their guns, with proper support. They completely command the channel. ROYAL MAIL COMPANY New Advertisements. Whatever may be the unshow of the laim, enough is now published to justify A Virginia within the grasp of his hand just been discovered by the Government,

on the bank of the flooded Potomac, the decision of the Boded Potomac, the decision of the War Office delayed the as-seuit until it was a day too late. These, together with all the other coatly blunders of the War Office, have left the country. and alarm in Detroit and throughout Michigan. The cheme is

THE STRVEYOR GENERAL. The Hon. THOMAS J. BIGHAM ONE of the hondred that there are in the dimer-dulty by our clitzene: and yet all the "gifted minds" of the Lorinterial, and and deserters from the Union armies, who have a second dispatch and deserters from the Union armies, who have a second dispatch to the advect of the Lorinterial and the second dispatch and the second dispatch the second dispatch are as the second dispatch and the second dispatch and the second dispatch and the second dispatch are second dispatch and the second dispatch and the second dispatch and the second dispatch and the second dispatch are second dispatch are second dispatch are second dispatch and the second dispatch are member elect of the Legislature, seems particularly concerned about the Sur veyor General of the State, and advertises his intention to have him abolished when his intention to have him abolished when he gats the floor to air his conceita—Judge Woodward is also warned of his impend-ing disgrace in the shape of an impend-ment to be preferred by the aforesaid THOMAS JEFFERSON BIGHAN. The Sur ed as the field of operations from its bear to the fullest extent. For the information, veyor General was elected by the people uses to the Canadian frontier, and hence for the fallest extent for the information, is fault of any rebel, or other refugees in Canadar for three years, and if removed before the procuring men and supplies, but also is not entirely defenseless. We have two doubless as affording a colleging and supplies but also

doubtless as affording a tolerable safe regiments of militia here both of which means of escape to the laders of the movement in case of disaster. A necessary part of this scheme is a naval force. How is this to be produced? will be asked. If our information is corract it is already at hand ... Bvery one they will meet with a spirited reception. will call to mind the frequent mention is

But we fear that the numerated yester by are too true, at d, unfortunatedy, too due gracefully true. It was reported that tien Besides the supplies of cotion and other articles of commerce taken from the reband capacay. The fact of their coming from a confiderate port bearing those omministions, will relieve them from the objections urged agas at British huil: vessels, like the Alabama and oth-touched at These vessels, after having proce ed whit supplies they can at Halifax without viciating the neutrality laws, and to start SUPERIOR POTASH, ostecsibly on a cruise, but will make their way directly up the St. Lawrence, through Lake Ontario, the Welland canal and Lake Frie, and taking position in the river opposite Detroit, demand its unconditional surrender. The United States, by treaty stipulation with Great Britain, being pre-

cluded from maintaining any naval force aa ro deed to not against the autocon. OVERA fhn

ommanduse the coy, they will declare

the swhen it might have struck through the bare free bells of a daring, gigantic, and dangerous rebel scheme which has the defeated rebel army into the rebellion. Again, when Gen.
