neuty cure he most desperate and long-standing cases of sorofula, is them read the following add be convinced: Dr. J. M. Lindeey: I was afflicted for a number of years with a disease said by my physicians to be corfula. For the last three years I was so had that I was unable to be out of my bed. I tried all the remedies and the bet, phys-dians I was able to be out of my bed. I tried all the remedies and the bet, phys-dians I was able to be out of my bed. I tried all the remedies and the bet, phys-dians I was able to be out of my bed. I tried all the remedies and the bet, phys-dians I was able to be out of my bed. I tried all the remedies and the bet, phys-dians I was able to be out of my bed. I tried all the remedies and the bet, phys-of the left side of my face, neck shoulder and arm. My sufferings was so great, and I was so far reitueed, that it required the efforts of two per-sons to move me in bed. This was my condition when I was induced by the Measure Rauston, of Elderton, to try your improved Blood-bearther, which, to my great relief, and the satisfaction of my triends. I soon discovered was helphong mc. I continned the use of it, and gained so rap,dly that in considerably iese than one year I was able to go about and attend to some of my heusehold duties, and the pagts effected were all head and skin, and have so contineed ever since; and I now em-loy a state of health that I had for years riven up all holes of ever again being heused with.
