SYRUP OF MANDRAKE AND STILLARGIA.

Having had a man employed for the last six years compounding the above excellent remedies for my own practice, and having used it is duty to set them before the public, as my experience leads me to think they are as near specifice as any remedies well can be for the following diseases, namely: Scrofula, Coitre, Syphilis, and all diseases that artise from an impure state of the blood. One trial will convince any person of their dimess for those diseases, Prepared and sold by
