triends from whom he parted at a pross Then tollowed the two men, as con-fased by young Brooks, he himself went forward in the darkness of the road and hit his latter with a thick club, readering hit went and stabled the wounded man. He did not come, however, and the awful mether was completed by the son, who argued that it was crueit to leave the "job haid done." At the trial, young Brooks dit done." At the trial, young Brooks the inself, and thas his ever the stable and is serving in the fourd done was concerned in the filled with silver pieces, each being about the sys has since enlisted, and is serving in the stable the transpect of the stable and is guilt, and wrote out his story in his cell, at consider.ble length. He thus speaks of the borther marder: I have been coaxed since November, to the ther the did not co my father. I tool, the do that im for. I went off to work out a tarm again. When I did not go home fessed by young Brooks, he himself went toid fim that I did not want to kill him, for he never done anything out of the way to kill him for. I went off to work outs tarm again. When I did not go home tor tweer three weeks, he would ask mather where I was that I didn't come heme. After I did go home, mother would not are me Tim wanted to see me—be wanted to see me tor something partices talk was about putting the old man out of the way. I was picked at and tor mented about it so much for the last trighteen months, before I done this dreadul murder, that I would rather meet a ratifesnake any time, than my tarber. When I left him at Irick's lane-end he wanted to know it I would do that to mented to know it I would do that to mented to know it I would do that to mented to know it I would do that to mented to know it I would do that to mented to know it I would do that to mentel to know it I would do that to mentel to know it I would do that to mentel to know it I would do that to mentel to know it I would do that to mentel to know it I would do that to mentel to know it I would do that to mentel to know it I would do that to mentel to know it I would do that to mentel to know it I would do that to mentel to know it I would do that to mentel to know it I would do that to mentel to know it I would do that to mentel to know it I would do that to mentel to know it I would do that to mentel to know it I would do that to mentel to know it I would do that to mentel to know it I would do that to mentel to know it I would do that to mentel to know it I would do that to her the way where his fathers had y <text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text>
