DAILY POST

PITTSBURGH: FRIDAY, JANUARY 8, 1864.

DEMOCRATICSTATE CENTRAL COM. MITTEE. The Democratic State Central Committee at requested to meet at the MERCHANTS' H.-TEL, in the City of Philadelphia, on WEDNES-DAY, the 13th day of JANUARY NEXT, at 4 o'dlock p. m. CHARLES J. BIDDLY, Chairman.

ITEMS.

The number of troops in Ohio since the war began, is 200,671. Gen. HANCOCK is now in active com mand of his old corps.

to be given an important command immediately.
Gov. Cannon, of Delaware, announces troops has been authorized in that State.

The Masonic Grand Lodge of Vermont. will hold its annual session on the 14th of

A Western editor says if anybody imimagines we are opposed to a draft, let him send us one for a thousand dollars on some good bank. A delegation of citizens of Arkansas are

en route for Washington to make arrangements for Arkansas to resume her position in the Union. Such is the wretehed condition of the

contrabands-50,000 or more between Memphia or Natchez -that half of them will probably die of cold, hunger and filth Gen. Burnside will probably be assigned

for some post that is administrative, not military. Before Knoxville, General Longstree

gave characteristic advice to McLaws men the importance and great safety doing it with a rush." We see by the Tribune that the Massa

chusetts people elect negro legislators and then the Bay State will be an abolition The U. S. District Court for the Eastern district of Pennsylvania has made a final decree in the case of the steamer Kate Dale, giving to the Treasury the sum of

\$355.708. The costs were \$14.987. The harbor of Providence, R. I., is closed by ice. The Post of Monday, says: The river is frozen over as far

of a steamer. The second congressional district of of troops for Niagara county, N. Y., and men continue to come in in greater num

bers than at any time before. A good story is told of a member of the 84th Indiana. His Colonel observing him one morning wending his way to came with a fine rooster in his arms, halted him to know if he had been stealing chickens. "No, Colonel," was the reply, "I just saw this old fellow sitting on the fence, and I ordered him to crow for the Union, and he wouldn't, when I confiscated him for a rebel."

The sub-committee of the Committee of Ways and Means of the House upon the proposed am endments of the Tax and Excise laws are busily at work. Nothing authentic is known in regard to their action further than that in most instances the rates of taxation will be increased to of the Treasury and Commissioner of Internal Revenue, and on some articles will it is believed, be even in excess of their

No less than twenty five different propo sitions to amend the Conscription Law were submitted in the Senate on Tuesday. The bill before its Military Committee has the approval of the Secretary of War and Provost Marshal General. It will retain the three hundred commutation clause. and among other things borrowed from the French system, such as the requirement that the conscript shall be responsi-

the sum she owes in Canada. The widow opinion and its free exercise are inconsis faith in "Old ABE's" proposition that it is only judges of that welfare are not the

late hour on Monday evening we were in vants of the people, insidiously and craftformed, upon what we esteem good au lily adopt this and other means to become thority, that Gen. BUTLES will be thor- their masters. oughly sustained by the Government as It may be said, however, as it is often sole commissioner in the important busi said, that taking the oath is a small mat ness of exchange of prisoner; that all ter. And so, we may reply, was obeithe rebel prisoners in the hands of United | sance to the cap a small matter, so was States authorities have been ordered to be the tax on tea, which our Revolutionary sent within his jurisdiction, at Point Look- fathers resisted, a small matter; so was out, with the understanding that not one the ship money of CHARLES THE FIRST a of them shall be exchanged except through | small matter. But the obeisance demandthe General named. By virtue of the ed in the first instance resulted in the enstatements above recorded, we predict the franchisement of Switzerland and in the

Jersey City Ferry the other day by an at- block and erected the English Common. tempt to kidnap a negro. Two colored wealth; and if Lincoln were not incapamen came from Philadelphia in the train ble of instruction, he would certainly which reached this city at 8 p. m., and profit by such examples. Nothing is a were on their way to the Boston boat when small matter which trenches upon those the younger one was seized, in West rights which it was the primary object of street, by four or five "brokers," who at our whole system of Government, State

rted to take him away for the purpose and National, to secure. And as Tell cing a soldier of him. Not liking concludes the play, after slaying the ty. tment, he broke away from them, rant, so we conclude: otected them from further

AN INTERESTING HISTORICAL Abolition Cruelties upon the Ne. 15 TO CONSUMPTIVES.-THE The North American Review, in its From the New York Express. resent number, contains what the Abo.

hat the history of the old world must be Negro man well replied: searched to find his equal. The similarity which the Abolitionists find in the ton when Massa Lincoln came here. Now character of the dashing and successful it all. If you'd let us poor niggers alone, Frenchman, and that of the Illinois joker we had all been better off—white folks is thus alluded to by the article in ques and black folks both—none of us had

It is reported that Gen. HEINTZELMAN is parallel, might be drawn between Mr. Lincoln and one of the most striking figures in modern history—Henry IV., of Gov. Cannon, of Delaware, announces France. The career of the latter may be more picturesure, as that of a daring captain always is; but in all its vicissitudes there is nothing more romantic than that A National Bank, with \$50,000 capital sudden change, as by a rub of ALADDIN'S has been established at Parkersburg, Virlamp, from the Attorney's office in a country town of Illinois to the helm of a great nation in times like these.'

> in question; comparing the sudden transition of a third rate, village Attorney from a successful soldier, is rather heavy, and only proves, the anxiety of the writer to say something new and intensely complied badding—the clayey earth the restingmentary of his probable patron. The effect of women and babes through these fort, however, should secure its author something handsome at the hands of

old ABE. Alluding to this parallel of the Review's to the Middle Department, headquarters SHEBIDEN KNOWLES' fine, historical play not, in their present condition, survive at Baltimore. He has expressed a wish of WILLIAM TELL. The comparison is the winter. It is my conviction that not between the Swiss hero and Mr. Lin-DOLN, but between the latter and the tyrant GESLER. We think the parallel far more striking than the Review's and so "Please impress upon your officers and will the reader. Here is an extract which we copy from the Philadelphia Age. The our own condition, represents a squad of chasatta Lagialature is going to have a the Austrian tyrant's minions marching negro chaplain. After that let the Massa. off to prison several citizens whom they have arbitrarily arrested. Who could oped under the natural order of society, avoid recurring, under such circumstan-

ces, to the fact that, under Lincoln's sway, just such scenes have been acted and re-enacted time and again? Our indignation is aroused at the mimic display of such cruelty on the part of the oppressor of Switzerland; can we sanction with the smile of approval just such transac tions by an American President? But still GESLEE had his myrmidons, as LINas Pawtuxet, about four miles below the COLN has his tools. GESLER sought, ted sufficiently to permit the living to be city. Vessels bound up or down the bay through the energy of his measures, by will be obliged to take the assissance the use of the sword and the terrors of the dungeon, to stiffe every free aspiration among the Swiss: Lincoln under-New Hampshire has filled its quota of troops under its last call. The town of Greencastle, Pa., is clear of the draft. A and confiscations, to control the ballotbounty of \$200 was offered, and the quota box, to suppress even the whisperings o

Necessity.

laugh.

suspected should bow to his cap; Lincoln demands that those whose "loyalty" to Abolitionism is doubted shall take his surrounds the remains with flowers. oath. On the part of the Austrian Vice roy the demand was without authority of law; on the part of LINCOLN the demand crape. If newspapers had been in existence when GESLER ruled, he would have suppressed the extent recommended by the Secretary them had they dared to question his motives; newspapers are it existence while is to be temporarily deposited in the language and many of them have vaults of the Metropolitan Church, is not LINCOLN reigns, and many of them have been suppressed, confiscated, and their his infalibility. GESLER put out a man's eyes and then thanked God; Lincoln

Now so far as any natural or legal right s involved, GESLER was as much justified n demanding that the people should bow to his cap, as Lincoln is in requiring an to the surface off Palermo. It is a volca American citizen to take his oath, and ble for his substitute's service and fitness. not a whit more. The bow was demanded and named Fernandia, but disappeared A widow in Western New York, whose as an evidence of cringing servitude; the one fine day and sank to the bottom. and husband was killed in the war, had lett oath is required as the evidence of an igher by him a note for about five thousand noble fear, the surr ender of that dignity, dollars secured by mortgage. "A curious, and we think, not inapt A letter from Guaptain Fish, dates." Mr. 14th instant, to the Springfield (Mass. A letter from Chaplain Fisk, dated the Republican, presents some facts which are

new. He says:
"There are, between Memphis and Natchez, not less than fifty thousand blacks from among whom have been called al vice. Thirty-five thousand of these, viz those in camps between Helena an Natchez, are inrnished the shelter of old tents and subsistence of cheap ration b the government, but are in all other By this opening paragraph the reader things in extreme destitution. will at once perceive, that there is no clothing, in perhaps the case of a fourth analogy whatever between the characters of this number, is but one single worth and scenty garment. Many children are wrapped night and day in tattered blank tion of a third rate, village Attorney from ets as their sole apparel. But few of all his office in Springfield, to the White these people have had any change of rai-House in Washigtnon, with the career of ment since, in midsummer or earlier they came from the abandoned plants tions of their masters.

"Multitudes of them have no beds stormy winter months. They live, of necessity, in extreme filthiness, s afflicted with all fatal diseases. Medical attendance and supplies are very inadequate. They cannot, during the winter, e disposed to labor and self-support, eminds us of another which was suggest and compensated labor cannot be proed to the writer, by seeing represented cured for them in the camps. They can-

unrelieved, the balf of them will perish before the spring. Last winter, during February, March and April, I buried at Memphis alone, out of an average about four thousand, twelve hundred of hose people, or from twelve to twenty day. One day we buried thirty five. Those who have been gathered into camp first incident of the play reminding us of this summer are quite as destitute as those who were in our hands last winter."

These are the fruits of a system of vio ence and agitation, anticipating a result which, in time, would have been devel and in the progress of civilization.

Remains of Archbishop Hughes. The body of Archbishop Hughes was removed to St. Patrick's Cathedral to day, and soon after an imposing catafalque was constructed in the centre aisle. near the high altar, resembling ac oblong canopy. Nearly all its appointments and decorations are of sable. It rests on an inclined dais, veiled with crape, elevahold the form and features of the dead prelate, in the expression and proportions of life. The festooned curtains, pillars and roof, are all black, and mourn ng is seen everywhere about this temporary shrine of the dead. In a contrast to hese outer semblances of woe, the inner walls of the canopy appear in white, rebox, to suppress even the whisperings of lieving the heavy monotony of sable disapprobation and to coerce opinion. which first strikes the eye. The Archbishop rests prominently on this dais-GESLER had his caprice; Lincoln has his bis head elevated by a pillow. He ap Necessity. pears every inch a predice.
