, meanly conducted. It is to publicity, however, that parents, guardians and guardians are thankful that their sons, daughters and wards, previously feeble sickly and of delicate condition and appearance have been restored to health and vigor by DR. BRANSTRUP, besides many from before and after marriage through his books have saved much sad grief, anxiety, mortification, &c. Sporadicals or cases of nocturnal emissions, are completely cured in a very short space of time by his new remedies, which are peculiarly his own. They are compounded from the Vegetable Kingdom, having seen the fallacy of the Mercurial System, he has abandoned it and substituted the vegetable remedies which are treated with marked success—never has over forty years (40) experience in their treatment in hospitals of the Old World and to the United States leads him to say—to all with a fair trial health and happiness will again bloom upon the now—ruined cheek. There is no danger with consumption and all of its kindred diseases, of which so many unhealthy fill our countries can now be relieved, providing they attend to it in time. Full particulars can be had of my treatment by personally or addressing a note of inquiry. Medical advice given free of charge. Office, 64 Cortlandt st., New York. LONDON AND PARIS EXHIBITIONS,

THE SALE OF THESE MACHINES is equal to the sale of all others combined, arising from its adaptability to all kinds of work.

At a proof read the following from Douglass & Sherwood, the well known Shirt Manufacturers:

"We have used the Wheeler & Wilson Sewing Machine in our Shirt Manufactory since January 20th, 1858. *It has indeed created our business.* After testing the principal machines before the public for several years. We commenced with one, and are now running one hundred and seventy-two of them. We are running one hundred of our machines in one room, and yet such is the quietness, that conversation can be carried on in an ordinary tone of voice. They are adapted to every portion of our work; sewing equally well upon the lightest and heaviest goods, from muslin consisting of nine thicknesses of cotton cloth, to hair cloth, two of common cotton cloth, and with one, a person can accomplish as much as twelve persons without it, and twice as much as by old other machine. One thousand yards of draught seam, ten stitches to the inch, is an ordinary day's work, of ten hours. We have run it as high as one hundred and fifty yard per hour. The strain upon the eyesight of employees work the same. Machines are shared by all Manufacturers of experience and judgement, with which we come in contact."

Also, from the *Presbyterian* of Sept. 10. "After more than one year's experience, we can cordially recommend to our friends Wheeler & Wilson's Sewing Machines as one of the most useful pieces of household furniture with which any house can be supplied. It is the last thing in our domestic institution that we would part with.
