town by the efforts of over 1000 insurgents, the Spaniards not making a single effort to drive off their assailauts. This continued until October 2d when the Spanish troops returned to the fort and the town was given up to pillage, and part of the Spaniards embarked for San Domingo, reducing the garrison to 1,000. On the 14th, the Spaniards again pillaged the town, and the Dominicans then tried their hand at the same game. Nearly all the houses and stores were plundered, and such contents as ware not removed were destroyed. 600 Spaniards then sallied forth from the fort, and after a severe fight the oninicans from the town. The fire continued until the departure of the Saniago. It destroyed among others the valuable stores of a considerable body of valuable stores of a considerable body of the orange merchants.
