wounds he received at Ringgold impos-

THE CAUSES OF THE BEBELLION.

of cotton have been sent to Liverpool, the proceeds of which are deposited to the credit of the State, less the amount of expenses of the vessel. With what we have imported and th

1865-should God, in His Providence, so long see fit to afflict us with a continuance of the war—except as to shoes and blank ets. Neither the Ordnance nor Quartermaster's Departments placed too much reliance on foreign importation, but every effort has been made to stimulate home production. Both the quality and quantity of arms and munitions

have been improved in the past twelve months.

of Slavery, confiscation of property and erritorial vassalage. These are the terms to win us back. Now, when our brothers bleed and mothers and little ones cry for bread, we can point them back to brick kilns of Egypt-thanks to Mr. Seward -plainly in view, and show them th peautiful clusters of Eschol which grow in the land of independence, whither w go to possess them. And we can remind hem, too, how the pillar of fire and the cloud, the vouchested guidon of Jehovah, went ever before the hungering multitude, leading away, with apparent cruelty, from the fullness of servitude. With such a

measure of their duty if their trusted servents do not fail them. They will Lo crucily stresh their own sons, slain in their behalf, or put their gallant shade to open abame, by stopping short of ful
