

The Union as It Was, 's he Constitution as It Is,

THE RESULT YESTERDAY. The election yesterday in the cities of Pittsburgh and Allegheny, and throughout them the rights of property are nothing : the county, so far as we heard from it, the deficiency of the powers of the Genwas one which will be remembered by the eral Government are nothing; the ac-Men, having an indisputable right to vote were prevented from doing looking all barriers, reckless and regardso, while fellows, who never knew what a tax receipt was, walked boldly to the polls and were received by landing Abolitionists with open arms. Money was scattered about in profusion, tempting the needy quirer, writing from Chattanooga Sept. and encouraging the reckless, in short 29th remarks: "Since the picket fight, there was no applience which money and night before last, nothing has oc-

mate of the majority against us in the in the very heart of the town. It is suplarge. In relation to the result in the State we can form no idea; but judg-this be so, Rosecrans may as well capituing from the extensive and extravagant late If his bridges remain intact, his constant the state we can form no idea; but judg-this be so, Rosecrans may as well capituing for the extensive and extravagant late If his bridges remain intact, his constant to the posterior of the state we can form no idea; but judg-this be so, Rosecrans may as well capituing for the extensive and extravagant late If his bridges remain intact, his constant to the battle of Chattanooga, on the South, united as one man, is fighting for the extensive and extravagant late. If his bridges remain intact, his constant to the battle of Chattanooga, on the South, united as one man, is fighting for the extensive and extravagant late. If his bridges remain intact, his constant to the battle of Chattanooga, on the South, united as one man, is fighting for the battle of Chattanooga, on the south and th reports of our opponents, we should judge army is still in a very pecarious position. that they had swept the State by a large because we hold the river above and mejority. But as is generally the case, below Chattanooga, and the railroad along

their majorities. In conclusion, if the Abolitionists have to draw the immense supplies necessary to beaten us, we will submit to our defeat feed his large army." with the best grace in the world, with the pleasing reflection that if they can stand the further oppression of the General and and partisan journal in America, in a

-Having written thus far, we have re-

Register, (now published in Atlanta, Ga.) has 'always voted the regular ticket, remarks: "The very existence of not only judgment on public questions without an organized army of the South, but of preserving his darling consistency." the State of Georgia as an independent republic, and of the confederate States, depends upon the immediate reinforce ment of Bragg's army." But can we afford to keep on reinforcing a general short hand: who, after he has been made strong Congress were very imperfectly reported enough, by additions to his force to gain a before the time of Mr. Joseph Goles, "complete victory," and has "destroyed the army" of the encmy, deliberately sits down and waits until that enemy has so fortified himself and so strengthened his ranks as to be more formidable, relatively as well as really, than ever. Brage had tallen back before Rosechans, all the way from Murfreeshore to Chickamauga, befortified himself and so strengthened his paper the next day. This was considered from Murfreesboro to Chickamauga, be nected with the National Intelligencer as cause the latter was too strong for him. But at Chickamauga Bragg was made too present Mr. Seaton afterward were the But at Chickamanga Brago was made too strong for Rossorans, and turned the strong for Rossorans, and turned the strong for Rossorans, and turned the tables on him, beating him back easily twelve or fifteen miles. While he had the advantage why didn't he finish the work? When he had Rossorans on the trot, why didn't he keep him at it? Why call a But and the Brago a

army, it would be better to reinforce his somely hound, and enriched with Mr. webster's annotations, are kept as a pre-BURNSIDE'S MOVEMENTS. Speculation has been busy regarding the movements of Gen. Burnside, and opinious among the Southern journals appear to be conflicting. The Memphis Appeal, of the 6th inst., says that his not having effected a junction with Rosecrans up to Sunday evening, appears to be the general belief. We have met a gentleman who left the river, some distance above Harrison's landing, on Friday, who informs us that a small force of his command had made their appearance in that vicinity, but nothing was heard of any considerable body. If he attempts to reach Chattanogerous gauntlet, of which he must be aware; consequently he may be looked for, if at all, from the north side.

The day Mr. Webster made his reply to the Anyne, of South Caro lina, Joseph Gales met him as he was going to the Capitol, and inquired how long information in regard to the recent alleged peace propositions be fore the Cabinet, which may be of some information in regard to the recent alleged peace propositions be fore the Cabinet, which may be of some information in regard to the recent alleged peace propositions be fore the Cabinet, which may be of some information in regard to the recent alleged peace propositions be fore the Cabinet, which may be of some information in regard to the recent alleged peace propositions be fore the Cabinet. We have some information in regard to the recent alleged peace propositions be fore the Cabinet. We have some information in regard to the recent alleged peace propositions be fore the Cabinet. We have some information in regard to the recent alleged peace propositions be fore the Cabinet. We have some information in regard to the recent alleged peace propositions be fore the Cabinet, which may be of some information in regard to the recent alleged peace propositions be fore the Cabinet. We have a mount in the recent alleged peace propositions be fore the Cabinet. No proposition the recent alleged peace propositions be fore the Cabinet. We have a mount in the recent alleged peace propositions be fore the Cabinet. No proposition the state of the recent alleged movements of Gen. Burnsing, and opin-

line of communications, his corps will be resistless sweep of its argament, and the necessarily still further reduced. We do not believe he can add ten thousand to the of a mask Mr. Gales, submitted at Mr. The ambatantial fortures of this proper.

THE COMING CONGRESS TO ABOLISH SLAVERY The Washington correspondent of the New York Tribune a few weeks since Points—Affairs et Charleston—Rebel Forces at these Points—Affairs et Charleston—How tha War Lepartment at Washington

wrote as follows:

A single idea has taken possession of their less of all consequences."

REBELS SAVAGE ON BRAGG.

Complaints against Bragg from Southern journals are loud and vehement. The

The cess. If this truth were generally underern journals are loud and vehement. The

Innally arising to divide and recast old parties, so that those who were together last year are antagonists this, and each field of battle. But in every army of the allow and probably indifferently armed, can be of any use on the field of battle. But in every army of the placing of guards around the houses of Southern people, Pillage, rapine and unbridled license too often followed the army after that; and the result is now seem in the state of facts mentioned above. If the war is to go on the hardest fighting is parties, so that those who were together faised, undisciplined, and probably indifferently armed, can be of any use on the field of battle. But in every army of the placing of guards around the houses of Southern people, Pillage, rapine and unbridled license too often followed the army after that; and the result is now seem of the war is to go on the hardest fighting is prescription used (free of charge,) with the direction was taken, by anthorizing John Pope to forbid the placing of guards around the houses of Southern people, Pillage, rapine and unbridled license too often followed the army after that; and the result is now seem in the state of tacts mentioned above. If the war is to go on the hardest fighting is prescription used (free of charge,) with the direction was taken, by anthorizing John Pope to forbid the placing of guards around the houses of Southern people, Pillage, rapine and unbridled license too often followed the army after that; and the result is now seem in the state of tacts mentioned above. If the war is to go on the hardest fighting is prescription used (free of charge,) with the direction was taken, by Richmond Whig of the 8th inst. restood and regarded, party bigotry would because it relieves from those duties 20,000 veteran troops, and allows them to Register, (now published in Atlenta, Ga.) has 'always voted the regular ticket, calls loudly for the reinforcement of Gen. just as his father did before him.' Brage, upon which the Whig indignantly would perceive that he has sacrificed his September 22.

In order to concentrate this large force near Chattanooga the rebels have had to withdraw nearly sail the troops from Mopile and Savannah, and some from Char-The "National Quarterly" gives us the ieston also, in addition to those sent from following stirring history of photographic General Lee's army. But they feel perfectly safe in doing so. They do not ex pect that Mobile will be attacked until the "The proceedings of the American cool weather of the fall, in November; has assured the rebel authornies at Richmond that "the Yankees" shall never pos

cious memento in the family library. The tollowing aneedote may, perhaps, be read with some interest in this connection.

The day Mr. Webster made his reply to BALTIMORE, Oct. 9, 1863. I have some information in regard to aware; consequently he may be looked for, if at all, from the north side.

Our information also leads us to believe his strength has been greatly exaggerated. He certainly cannot strengthen the beleat guested a report of his speech. 'I have that has been feared. The operations of General Jones in upper East Tennest see will employ several thousands of his forces, and by garrisoning the several gaps and towns, and keeping open his line of communications, his corps will be

bloquent statesman. Thus was saved to literature the discoverer to the United States. He will find ample material for a large establishment in this city, where the species copperhead is abundant.

An enraged mother in Illinois recently the species copperhead is abundant.

An enraged mother in Illinois recently the species copperhead is abundant.

An enraged mother in Illinois recently the species copperhead is abundant.

The IDEA of making gaslight from water by decomposing it is not abandoned. Mr. of A. Reyworth proposes to do it by this fed her little off-springs nose until she electricity, and to set his decomposing it is prosecuted with vigor, in less than a species would obviously be our ruin. The only excuse they can give

we will then be in a position to dictate this means to coerce him to do so! what terms we please to the vanquished there is not a man of them that the

and good and constitutional remedies for tree-on and rebellion, which have been invoked by or during the most glorious Administration of Father Abraham."

This is but the consummation of Henry or speaking of the designs of the Abolition ists, he indignantly remarked, "With them the rights of property are nothing: the deficiency of the powers of the Gen."

The ist is but the consummation of Henry in pursuance of the plans agreed upon at the council of war which was held at the council of war which was held at the mights of property are nothing: the deficiency of the powers of the Gen.

This is but the consummation of Henry in pursuance of the plans agreed upon at the council of war which was held at the mights of property are nothing: the deficiency of the powers of the General Lee's army, after his campaign in Pennsylvania, was massed on the line of the constitution at the future action of the Government to see that the campaigns of the future action of the Government to action of the Cabinet, they have really more of the Cabinet to action time these plans were adopted General Lea's army, alter his campaign in Pennsylvania, was massed on the line of the Rappahannock; General Gilmore had libe.

But my information does not end here.

of the concentration of forces applied to the system of warfare. Singularly enough, the opening operations of these campaigns on the part of the rebels have been greatly aided and advanced by the blunders and false moves of the War Department at Washington.

It will be seen, on examination of the man of the sent of war, that the threat time the war has gasammed such fastures of the war has gasammed such fastures of desperation could command that was not curred to break the monotony along arrayed against us fine yesterday not a gun was contest. The consections are points at which the rebels are now men fired from either side until about sunctuations. And no wonder the work of the course, that we are beaten as 2 pounder from a projection on Look our expectations. And no wonder the act of the course, that we are points of a triangle; Administration and of Congress bave been of the their armies near Richmond, near Chatteno ga and at Charleston, are each within supporting distance of the other to make the idea of rengion subtracts to make the idea of rengion subtracts. within supporting distance of the other two; that the railroad communication betwo; that the railroad communication be-tween the three points is perfect (even statement at random. I make it on the without using the great Southern Railroad authority of more than a dozen gentlemen without using the great Southern Kairroad through Knoxville), while the means of transportation are known to be ample; and that in all their operations they have the advantage of the interior lines, while mate of the majority against us in the in the very heart of the town. It is supposed by the uninitiated that this gun and have in, however, it is unusually others that are being mounted will effect.

In relation to the result in ally command their nonton bridges. If Chattanocga have been considerably augemented. They consist now of the comes necessary for them to liberate their slaves, or part of them, they will unhesi-

> The idea that the military power of the South is broken, or even that it has been materially weakened, is utterly delusive. The South never had such an effective army in the field as it has to day. True, it is only 400,000 strong, and one fourth of these are conscripts, but the othe 800,000 are veteran troops, and they have a latent element of military strength which our politicians have not counted on hith erto. The great error of the Administra tion is in making war on the Souther people, and not merely on the rebels

153.20

And yet, with all these facts existing the path to such a peace will be out in Congress by a member of the House of Representatives.

"Hoarding." From the Richmond Whig, Oct. 1. Nothing is more easy than to accuse poor Mr. Memminger of bringing all our trouble upon us. It is not our part to then, both by a land and navel force. In him with great but misapplied abilities. egard to Charleston, General Beauregard | He has done all his knowledge enabled him to do. A second-rate lawyer in —that is all.

But take Confederate money at its

corps could be sent from Meade? Rein force Baage again, and will he not execute some imperfect feat, and then wait for the enemy to get toostrong for him? Websiter and Hayne, during their cells brated intellectual combat in the United States Senate, were preserved from oblivion by Mr. Gales, whose notes hand and enriched with Mr. Company it should be hettered reinforce his somely hound, and enriched with Mr. Company it should be sent from Meade? Rein many of those eplendid specimens of elocation which that cive is vulnerable, and the which that cive is vulnerable, and the which that cive is vulnerable, and the renoy at the bottom of these ruinous proces. Things are scarce. Yes, but not so defeat Roscerans. The Pence Movement in the Cabinet what it Amounts to The Cabinet Many it Amounts to The Ca The Pence Movement in the Cabinet—

Rejection, &c after the garrison had surrendered on the 4:h of July for the want of something to

The fact is, there is such a thing as hoarding. Hence, an artificial scarcit hence high prices; hence a salary Hence, an artificial scarcity; \$1,500 a year barely pays day board, leaving nothing for room rent, fuel, lights, clothes, taxes, doutor's bills, and other incidentals. Hoarding! Could a human being hoard the necessaries of life when fallow man are strongling for evistance? fellow men are struggling for existence They say so. They say salt was hoarded last Spring and will be again this Fall. They say farmers are hoarding their wheat at this moment, and compelling poor people to pay \$46 and \$50 a barrel for flour, when they might get it for \$25 if the wheat were sent to the mill. They say there is a man in this city who has upwards of a hundred hogsheads of sugar hoarded away. They say there is plenty of flour hoarded in cellars and garrets. They say that these merciless auctioneers can always find s. mewhere "a friend" who has a few barrels of sugar to deal out as prices con tinue to rise. Every rise in angar brings out a few more barrels from the secret and inexhaustible store house of this mysterious "friend," who allows the auctionee only his "commission." In the English dictionary will be found
