Foote's Patent Units, the Lock Stand, which is not to be controlled to the city and thence on nearly a straight line across the Majosnville Turnpike to Duck Creek Valley. The line contemplated strikes through several of the river counties to Piketon, and thence on nearly an air line to Steubenville. The distance, it be Mayor, charged by Dr. King with the Mayor, charged by Dr. King with surely of the peace we a postponed until the neutron of Mr. Carnasian, the United States District Attenday, who cannot be the out through a gorge in Longworth's Garden of Eden: thence in nearly a straight line across the Madisonville Turnpike to Duck Creek Valley. The line contemplated strikes through several of the river counties to Piketon, and thence on nearly an air line to Steubenville. The distance, it air line to Steubenville. The distance, it is claimed, by this route and the Panhandle Road to Pittsburgh, is two hundred and eighty two miles. The project which insures perfect safety to an article pro MISSISSIAN ER & CO. lerives importance from the connection of the company with the coal trade, and the future supply of coal for the city. The of Representatives. 27 Fifth street, Pistsburgh. future supply of coal for the city. The friends of the company claim the necessity of an independent entrance on account of the overcrowded condition of existing routes, and that its passage from Hunt street down through the streets in the heart of the city to the river, will be of sufficient advantage to Cincinnati to war rant the granting of the facilities required.

Of Representatives.

PITTSBURGHERS ABROAD OL Monday the tollowing Pittsburghe's were in Philadelphia. J. S. Leissening, J. H. Sweet, Roht, M. Knight, Thos. Rutter, Thos. D. Mersler, W. Murphy, W. P. Dilworth, J. Conhor, Peter Dean, W. W. Ward THE COAL CRISIS IN CINCINNATI. - WE had most ardently hoped that the waters of the Ohio would ere this have reached of the Ohio would ere this have reached Charlotte Thompson was welcomed back such a stage that all apprehehensions of a to Pittsburgh by a crowded audience com-"coal famine" in Cincinnati would have posed or our very best citizens who assembled dissipated.

But the danger is not bled with hearts in their hands to greet been dissipated. But the danger is not passed, and cur friends below are still looking forward to the coming winter with anxious forebodings. It seems that the proposed plan of supplying their city with coal, by rail, from certain points, has proved a failure. It is now thought, however, that arrangements can be made with the connecting railroads between Circinnati and Pittsburgh, to lay aside traffic until the fuel crisis is over, and to devote their stock to transporting coal di-PITTOCK'E ALBUM DEPOT devote their stock to transporting coal direct from Pittsburgh to Cincinnati. Such an arrangement could be made and the coal obtained at less than half the price at which it is now held. Still we hope that were delighted. A grand Matinee comes Opposite Postoffice in a few days the waters will be high off this afternoon at Concert Hall, and in enough to bear away to our friends below In the name of the people of the United States, you are here y summered to appear before the underligned, the Judges of the Supreme Court, to show caus. Wif you should not save one-half by purchasing your an abundance of coal, and thus allay all their apprehensions for the incoming

CITY NEWS.

Will There be Another Draft?

Dividends.—The stockholders of the different banks of issue in the city held a meeting yesterday, when the following div idend: were declared: Bank of Pittsburgh. Bank, four percent, and the C.tizen's

DIED FROM HIS INJURIES .- James Tis sion that the soldiers now called for are to be recruited into the ranks of the regularity of the foldiers of to be recruited into the ranks of the regiments on the field, instead of setting in mction the machinery of new organizations. That recruits render more prompt and more efficient service by entering old regiments may be true, but experience has shown that new organizations secure men much more rapidly than do the old organizations. If arrangements could be made by which Pennsylvania's quota found be filled by new organizations, a future draft could easily be avoided. The number of two years, nine, six and three months men that can be secured for new horse in the livery stable of Mr. Robert Patterson, or Monday evening, died years and tree leady about five o clock. He was a native of Ireland, and had been in Mr. Patterson's employ for a number of years. He was an honest, upright and worthy young man, and by his obliging manner and general desire to please, made many irrends, who will feel very sorry to hear of his untimely end.

Not Going to Russia.—We are reliably informed that the item published in the New York Times and copied in the

mushle, good look ng feriow citizen, and the suspected editor of the Commercial, Hon. T. J. Bingham, is spoken of as the next Speaker of the Pennsylvania House

PITTSBURGH GENERAL MARKET.

OPPICE OF THE DAILY PORT.

WEDNESDAY. November 4. 1853.

Business—The weather yesterday was pleased and. Our rivers are again on the rise, with about four feet of waser in the channe!—the present swell being from the Allegheny. The steamer this boatne expense has test appared. The market was been good to be able to ammounce the day. We hope soot to be able to ammounce a sufficient rise of water to admit of the depart ure of call for the lower ports, as the people of the lower towns are sadly in need of that art cle. Freights are plenty at good prives but unfortinately boats are only able to cary yout small orreast full price, in the absence of any heavy transactions. There was a fair trade going on in lots to meet the wents of the home market. The pre ent rise being from the Allegheny, will no doubt bring out a fresh supply fof Orn!e Oils in the serge cas waiting a rise.

Hay—We continue to notice a firm market and a nuther advance. It may be proper to remained that prices for core time past has been governed altogether by the receipts, as the daily consumption is large and seadily increasing. Sales of 12 loads at the scaleds: \$256@36.00 \(\frac{2}{2} \) to the construction of the more receipts, as the daily demand for lots ranging fermine past has been governed altogether by the receipts, as the daily consumption is large and seadily increasing. Sales of 12 loads at the scaleds: \$256@36.00 \(\frac{2}{2} \) to the market was steady with a good demand for lots ranging fermines.
