Mesers. Jones & Evans.—Well, gentlemen, your Hoofand's German Bitters has saved my life. There is no mistake in this. It is vouched for by numbers of my comrades, some of whose names are appended, and who were fully cognizant; of all the circumstances of my case. I am, and have been for the last four years, a member of shormand of Capit. R. B. This was followed by great debility, heightened by anattack of dysentery. I was then removed from the White House and sent to this city on board the steamer "State of Usine," from which I landed on the 28th of June. Since that it lief I have been about as low as any one could be and stil retain a spark of vitality. For a week or more I was rearcoly able to swallow anything, and if I did lotte a morsel down, it was imaediately thrown un again.

I could not even keep a glass of water on my tomach. Life cereld not last under these circumstances; and, accordingly the physiciahs who had beels working fauhirully, though unsuccessfully, to resoue me from the grasp of the dread Archer, frankly told me they could do no more for me, and (I vised me to see a clergyman, and to make such disportion of my limited funds as best spitched may an acquaintance who visited me at the kospital, Mr. Brederick, Steinbron. of 6th below.
