THE PITTSBURGH POST: SATURDAY MORNING, JANUARY 30, 1864.

DAILY POST. REMARKS HON. WILLIAM A. WALLACE, PITTSBUBGH:

SATURDAY, JANUARY 30, 1864.

as to render portions of it unknown to its If, sir, he means to say that we are the thus the law nearly cotemporaneous with author. These mistakes will happen, revolutionists of this chamer, we deny the provision in the Constitution. We however, and they are never so offensive

PROGRESS OF DESPOTISM.

When the Abolition Fanatics succeeded in satisfying their party, that the South sir, he means to say that in this we are as well to Senators on our side of the could not be "kicked out of the Union;" guilty of using red tape, sirs, we glory in house as to Senators on the other side of and when on the other hand, the South. and when on the other nand, are south-ern conspirators "fired the Southern heart," and forced their innocent victims into rebellion, against our Government, neither set had any comprehension of the iacalculable and gigantic horrors they were entailing upon our, then, happy incalculable and gigantic norrors they and you know it not. Sire, the "musty for the election of a speaker at the close were entailing upon our, then, happy and you know it not. Sire, the "musty for the election of a speaker at the close of a session when the Senator in the chair is not an out going Senator. And I refer to the great mea of the Nation, from the farewell of WASHINGTON, to the admonition of WEBSTER and CLAY, were forgotten by those representing opinion in the two extremes of the Union. This pro-

duced the irrepressible conflict, which have learned that they are red tape? Sirs, you find at the commencement of the ses-brought upon us our present troubles. although younger in years than the Sen is on of 1863, for example, a Speaker is ator from Philadelphia, I am one of those elected; that Speaker of the Senate until the commencement of the chair of the dark and bloody ground old fashioned men who believe in susception of the dark and bloody ground upon which they were forcing the coun-who believe in standing by the teachings try; for it is not the province of fanati of the past ; who believe there, and there try; for it is not the province of fanati cism and passion to reflect. Their bloody thoughts, with violent pace, would not pause, but rushed on, blindfold, to the destruction of their country. And see how they have succeeded, and that, too, in so brief a time. (Dra of the paleoked for phases of the

and fifty five, --- which it denounces as an attempt to make JEFF DAVIS a dictator -remarks: "We have a Congress the legislation

"musty and antiquated" the proceedings may be-the Constitution of Pennsylvaof which is controlled by members from Kentucky, Tennessee, Missouri, Arkansas, nia provides, in section 10, that "the General Assembly shall meet on the first Louisiana, and other places, who impose odious and oppressive laws upon us which can no more be enforced on the people of Tuesday in January of every year unless sooner convened by the Governor." What is the General Assembly? What the States which they profess to represent than upon the people of New York or New England. The chief cause of the is defined in the first section of the same article? The legislative power of this Revolutionary war, which sundered the connexion of the colonies from the mother country, was that the English Parlia ment imposed oppressive laws on the col-onies which did not affect the people of England themselves. No conscript law can be enforced upon the people of Ken of Representatives. Now we pass to section 11. "Each tucky, Tennessee, Missouri, Arkansas, house shall choose its Speaker and other Louisiana, nor on a large portion of Virofficers. The Senate shall also shouse a ginia, Florida, Mississippi, or Texas. No tax law, nor tithing, or impressment law can be enforced on them, while those irresponsible members may force Speaker pro tempore when the Speaker shall exercise the office of Governor. Now, the first query is, what do these words "each house" as used in the elevfrom their homes every person in North enth section mean? The interpretation Carolina able to bear arms, regardless of given to them by the first section of article age or condition, and place them in the army, as is now urged by them in Con-1, shows that they mean a Senate and s House of Representatives. "Eachhouse," gress, and leave the helpless women and then means a Senate or a House of Repchildren to starve. They must put us unresentatives. der a military despotism, and place over us a dictator, and impose taxes and bur-There is in addition to this obvious eaning, another meaning. They have reference to the duration of existence of those two bodies. These words "each ing; I ask them whether they are not be dens on us which are insupportable, and there is no redress, unless North Carolina will protect her children. This is a grievous condition of affairs words "General Assembly" mean a House and a Senate—the words "each house" mean each Senate and each House of Repproduce it to illustrate the prospective condition of our own State, if the war is to continue much longer. Let the Presi-There is no evading this construction. It is clearly and distinctly laid down by the dent's plan of reconstructing the Union, by allowing one-tenth of each rebellions State to represent it in Congress, be adopted and we do not see that the con- year or the Senate that exists this year? dition of North Carolina is in this con- Thus 1 say that the plain and obvious dition of North Carolina is in this con-nection, any worse than that of Pennsylvania would be. Less than two thousand votes would entitle Eforida to each Senate shall choose its Speaker and re-admission into the Union, bringing with her two United States Senators, with voices as potential as those repre- used no less than six times in article first. senting New York. Some of the Aboli-tion papers attemnt to get over this ob. the section immediately following section second 'Each house shall judge of the qualifijection by pointing us to the little States of New England, having, each, as much stions of its members. Now, how absord it would be to say power in the Senate as its largest sister; hat the house that sat last year shall judge but this apparent inequality was in pursuance of a compact between the States, in forming the Union, and was not brought about by a juggling faction, whose object was merely to retain power, in the gen-eral Government. The idea of allowing each State an equal voice in the Senate was to keep them upon terms of equality in that conservative branch of the Gov ernment. The purpose of permitting one of the qualifications of the Senators who in that conservative branch of the Gov. ernment. The purpose of permitting one-tenth of a rebellious State to return to the Union by each taking an oath to be-transparent trick to enable those in power to retain it. In that conservative branch of the Gov. In the qualifications of its Again, we have in section 18 this lan-forever. He lives under the Constitution form January, 1863, to January, 1864. Then official notice comes to him that his body eleven men who were not in it be-tor, then we have the rules of last year is to body eleven men who were not in it be-tor, then we have the rules of last see. The official notice comes to him that his body eleven men who were not in it be-tor, then we have the rules of last see. The official notice comes to him that his body eleven men who were not in it be-tore, and who under the Constitution of Pennsylvania are estilled to vote for the tore, the it concis. The official notice comes to him the the tore, and who under the Constitution of Pennsylvania are estilled to vote for the tore the rules of the rules

y that the answer of the argument of the Senator from Sasquehanna is found in another of these "musty precedents" In another of these musty precedents that has been upon the statute books of the Commonwealth of Pannsylwinia for sixty years. It is to day, the law of the land, that the Speaker of the Senate to the Senate to the be sworn before entering upon his office, and when sworn, has to administer the cath to the incoming Sanstore. We have n the Senate of Penn'a, Jan. 20, 1864. We have heard, sir, with no little pleas. We have heared argument and the ad-bard our neighbor of the Gazette, was so mar-red with typographical and other errors, Connell,) has elaborated at our expense. (Mr. and when sworn, he is to administer the connell,) has elaborated at our expense. and repudiate it. If, sir, he means to have, then, the coolinued practice, with-

to anyone as to the author of the pro-ductions in which they occur.

seventy years and upon the landmarks of the words, the context, the law, and the seventy years and upon the landmarks of the words, the context, the law, and the the past marked out by the men who practice, all according with our position. framed the Constitution of 1790, and But there is another thing upon which it who administered it for thirty years; if, appears to me Senators err-and I refer the red tape; and I, as one of the sixteen the house. It is this, that no Spesker Democratic Senators upon this floor, (and I was ever elected at the close of a tession

itiated here, because, foreooth, to day we back, then, to these "musty records," and a meeting of the General Assembly in the succeeding January. That is the consist-ent practice of this Government. Now, if it this be true, the election of a Speaker at the end of a prior session amounts to noth-ing. Each Senate elects its Speaker at the commencement of the session, and only because the out going Senator's term expires at the October election is a new

Speaker elected. There is another point to which I ask Une of the unlooked for phases of the rebellious States being governed by rep-resentatives, who dare not return to the States they pretend to reast non the present the capitol, and we had no organization by which to vote men and the statention of the Senate. How and sons, most cases of rupture in young per states the circumstance of the real at our doors the responsibility is to rest? Sirs. we rest upon the history of the past, apon the letter of the Constitution. You shall end your existence. Your co-ordi-Improved Trueses and Supporters resentatives, who dare not return to the States they pretend to represent. The Raleigh N. C. Standard, discussing this in the rebel probelieve conclusive upon this question bear with me whilst I state them. The antage to call remaining third of the Senators expire Constitution of the Commonwealth of Pennsylvania—and I cite it, however on the second Tuesday of October, and the Speaker that is elected by the pre ceding Senate, being a Senator who holds stock of over comes to the chair at the incoming session. Then comes with the records of

bis office the Secretary of the Common-wealth, and he brings to the bar of the Senate and to the man in the chair, the official notification that the people have said his daties are at an end. Sir, when the Secretary of the Commonwealth comes to the bar of the Senate with the article? The legislative power of this Commonwealth shall be vested in a Gen-eral Assembly, which shall consist of a Senate and a House of Represtatives. Thus we have what the words "General Characteristic and a House Thus we have what the words "General Cial notification under the Constitution of the Commonwealth, that his dutier of the Commonwealth, that his duties

are ended; and practice, precedent and law require that he should leave the chair. In the past, he has alway left it, but now we find a Speaker attempting to retain it, sustained by the Senator from Rev. E. A. Wilson's Remedy Philadelphia, and the name of usurpe given to him with congratulation. Sirs, the doctrine of a perpetual organ ization is contrary to the genius of our institutions. Sirs, that "the king never dies" is not the doctrine of a Republican Government; and, sirs, that the creature

of the people made under the forms of tained of law lasts forever is not the doctrine of a Republican Government. I ask gentle or, of Market st., and jan7-2md

THE SHOE BEGINS TO PINCH,

The German Abolitionists appear to be particularly opposed to the re-nomination time for the same cause. the formation of secret societies to control the elections in this and other States house mean that the Senate that sat here - we have special reference now to the last year has the right to expel a member Union Leagues and other midnight socie- of this body ? Certainly not. No man will Union Leagues and other midnight Bocie. In this bocy i Containly not. It's man will contend for such a construction. Then if these words in sections 12 and 18 limit the They were fashioned upon the order of construction they do the same in section the Know Nothings, with oaths, and 11. and the words "each house" have spe the Know Nothings, with oaths, and 11. and the words each nouse 'nave spe ^tests, and grips, and imprecations, all having a political signification and a poli-tical object. So long as they operated well, they were an immensely popular in- of January of each succeeding year. stitution with the German element, and were called into play by them on all oc-text to sustaining our position. What casions, but more particularly in the last casions, but more particularly in the last next nave we to sustain our position in the last go back again to the "musty records" that

casions, out more particularly in the last Chegressional, and at the more recent Ju-dicial elections. But the game has been carried a little too far, so far as they are concerned, just as to the Speaker of this Senate. What are interested demagogues used the power of its words? "That when either branch of the Legislature shall have made choice of the Know Nothings to advance their interests. The Jacobins of the FREMONT CHASE school begin to find that the Lincolnites wealth and in the Constitution of the Constitution of the at the commencement of a session. If at the United States, shall be administered to you are for usurpation-if you choose to o.ganization to the p.odjudice of Radioal. the Speaker elect by a member appointed ism, and they are greatly incensed thereat. They think these Leagues no better than affirmed shall administer the oath to the Copperhead concerns, and are denouncing Senators elect."

them accordingly. They had their impress the maccordingly. They had their impress in Germany, and contributed greatly to the election of LINCOLN, but now that they are to be turned against them by Tankee shrewdness, they can scarcely find words shrewdness, they can scarcely find words to express their contempt for secret societies. Such organizations should never us tolerated in the United States, but having been introduced by Germandom, as a pe calisrity of German political strategy, it is to be hoped they will get a full dose of Mr. Turrell. I said that the practice of allowing men to act officially without the sanction of an oath was a practice that ought to be abanded. Mr. Wallace. Then, Mr. Speaker, I sharp face, that the uses it to pare apples. Such organizations should never be

house'' measure the time during which coming aristoratic in their tendencies never dies is not very nearly parallel with the doctrine that the king never dies Sirs, we have always a Senate composed resentatives—and thus we have each Senale shall chose its Speaker and other officers. There is no evading this choice its the state of of the Speaker of the Senate, or because of a failure on the part of the Senate to words of the document itself. Now, is of a failure on the part of the Senate to this Senate the Senate that existed last elect, amounts to nothing. The right of Sovereignty in this Government rests not in the creatures of the Constitution, but rests in the people. They have here a M. CORNWELL. body chosen for the purpose and vested with full power to fill the place. The precedent of 1838 that was (ited

the other day by the Senator from Lycom ing, if of any value to Senators, they are welcome to it. Sirs, when you set up the attempt of one branch of this Legislature to hold its position against the expressed will of the people at the ballot box as a mh4 precedent, you sustain the assertion that you are for revolution; you assume that

the "Buckshot war" gives to you a pre-cedent. Sirs, if you take anything by the precedent of 1838, we concede it. We deny the value of the precedent. It was Ill work warranted

sion in full force and governing us. Such a construction has never been attempted is each set up, and it is contrary to good sense; the section continues: * * * * ''punish its members for disorderly beha.''ipunish its members for disorderly beha.''ipunish its members of the concurrence of twoof Old ABE. The St. Louis Republican says that they were the first to encourage thirds, expel a member, but not a second der, odium do come, we will gladly receive Can it be same cause. Can it be same cause. Can it be said that these words "each house mean that the Senate that same that set last year has the right to expel a member of the Constitution, entrenched by prin-but perform our duty and preserve our official oaths inviolate. 05 Mr. Connell. I desire to ask the Sena-tor from Clearfield a question-whether H

any act passed by the present Legislature, and attested by John P. Penney, the Speaker of the Senate, and approved by the Governor, would not be held a valid law in any court in this Commonwealth. Mr. Wallace. What may be the rights

Mr. wallace. What may be do lights of parties who obtain legislation at the hands of this Legislature, conceding it to be organized, is one thing. Whether we be organized, is one thing. Whether we have an organized body is another thing. You may be the Speaker de facto, and not the Speaker de jure. We know that you the Speaker de jurc. We know that you are not the Speaker in accordance with the law and the Constitution. Whilet your acts may be sostained as those of the Speaker de facto, that does not prove anything in the argument. The question there is whether we are to have a Speaker that is to live forever—or whether we are to have a sufficient the sufficient form the s

the Legislature shall have made choice of a Speaker, the oaths and affirmations pre-ceribed in the Constitution of this Common-wealth and in the Constitution of the United States, shall be administered to call it so-these are your words, not mine

V. D. PATTERSON.

istering the oath of office after the election ever, played her a malicious prank, for was a bad custom. Mr. Turrell. I said that the practice of the number that won was 851

for the purpose by a majority of members present; and the Speaker so sworn or iste yourselve upon the name of usurper, you are welcome to it. We have here the law for the precedent
