Landing of the Expedition on Brazos
Island On landing on Brazos Island, the 15th Maine, Colonel Dwyer, accompanied by Major Von Hermann, of General Banks, staff, started for Boca Chica, took posses sion of the Pass, and encamped there, throwing out pickets. No resistance whatever was offered, and no human beings tyr to Music-Romantic Story-A Woman have yet been seen on the island or else where, if I except the repulse of two combanies of cavalry by the guns of the T. A Scott, Captain O Brien, which anchored off the mouth of Boca Chica, this morn-

ing, and opened upon the rebels who had Brazos, as well as all the islands along of Delaware; the contest is for a member the Texan coast, is a sandy desert. One obtained the victory a thousand times since the war commenced in public meeta mile or so farther towards the interior are two lighthouses, one on each side. Charred runs show that three dwellings were destroyed by fire some time ago. Nothing but the chimneys remain standing. Nothing but the chimneys remain standing.

The foundations of the buildings used champion as his neminee, prepared to according to the copy a challenge? I shall be glad to hear seem; but no other vestige remains. Sand from him on this question. I will use my heat endage or the conflict.

The correspondent of the Diario, of Havana, reports that two receptions took profit endages at the palace of Almonte, one on the constitution of the Diario, of the Correspondent of the Diario, of the Correspon and for miles there is no covering from the rays of the burning sun by day, nor the

eavy, chilly dews by night.
On Tuesday the gunboats Monogaiela and Owasco, with the transport Sout the latter with troops on board - stritted or the mouth of the Rio Grande on a reonnoissance, for the purpose of landing oldiers on the Texas shore. Capt J. S. Prosby, of Gen. Banks' staff, Capt. Capt. i (fleet Captain,) and Capt. Sarang, of the Monorgabela, entered a smar to al and reconnectered the Texas coast. F ing all clear, with no enemy in sight, the order for disembarking the troops was

The boats of the three steamers were at once lowered, making nine in all. One hundred and forty soldiers then entered them, each man being armed. After the sailors (sixty) had taken charge of the for the Administration. Does any one crossing the bar, four were capazed, and seven soldiers and two of the crew of the Owasco were drowned. One of the bosts. after returning from landing her men, suc reeded in picking up a large number of Nazaire, those in the water, and the Mexican ton route. the rankest phases of Abolitionism. The shore being much nearer than the other, the bow of the boat was turned towards emancipationists are appointed Provost to land, and the boat was compelled to it : but the Mexicans would not allow it Marshals, who give the people in those cross the river to the Texas side, where oppressed commonwealths to understand, all were placed safely on the shore. The landing of the troops in the other boats was effected without difficulty, and during

By evening the work of disembarking account for such a State as Maryland returning Abolition emancipationists to Congress. We do not wish to be understood as saying that this is the work of the people of that ancient upon the steamers. Those which were upon the light draught vessels were discommonwealth; by no means; the re satraps of the Administration, under the on the others is a mystery, the work of

wealth, and disregarding the proclamation The Peabody yesterday morning a proached as near the shore as poes't. water in the hope that they would aw men who will go there, not to represent ashore, but as soon as they arrived at the and the Ella and Anna, is a letter from E. Maryland, but to obey the commands of those who secured them their pay and same way to-day, provided the same our to-day, provided the same of those who secured them their pay and shings and transferred in a rew north of the sen of the same of th means are required to do so. But they water, which will be bailed by our soldiers

The undertaking being so easily accomplished, the only marvel is that any well just received official news of the greates: importance. The Government buildings at Fort Brown were burned to the But, in order that there may be no pos-Provost Schenck, who superintended the election in Maryland, has issued an order witnessed the landing of the soldiers under about three o'clock on Tuesday afternoon intrigue in Texas.

a squad of sixty rebel cavalry, which had "Mr. Benjamin a denunciation is copy to be observed to day in Delaware. It is the guns of the Monongahela, at the mount a copy of the original: it declares that no of the Rio Grande, dashed into Browns ville and commenced setting fire to the buildings, with the intention of destroy ing the town. The property holders and Union men resisted them, when the seces stonists joined the cavalry, and a bloody derstrappers to take the oath of alle- afternoon, the buildings burning in every
