are taking time by the foreions, in remoin struck at the first favorable opportunity; has fore a second Presidential struck at the first favorable opportunity; term. The old cry of a single term has and it will fall, not upon our right or our been shandoned by them; they are in left, but upon the center of our long line Christian heart could endure, neither can power and are determined to keey it. This of advance—will fall upon Knoxville. re nomination.

In this locality there are several per aona, in the Abolition ranks, who are de a large quantity of provisions, and cloth-group of having a new candidate. One ing, and above all, they expect such a of these, in yesterday's Commercial, de movement will compel the evacuation of voted a mortal column to prove that Lin | Chattanooga, and perhaps Nashville. COLN cannot be re-elected, when he might have done it in a dozen lines. This writer for a re election, and then observes: Whilst our knowledge of humane na

ture taught us that this must be so, we om experience that it always is so. knew from experience that it always 1880. We had seen it to be invariably the case that whenever a President began to desire the office for a second term, instead of shaping his policy to secure the public welfare, he shaped it to secure his re-elec tion. In view of these things we made it a foundation principle of our party, that no man should be elected President for a second term, and we proclaim to the world that, as a party, we would at all times, and under all circumstances, adhere to that principle."

The loud-mouthed professions of the opponents of the Democracy, in favor of a single term of the Presidency, were like all their other principles, intended but to deceive. Now, that they are in power, they are determined to retain it, and that, too, by the most outrageous and involuntary expedients. These hungry outs may clamor for a single term, but those in power are quite content with the violation of that inconvenient political catchword, Abolitionism used to hold as cardinal of speech; it used to be for "free soil, free speech and freemen;" but now it in sists on arrests and imprisonments of all,

Know Nothingism, and, when that infamy was crushed, it emerged into Aboli- old Gordon pumps. tionism, and there it remains, the mortal the Southern country is entirely destroy-
