WASHINGTON, Oct. 17. -The following

the last session for converting flint into roclamation has been issued by Preside percussion arms, if so, would it not furnish good reason for extending such facilincoln Virginia probably has more arms than the other southern States, and would di-vide in case of need. In a letter yesterday

mont's election, the South should not pause but proceed at once to immediate, absolute, and eternal separation; so I am candidate for the first balter. Wise says bis accounts from Philedel bis on the candidate for the first bailer. The says his accounts from Philadelphia are cheer ing for old Back in Pennsylvania (Signed,) J. M. MASON: WASHINGTON, Oct. 17.-It is ascertained om the army of the Potomac, that the eavy rains of yesterday prevented ield operations. Our cavalry scouts failed o find any considerable body of the en-

ny, and our signal men, owing to fog and laz, saw indications of only one camp at Brestow's Station. It is believed that the nemy having, during the previous day, econnoitered our position, and finding our line impregnable, retired rearward, and fearing a rise in the Rappabannock would

nterfere with their base of supplies there expedited their movement towards that this call as well as all others not bereto-fore credited, shall be duly credited and deducted from the quotas established for

Our troops are equally well posted for an advance or reireat. The enemy's forced marches, and the scarcity of supplies ren der it impossible to actually advance or the new draft I further proclaim, that fany State shall fail to raise the quota assigned to it by the War Department under this call, then a draft for the defiretreat. If they attack us their defeat considered beyond doubt.

Learning at Headquarters the enemy was in force at or around Manassas Junction, some of our troops immediately pre pared to advance, probably to reconnoitre Our present movements have been exclusively of a stragetic character, in which

Lee has been thus far completely outgen eralled by Meade. No fears exist of ou: not being able to cope with Lee in the field.

WASHINGTON, October 18.-Throughout structions as have been or may be issued mented force is moving in that direct

y that Department. In issuing this proclamation I address inton on the north side if not prevented.

Gov. Salamon, of Wisconsin is here and

field, and bring our military operations to unteers credited to his State in the draf prosperous end, thus closing forever about to be made. It has been concluded the fountains of sedition and cruel war. that the draft shall be carried out in the
