the volunteer army was not so good as satisfy all the strict requirements, bu is was owing to the material composing he army. Men of all classes were in al. anks of the volunteer army. Ordinary distinctions of class or position wer swept away, and the officer everywhere found himself commanding the most int mate associates in the ranks. Under such circumstances it was impossible to keep up the distinction of rank such as obtains n regular armies, and the discipline was therefore not so perfect. But in the bat the field everything was merged in the bulkiness of fighting. Every man was fight ing individually, and was his own captai if he could find a captain to fight under As an evidence of this he mentioned ttle incident that occurred at the batt of Chickamauga. An officer ran off from , the field when a private of his compan unatched up a musket, ran after him, hait ed him, and brought him back, saying he would be d-d if he would be desered by his officers.
