are refused positions by a partizan mudsills. This announcement will cause administration. The cleaning out process a row in Springfield among the jolly fellows r is to extend to those who hold office, as to whom Mr. Lincoln used to tell such about the city. some do, from the people. Legislative funny stories. But what need he care for action is invoked to tear up by the roots them; their rude simplicity can not now all offices in which Democrats are be tolerated in the East room of the White placed. Some are to be abolished, Bause, where none but fashionable flirts, some impeached, and even where the antiquated maids, disappointed widows, judiciary make appointments they must and whiskered adventurers are hereafte be taken from it, and placed where to be welcomed. We are a progressive the loyal leaguers are sure to secure people. The simple customs of our Demortine Buttle of Chickemanga. The Retter of Chickemanga. The Retter of Chickemanga. them. This is simply disgraceful, and cratic and Republican fathers are going, must so appear to a people who have and opulence and corruption are taking responded with unparalleled generosity to their places. A hen-pecked husband and falsehood put forth by the Yankees. that every call, whether of men or money, by a strong-minded wife, lead the world of they were "besten at Chickamauga by this same partizan administration. Even folly at the Capitol, the one making vast the prison inspectors of the Western Peni preparations for a season of unparalleled tentiary have not escaped, and a serious luxury, while the other is visiting the vast appeal is made to the Republicans of the charnel house at Gettysburg. But away whole state to have the appointing power with these moody reflections; "on with the figures up that Rosecrans had at less taken from the Supreme Court, where it the dance; let joy be unconfined," and 65,000 mea actually present and engaged has always resided, and lodged with the let those whose toes are not vexed with in the battle. Opposed to this General corps or coarse boots take partners for governor; why? because the governor

the set.

The Gazette is as unhappy in its allusion A CONVOCATION OF GREAT MEN. The Pittsburgh Commercial, yesterday, to Mr. Shoenberger, one of the inspectors, as it is reckless of truth in its statement contained an interesting letter from Harof the conduct of the institution. The risburg, giving a vivid description of the ceremonies at Gettysburg. Our readers, charge that Mr. SHOENBERGER was selected because he was not here, and that he did however, are, no doubt, satisfied with not concern atmself in the management, what they have already read upon that of the Penitentiary, is not true, and will subject; but we cannot refrain from copy not be regarded as very complimentary by ing the following from our neighbor's that gentleman; we are informed that he is communication, merely to let the reader one of the most attentive members of the see the names of a few of the great men board, and gives to it the benefit of a sound present on that solemn occasion. It will be seen that our city was represented in the judgment and enlarged business capacity; procession by N. P. SAWYER, esq., our It is fair to presume that one half of these as to his being the only gentleman who represents the patriotic sentiment of the most talented, accomplished and ponder- receipts is clear profits: for while inquors ous fellow citizen. Says our talented by the wholesale are high, the difference North, he will be the last to assert it. The patronage of the prison has never contemporary:

been made upon the test of political belief—the majority of employees are to day, and have been, Republicans—the contracts for supplies aid all other matters involving an expenditure of money are furnished by those recognized as the lowest and best bidders to public proposals, and have in nearly every case, for years, been Republicans. The prison has been so prudently licans. The prison has been so prudently and economically managed as to be res cued from a heavy debt and its books will neighbor's observations: his impressions compare with those of any institution exregarding the designs of Napoleon upon this continent, together with his exposi The Inspectors receive no pay, but de vote much valuable time to the business tion of the precise moment when our management, as they have done to the Government should strike for the enforce erection of new buildings, which have ment of the Monnor doctrine, struck his doubled the capacity of the prison within Excellency with peculiar force and favor. labor in the Secretary SEWARD entering the apartment,

Now a word of encouragement to the in which the two distinguished statesmen Gazette and through it to the Republican were conversing, at once participated in party; there are, at present, two parties the conference. The impression produced as a necessary consequence, by labor savwho will gladly yield their power and patronage: the Supreme Court and the ingression produced in said will be steam plows introduced and will be, steam plows introduced and address placing the appointment in the hands of be honored by one of her citizens being used. The cotton lands are particularly placing the appointment in the hands of be honored by one of her citizens being used. The cotton lands are particularly placing the provide over the Treasury De adapted for the use of the steam plow: the Executive. You will then be victors called to preside over the Treasury De and there will be little trouble in making partment. To mention names is this con ection is, of course, unnecessary.
