The Union at It Was, The Constitution as It Is,

"THREE HUADRED THOUSAND

A tew weeks ago a rumor came from Washington that the Administration was it outright, but an Abolition triumph at and that, too, in an able article. We are the polls in Pennsylvania. While the late glad, indeed, to see our affairs so well ap about a scarcity of soldiers in the field; Virginia, but thousands to spare for ser- place: vice at the polls in Pennsylvania. But no sooner is the election over, than "honest

resorted to. sured us would be put down in sixty days. from its commencement. A million and a half, and for what purpose? Were it to march them to "the imminent deadly breach," to restore our once happy Union, we would, while sorrowing at the sacrifice of life, rejoice in the glory of the undertaking; but, clas, such is not now the object. We are informed by the leaders of the dominant party, that the restoration of the Union, and the supremacy of the constitution, are not now the objects of the war; the subjugation of the people of the South, not the crushing of those in arms against the Government, and the distinct from each other as Nova Scotia emancipation of three millions of slaves from Australia, or Canada from British are the objects for which we are now contending. The issues of the war being legislatures, and distinct colonial laws changed, we may look for its prolongation. Southern subjugation, which will necessar terms, even of that confederation, expresrily intensity and prolong hostilities sed it, the sovereignty and independence not be able to close the war, nor do those independence was achieved and acknowlhaving control of the Government desire edged, the treaty of recognition styled that they should. The point with them is them each and all 'free and independent to raise an immense army, an army which states, The sovereignty of Delaware was as complete as that of New York; and either in the field or at the polls. Wheth either in the field or at the polls. Wheth nia or Virginia. In every respect they er, under Abolition management, our were as distinct as States as they had forces, hereafter, will be victorious in the not only independent, one of the other, but also of the mother country." forces, hereafter, will be victorious in the been when colonies, and they were, too, phant success in the latter. Under the command of Botler, Rosseau and Sigel, Union and Constitution are the creation of and a dozen other carpet warriors, who lately stumped our State for CURTIN,—and Constitution, saying that "All powers not

(dee Webster) Our new Governor has "twisted" about a good deal to suit France has a direct interest in what is now going on in England. It may be a fine distinction which Earl Russell draws

I may say that here, as in Eugland, the sympathy is for the South, and it is only common sense to suppose that what is going on in Mexico can only make the mperor and his Government lean more han ever toward the fortunes of the which people would naturally become the allies of the Government of the slave country. I repeat that what is passing in England will affect the policy of he French Government and the cause of

A White Man Changed Into a Mr. Dickson, physician to her Majesty's

Embassy, sends us the following authentic report of the very singular case of a white man turned black, a rumor of which has been locally current for some weeks past, but which, in common with most who heard it, we regarded merely as a canard of the "flying lover" class recently started by an imaginative cotemporary. Apart from the mere novelty of the fact narrated, the following has a scientific interest which well entitles it to much less ephemeral record than we can give to it: Ovannes an Armenian, aged 28 years, a native of Geiveh, in the District of Ismid, and a brickmaker by trade, says of himself that he was laid up for the space of two years with a long and serious illness, during which period he was more or less unconscious. He then suffered for a twelve nonth from intermittent fever, assuming at times a sestian and at other times a quo idian type, and which brought on an en largement of the spleen. This was followed by an attack of juandice, which co curred about eighteen months ago, and th ellow color of the skin then gradually changed into its present swarthy hue.

The dark color first manifested itself in his hands and face, and alarmed him very We would, if necessary, demonstrate his complaint into black j aundice, but he oure. was soon reassured on this score, for he tound that as the skin changed from yel

low to bronze, his health sensibly improved. He took no medical advice cet, is of a very deep bronze hue, such enough to justify the administration in as marks the color of the dark Abyasinlar weakening our two most important armies, endangering their safety, and rendering the full campaigns in the West and East cicatrice of a blister that was raised by the fall campaigns in the West and East cicatrice of a blister that was raised by but do not forget that you may fie, and that have stood still for a while here as well as gion of the spleen, is of an intense black member that the AWFUL PRINCIPLE OF siderations prevailed, and the administra have been on the person of a negro. This on has caused important campaigns case is evidently one of melanopathia, o miscarry that it might carry elections. a rare and singular affection of the skin, affecting its pigmentary structure, and classed in the order macula of Willan,

A Parallel. Many incidents in the late election in J, has used BRANDRETH'S PILLS for fifteen this State, serve to remind us of the time these Pills have cured them of Billous af-The setzure of the two vessels of war scenes which are said to have occurred in fections, Headache, Rheumatism, Fever and suilding in England for the Confederate Secessia, at the time the South want out of fections, Headache, Rheumatism, Fever and building in England for the Confederate Secessia, at the time the South went out of Ague, Measels. Whooping Cough, and says he Government, and Earl Russell's speech on the Union. It was reported that Senator Ameircan affairs, at Blairgowrie, have Mason remarked that unless a man voted Sold by Thomas Redpath, Diamond Alley, additionally drawn the attention of the for Secession in Virginia, he had no right Pittsburgh, Pa, and all respectable dealers in o vote at all. So here the iteration traitors," 'loyalists and copperheads,' "frauds justitiable as a means of beating traitors," and all this talk.

occurred at one of the polls in this city.
A former resident of this county who had been for saveral years absent, and returned but a few days before the election, was met by a Republicau acquaintance and informed that his taxes were paid and if he weald vote for Curtin, he could obtain science as to the propriety of voting at all, more especially, for such a man as Curtin. Notwithstanding the man and bis Repub ican friend were duly notified that he had o right to vote and it would be challenged, the Republicans kept close watch for their man and brought him to the polls. lere he was met and challenged for citienship, when the Republicans raised a nowl of indignation against the presumption of challenging an old citizen "a river man. Upon interrogation it proved that he had exercised the right of suffrage, in secessia, by voting for Jeff. Davis for President! This was a little too much about negotiations between the North and and the vote was rejected. Nothing South, in order to suspend cruel and daunted, however, these honest (?) Repubbloody hostilities, which not only deso licans who kept their victim in hand and licans who kept their victim in hand and again and again brought him to the polls during the absence of the challenger, in hopes through the confusion or the preju-

dice of the partizan in control of the bal-lot-boxes, to poll a fraudulent vote for Curtin. Curtin.

Shenes like this were enacted throughout the cities and county, only in most instances they were successful in their fraud. What enlightened Republican will inform us of the distinction between the terrorism and fraud by which the Southern States were dragged from the Union and that enacted in behalf of a corrupt

Mr. Didler presents his compliments to the editor of the Post. He is sorry to observe that his imperfect hand-writing has led your compositor into many typographical errors. The most of them, however, can be corrected by the good taste of your readers.

though not to the extent of similar trans-actions on your side of the water. The It ought to read: "It President Abraactions on your side of the water. Every Music Teacher Says, EVOTY MUSIC TEACHER SAYS,

THAT WITH BICHARDSON'S NEW

METHOD he is enabled to impart a thorough
knowledge of Piano Playing with for less trouble
and in a far more satisfactory manner than he
has been able to do with any other system, and
the Scholar learns more rapidly, is better pleased
with bis daily progress, and looks forward to his
next. leason as a pleasant pastime rather than as
an irksome task. The usual dull and wearisone
exercises for practice are in this NEW METHOD
superseded by charming Metodies that please the
ear while they assist the pupil in his efforts to
become an excellent planist.
