We have lately had a picture of the terrible potentate, drawn from the life by one who has had every opportunity of seeing him as he is, who writes with a sailor's brevity a...d exactness, and who has presented Pariament with one of the most readable papers that have adverned that species of literature for years. If it is considerably more favorable than the teketch which has been subsequently given to the world by M. Jules Gerard, it is pears to be founded on failer opportuni-tion of the terribule and circumstantial, it apmore detailed and circumstantial, it appears to be founded on fuller opportuni-ties of observation than those enjoyed by the bilebrated lich-hunter, and it has just been confirmed by the independent and personal testimony of Mr. Craft at New-Castle. The narrative of our gallant countryman may perhaps assist us in cor-
