of the diseases induced by exposures and privations incident to camp life. In the lists, published almost daily in the newspapers, on the arrival
of the sick, it will be noticed that a very large proportion are suffering from debility. Every case
of that kind can be readily cured by Hoofand's
ferman Bitters, We have no heattation in stating
that, if these Bitters were freely used among our
soldiers hundreds of lives might be saved, that
otherwise would be lost

The proprietors are daily receiving thankful letters from sufferers in the army and hospitals, who
have hear restored to health by the use of these
Bitters sent to them by their friends.
