Dr. Gro. H. KRYSER:-1 became afflicted with Piles about twenty years ago, and every year they were growing worse, so as to trouble me very much, so much so at times as to unfit me for work. Some imes I was so bad, that I could not do anything on account of them, they came out on me as large as a hickory nut. I had tried a great deal of medicine for thom. I used to buy and take what ever I could hear of or read of, in circulars and pamphle's that fell in my way, but TO BUILDERS & CONTRACTORS I could not get oured, sometimes they would do me some good for all little while, but afterwards they would return again as bad as ever. I also applied to two Doctors, who virited me at my house and gave me some medicine but it would not do, I could not get well. Over a year ago, I got an advertisement of your Lindsey's Blood-Scarcher, made by yourself-when you sold it to me you told me one bottle would not cure me. and that my whole system would have to be renewed by the medicine before I got well. I newed by the medicine before I got well. 1 ST. FRANCIS COLLEGE, used it according to your directions. I then call ed to see you again, when you said I could not out your blood Searcher I kept on taking it until I got entirely well. I consider it my duty to make my case known to the country for the benefit of others who may be suffering as I was, and do not know the value of your medicine. You may publish this if you like—I live in Wilkins I browship, and will be pleased to satisfy any one

This class of Bitters has caused and will continue to cause, as long as they can be sold, hundreds to die the death of the drankard. By their use the system is kept continually under the influence of Alcoholic Simulants of the worst kind, the desire for Liquor is created and kept up, and the result is all the horrors attendant upon a drunkard's life and leath. Beware of them.

For those who desire and will have a Liquor Bitter, we publish the following receipt. Get One Beettle Hootland's German Hitters, and mix with Three Quarts of Good Brandy or Whisky, and the result will be preparation that will far excell in medicine.

The chil 'swill not return if these Bitters are used. No person in a Fever and Ague District should be without them. From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Keligious Knowledge. From Rev. J. Newton Brown, D. D., Editor of the Encyclopedia of Religious Knowledge.

Although not disposed to favor or recommend Patent at edicines in general, through district of their ingredients and effects: I yet know of no sufficient reasons why a man may not testify the benefit he believes himself to have received from any simple preparation, in the hope that he may thus contribute to the benefit of chers.

I do this more readily in regard to Hoofiand's German Bitters, prepared by Dr. C. M. Jackson, of this city, because I was prejudiced against them for many years, under the impression that they were chiefly an alcoholic mixture. I am indebted to my friend Robert Shoemaker, Eq. (or the removal of this prejudice by proper tags, and for removargement to try them, when suffering from great and long continued debility. The use of three bottless of these Bitters, at the beginning of the present year, was followed by evident relief, and restoration to a degree of bodily and mental vigor which I had not felt for ixi months before, and testoration to the first minths before for thank thed and my friend ior directing me to the use of them.

othe use of them. PHILADELPHIA, June 23, 1862. J. NEWTON BROWN. ATTENTION SOLDIERS. We call the attention of all naving relations of riends in the army to the fact that "HOOP-LAND'S German Bitters" will cure nine tenths of the diseases induced by exposures and privations included to camp life. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are suffering from debility. Every case of that kind can be readily cured by Hoofland's German Bitters, We have no heaftation in stating that, if these Bitters were freely used among our soldiers bundreds of lives might be saved, that otherwise would be lost.

The proprietors are daily receiving thankful letters from sufferers in the army and hospitals, who have hear restored to health by the use of these Bitters sent to them by their friends.

Mesers. Kendall & Co.

Gents—For a long time my head has been almost entirely hald, so that I had abandoned the idea of my hair ever being restored. I gave my barber some of your Amboline to use on my head and one day I was astonished at his informing me that the hair was egain growing, and the whole scale entirely covered with a growth of fiew hair. It is now soft and rilken, and growing rap dly. I attribute it altogether to the use of the Amboline.

I shail be peased to verify this by personal statement to any ene desiring it or would refer them to my barber, Mr. Vito Carrao; Davision street, this city.

Respectfully. Miss Fanny Sefton, the beautiful and talented actress says:

I have used KENDALL'S AMBULUE for my hair, and finding it a very superior artiful. hair, and finding it a very superior article. have no hesitation in advining syary hair sho desires an elegath head of hair to use it.
