THE CONSCRIPTION LAW. The Judges of the Supreme Court, now

delivered dissenting opinions. We refer the reader to our local depart ment of the able opinion of Justice Wood

tutional, while Judges REED and STRONG

land to insure an out and out Abolition majority in the next Congress, entirely to the Southern people in general) by the overlooked the election in New Jersey. Tant little State, the most prompt in the eral in the Rebel army. The views he That little State, the most prompt in the puts forth being those of an interrigent Union to furnish volunteers, was permit. Southerner, and one whose influence con ted to have an untrammeled election, and tributed no little to precipitate his State behold the result. In the Senate the into the bloody maelstrom of the rebel-Democrats have fourteen to the Abelition lion, will also startle the Northern reader Democrats have fourteen to the Aboutton with the greatness of the change that far as he can do it. The thought ists seven, and the same proportion divides has come over the spirit of a secession make the blood of every American of the Assembly. If the cause which have dream.] given the Administration such decisive victories in this State and New York, was of June I have been a prisoner in the legions of France under the old flag, to reduce a prisoner in the same discount of the same disco a genuine change among the people, how a genuine change among the people, how Having but recently been through the publican institutions! But, suppose he does it happen that New Jersey voted as entire South, baving studied its resources, if recently alone. It is a burrent does it happen that New dersey voted as entire South, having studied its resources, if the name of the south two coloszal cisters; she is intimately chosen, after long hesitation, to remain connected with them in feeling, sentiment bere and address you, in preference to and interest, and yet, what they, with all being sent home and exchanged. I am their power, were unable to contend now out of the service, and can therefore gra-ped it for, even if we should suc against, she, in her weakness, successfully

My course in this struggle is known to phant, conclusive and overwhelming with a fire in front and in rear. I have relutation of the heast of our engagents been with you and of you as long as hope refutation of the boast of our opponents that they succeeded in the late election because of a reaction in the minds of the ern home, and to the masses of our paspeople. Had Pennsylvania and New ple, whose terrible sufferings bind n.e. York been permitted to manage their own lebections, without the War Department's for what they are worth, trankly and fully ground upon the American continent interference, they would have answered in this address, and care not for the conpecially as New Jersey did. Thousands consequence to myself. It is the path of duty, and I shall follow it fearlessly. therefore captured. We do not allude to that individual a criticism whose sever for Governor. They nominated their can exercised military away over Arkanana. didate in a passion, in a fever of excite are also shown up in their determity. ment and indignation, which would not ing the kind of tyrnat the little Hundman have been the case had he not been the proved himself to be:] victim of arbitrary power. That nomination was an infatuated one; VALLANDIG-HAM, however monstrous the outrages inflicted upon him by the Administration, was not, and is onot, a fair repreding just entered the service, and from a enough of the though Extreme and almost isolated routes in congress, entitled him to what he aspired to be—"thinself alone;" and no matter how much we may have admired his bold not seen for years, they concluded to visit teachings. His nomination was a blunder of stupendous magnitude, and it went far to prostrate our cause and candidates in Pennsylvania. The same is applicable to New York, where the Abolitionists suc-

SOUTHERN APPEAL FOR PEACE Stirring and Pow rful address by the Hon E W. sautt of Arkansas, la e General in the Rebel Service—The of the Negro Accomplished.—He Must Follow in the Feotprints of the Red Man—A Brighter Day Dawning for the Nation.

the people of that State (in particular and Hon. E. W. Gantt, until recently a Gen

and the character of its rulers. I have Time. Danaes monera teremes. No mo

resisted. We take this result as a tribate the country. In the army and in prison, remained. And to day, I know no devo-tion so strong as that I bear to my South

[The writer proceeds to review the mil backs, were too powerful; the two mighty itary operations begun and carried for Commonwealths were overpowered and ward by Mr. Jefferson Davis, and devotes to the election in Ohio, in this connection, ity is only equalled by its justice. The willing, but despicable tools of his Richmond majorty, Messrs. Hindman, Holmes, seemed to court defeat in their nomination R. W. Johnson, and some others, who

Story of the Texas Youths. The story of the two young Texas sol diers I have often heard, and never heard it contradicted. They were twin brothers off for it. We must propose peace, for it contradicted. They were twin brothers
-young, handsome, and sprightly. Hav-

however, be turned to a good account: of one, who was misled by the cruelty of we have experimented and have seen the Bragg, and who, in adopting the latter's bereafter, and "never give way to reckless it, degenerated into a mere murderer. [After reviewing the situation, the writer proceeds as follows:

What Shall We Do?

tended to observe in the tone and literative bere. It is true, the Johnsons tell you that Gen. Steele has imprisoned and op that irreparable degeneracy has already in it. And they know it is all false. It is barren bins of New England, and opportunity of the barren bins of New England, and they know it is all false. overtaken it. The Commercial we may a few months, when no more Confederate threw its powerful adu-ness after safely say is no better than one of the money can be invested, and nothing more great northwest. Standing as a wall he

if hey were, they were not the first who were and sorrow and desolation meet us where sparsely settled, and comparatively pro-

that a long time ago, he chief of that tribe beding anxious to have certain services performed, officed to give in return for them all the sing-done of the world and all the givery of them. The offer was not accepted. But the truth of the matter was, his snakeship, instead of having all the kingdoms of the earth to give, hid not one nor the shadow of one. Is it fair to berate two subordinate princes of the copperhead; for following the example of their chief? If they offered to give Jeff Davis all the Northern States and all the glery thereof, if he would send Lex and Bragg, with their armies, North to help them to carry the fall elections, whilst in fact they had carry the fall elections. whilst in fact they had levies to crush us and not feel it.

How is it with us? The last man is in day. This wall or the Government, one jub-dly

But there is method in the Commercial's the area for the month of a bid women of madness; while coursely abusing the two and children. While desired towns, and in

Theore headed sympathizers with treason rebuiled by the returns of the late elections, are determined to wreak their reageance upon some body, and no one else seems to offer so readily as ones! France will not interfere. Louis these too leading Bishops. They know that their representations at learn the holding of the locit. We may have to do without it. The The Judges of the Supreme Court, and sitting in this city, yesterday delivered separate opinious upon the constitutional ity of the conscription law. Three of the conscription law. Three of the mough, and that common decemp requires for enough, and that common decemp requires them to desist from further attacks upon these given the whole Commercial world becomes subsidiary to him. To keep up It is can keep up this struggle until that to complished, the star of Englant's well nigh accomplished. Yet behn this this struggle he will delude us continually much we bleed and suffer. I even suspect wealth, arts and improvements, and I ad that the prefended loads to us in France ing their talents and sinews to increase est upon a policy of this seri, and trat our aggregate wealth. Thrift and trade and common desting at the Lottom of it.

over us. So tager are some of our lead ers for this interference, that I am told.

is proposed to give Napoleon Texas as handed over by Davis at any moment, so Fellow Citizens: Since the third day is attempted. "I shall be one to meet the pattle for the sacreduces and safety of

> impgerous and destructive alliance. our prostrate condition, could be formed awayer eagerly we migh, at first, haved with nearly and the struggle we se as doubleful as terrible, (and he with abunden us at any moment,) the French empire of Mexico right at our doors would swallow up Cuba and all the con inguous islands, and absorb that part of Mexico that we as a nation would hope to get. "And the day we settle deliber ately, a monarchy on this side of the ocean, we prepare crowns for Kings and

Dissensions in the North. Have no hopes from a divided North is on the surface. Searcely goes to the buttom of their politica, much less shaking the great masser of the determined resple. Renember, too, that much of the South is with them. There is no d. That rejected, they are to press us with redoubled energy. Let us not, after all users of the Union behind a walf of one of the Union behind a walf of the Union he struggie between politicians for place into sympathy for cursoives. But how could they process peace? Who would be process peace? Who would be between boilt river, under the fring the message? To whom would it be delivered? And should the proposition old mooring, and will be safely anchor-

But, as I said, there will be no interfer

we ought to hanv when we have got

in Pennsylvania. The same is applicable to New York, where the Abolitionists succeeded, aided by a desperate clique of professional politicians who have gained some power by a constant chattering about the beautics of peace, while the shouls of battice, of carnage and blood are borne to us upon every breeze. Had it not been for the influence alluded to, the conservatives of the country, in the late elections, would have shown ap increased instead of a diminished power. Our disasters may, would have shown an increased instead of a diminished power. Our disasters may,

The noble boys fell, after a tender and finds us defending davery as a Device in touching ferewell, victims to the ambition stitution. De Daw's Review, and other Southern papers and periodicals, with Senator Harmmend, or South Carvina, were prominent in this deferce. There co we have experimented and have seen the consequences; let us then be admonished style of discipline, took up the club of were prominent in this defence. There is commencement of this rebeliant the extension of the commencement of this rebeliant the extension of the commencement of this rebeliant the extension of the commencement of this rebeliant that the extension of the commencement of this rebeliant that the extension of the commencement of the commencement of this rebeliant that the extension of the extensio vital to the existence of slavery; because.

o concede that negro slavery was morally What Shall We Dot

The question naturally comes up after six he achim with magnanimity; to strike a vanquished for its two leading Abolition organs of this course which an exultant party should pursue towards its valquished opponent. Theythica that hacking the body after life is extinct to be a legitimate performance. The Gazette, the other day, after murdering Judge Woodward for the course which an exultant party and make more clear money. And so morbidly so, that the Connected the whole argument to the abolitionists. As the controversy warmed, we became sensitive. And so morbidly so, that the North high have threatened with impunity to degree the may again sparkle to live our controversy warmed, we became sensitive. And so morbidly so, that the North high have threatened with impunity to degree the may again sparkle to live out the may again sparkle to live out the same factors one negro. Such was public sentiment South, at the commencement of this most unfortunate and bloody struggle, pression by his pets, what have we to hope, now that he trembles in Richmond tor his cwn safety, and wakes up at last to the terrible reality of his own weakness, following to the course which an exultant party should not protect Arkansas when he course which an exultant party should not protect Arkansas when he course which an exultant party should not protect Arkansas when he course which an exultant party should not protect Arkansas when he course which an exultant party should not protect Arkansas when he course which an exultant party should not protect Arkansas when he course which an exultant party should not protect Arkansas when he course which an exultant party should not protect Arkansas when he course which an exultant party should not protect Arkansas when he course which an exultant party should not protect Arkansas when he course have one mate took one negro. Such was public to bridge the whole are detailed to have a constitution of the course which an exultant party should not protect Arkansas when he course whi

Always when we could do no better. I always it had been a stringgle at the half have tried the experiment twice and found it by no means toolism. Submission is but it by no means toolism. Submission is but surrender. "We are fairly beaten in the attention to a column and a half of sense—less vulgarity which appeared editorially in yesterday's Commercial, of which the following extract is a fair sample. When we remember the big promises made by this new establishment, the number of "gifted minds" it intended to engage on the columns, and the strict regard it in its columns, and the strict regard it in tended to observe in the tone and litera—the columns of the columns and the strict regard it in tended to observe in the tone and litera—the columns and shakes bis gory locks have remember the big promises made by this answer as a blishment, the number of "gifted minds" it intended to engage on the columns and the strict regard it in tended to observe in the tone and litera—the columns and the strict regard it in tended to observe in the tone and litera—the following extract is a fair sample. When which serve as a connection of the control of the control of the columns and a half of sense—the point."

If we don't get the happiness we ensistent the point. If we don't get the happiness we ensistent the country had been a stringle at the hall to box to colonge in the will clearly be the max a rangel and tunman'y treatment. This became a matter of success the reversed to the reverse device the sample. It is not option that whether it is a divine institution or not, a great strict and intended to experiment twice and found it by a one of the yoang men of the town the vice institution or not, a great strict and intended to experiment the box of the reversed woman whipper was given. It is not option that whether it is a divine institution or not, a great strict and intended to experiment the box of the country had accomplished its institution or not, a great strict and in the reversed woman whipper was given. It is not op ied northward the wealth and populatiof the old world; and neld in their place the restless adventurers of New Eng
