Charleston. Oct 30.—The bombard ment of Fort Sumter to-day, is the heaviest that has ever taken place. From sundown on Wednesday until sundown on Thursday, 1250 shots from fifteen inch mortars and 300 pounders, Parrot's, have been thrown against the Fort. Our loss is several wounded.

This sevening the enamy opened fire-from the mortar battery at Cummings' Point upon the Mortare and good to the fort which seems to be the special object of their attention. The enemy's batteries engaged were those at Gregg and mings Point battery, with the addition of three monitors. The bombardment of five Samter still goes on, but the fire is much slackened. Our batteries fire slowly and deliberately. The ouemy at present pays no attention to them.

Louisville, Nov. 2.—There is great disaffection among our merchants because of requirement to carry their bondmen to Cincunsat, as per requisite to obtain permits to send goods to loyal southward points which are geographically tributary. A meeting of Lonisville merchants is in contemplation, to represent to the foreign ment the injustice of depriving them of a local officer for granting such as was firm, and was sufficient to the contemplation, to represent to the foreign and safety of the first market was steady with a small state of freight and deliberately. The ouemy at present pays no attention to them.
