J. NEWTON BROWN. ATTENTION SOLDIERS. AND THE PRIENDS OF SOLDIERS We call the attention of all having relations of triends in the army to the fact that "HOOF-LAND'S German litters" will cure nine teaths to the diseases induced by exposures and privations igsident to camp lite. In the lists, published almost daily in the newspapers, on the arrival of the sick, it will be noticed that a very large proportion are sailering from debility. Fivery case of that half can be readily cured by Hoofland's German litters. We have no hesitation in a stating that it these Bitters were freely used among our sailers bundreds of lives might be saved, that other rise would be lost.

The proprieth of the drift receiving thankful letters from addiction to army and hospitals, who have been as so seed to health by the use of those Bitters sent to them by their triends. where.

ADDRESS

H. BURWIN C. A. COLTON. J. W. PAUL. H. J. LINCH,

Vester Room of St. Peter's Church.

Messre. H. Burwin and others:

Gsullemen:—I very much regret the necessity of publishing anything on the subject of the Resolutions recently passed by the Vestry, but do not see that you have any alternative. I believe the statements in the pamphiet to be accurate, and approve their publication.

Very faithfully and truly,

Your Friend and Rector.

E. M. VAN DEUSEN.

PITTSBURGH, JANUARY 8, 1864. To the Parishioners of St. Peter's Church: Certain Resolutions, passed by the Vestry of this Church, have recently been published in the secular papers of the City, accompanied by the name, of those voting in the affirmative and in the negative. Had the Resolutions alone, been published, the undersigned, who voted against them, would most probably, have A Purely Vegetable Preparation.

It has stood the test of analysis and experience, and the "Ambould." is a household necessity wherever it has been used that the prevents hair from falling out or turning prematurely tray; causes it to grow on ball heads; eradicater dandruff; curse distances of the scale; is a preventive for nervous headache:

It is especially adapted to promoting the growth and color of Children's hair.

It is especially adapted to promoting the growth and color of Children's hair.

The publication of our names, as opposing their passage, tends, and doubtless was designed to place us in a false position, and requires that in justice to our see. Ives, and to prevent a misconstruction of our course of action, we give you, as succinctly as possible, a full and faithful history of the proceedings which finally culmirated in the passage and publication of our names, as opposing their passage, tends, and doubtless to ing their passage. the publication of our names, as oppo-sing their passage, tends, and doubtless we intend to confine ourselves to facts, leaving you to draw the inferences; but we intered, at the same time, to speak

plainly, and to call things py their prop-In September last, Bishob Potter drew called a meeting of the Vestry, to fill a up a Document, now generally known as a vacancy that had taken place, and transact upa Document, now generally known as vacancy that had taken place, and transact of The Protest against Bishop Hopkins' some ordinary buisness. After the electric bullet wiews of Slavery. He intended it for the signatures only of himself and the posed of, Mr. Wm. F. est were threefold:

First—We belong to a Church of systhat they be voted on as a whole. New York. Nov. 10, 1862.

Messrs. Kendall & Co.

Clantlement about eighteen months ago my wife was attacked with a sickness which occasioned the loss of her hair to a great extent. For about a year it continued very thin, dry and short until she begian to these your Ambolines and continued. All the half begin to thickness and lengthen, and associated and suspensed. The half begin to thickness and lengthen, and associated as a promoter who may need so valuable a remedy for the half.

Pastor Antio, h Baptis Church. New York City, 207 Canal St., Canal St., New York City, 207 Canal St., New York City, 207 Canal St., 100 Canal St., 1 First—We belong to a Church of system, law and order, resting upon great fundamental principles; one of which, in his judgement, the Protest plainly violated; which is, that every man is to be tried by his peers, those of his Own rank, and be heard in self-defence—in case of a Bishop, before a Court of Bishops. The signers of the Protest, by declaring Bishop Hopkins guilty of concinct unworthy a minister of Christ, and deserving their indignant reprobation. have arraigned, he had the right, thus to sit in judgement upon the Bishop of another D. weese. It might be objected that his case did not come within the Canons. The remedy was at hand; for our own Bishop had the power and the right of remonstrance and provide for the remonstrance and respect to consult and provide for the remonstrance and respect to consult and provide for the remonstrance and respect to consult and provide for the remonstrance and respect to consult and provide for the remonstrance and respect to consult and provide for the remonstrance and rebuke, and could, like St. Paul against temporal affairs of a parish—all this, in St. Peter, "have withstood him to his connection with the preliminary newsface, because he was to be blamed."

Third—The Protest was to be used for political purposes, during the late Gubers of this city Respectfully, BOHN SENIA.

Miss Fanny Sefton, the besutiful and talented actions and find the action of the very superior article. I have used Kendall's Annoling for my hair, and find it a very superior article. I have no hesitation in advising every lady who desires an elegant head of hair to use it. There been using the Annoling for about four weeks, and during that time my hair has lengthened two and a half inches.

Third—The Protest was to be used for political guest of used in gathen where they are.

As the Resolution was passed by an attriction of the Vestry, and on December willing that they should go forth as the action of the Vestry, and on December 7th, three days after, a second meeting was called, in the hope that a reconsideration might be had, and an opportunity be given to the Rector, and the absent where they are. which involved great and strong diffe, en members, to express their views and reces of opinion, and would never vote at public elections, unless the struggle were between Christianity and Infidelity. This Protest was received just before the Fall election—it was to be signed and returned, immediately—it was, avowedly, to counteract the effect of another document then in political circulation. document then in political circulation. State exp. licitly, the real object and descould it be doubted that the Protest also, was intended for political circulation? That it was so used, has not been denied. In point of fact, it was printed as a handling hand posted in the streets of at least the logical point of the corper, who had come out so the proper of the corper, who had come out so the least that the protection is the streets of at least the logical points. one town in this vicinity.

sterner principle, were, whether right or wrong, the deliberate and conscientious upon the Rector, if his refusa, to do a conclusions, to which your Rector arrived; and being such, he would have been false thought not, because only general lanthought not, because only general lanness, had he yielded to popular pressure,
and done what his conscience clearly

thought not, because only general language was used, and there was no dheer
allusion to the Rector. "But would the
Rector's signing the Protest make the
Corporation any more loyal? or might
not every person in it be disloyal white

The Protest, with its signatures, was The Protest, with its signatures, was

(extensively published by the religious and secular papers, and became the subject of yeneral conversation. About this time, were issued in this city, the first numbers of a daily paper, known as The Pittsburgh Daily Commercial—under the burgh Daily Commercial—under the

management of several Episcopalians,

THE PARISHIONERS

one of whom, Mr. Wm- F. Johnston, was the mover, and has been throughout the earnest advocate of the Resolutions recently passed by the Vestry. In this, and in no other paper, immediately began to appear, day after day, articles purporting to come from some one or more, connected with the Church—at first, in PITTSRURGH. Jan. 19, 1861.

REV L. M. VAN DEUSEN:

Dear Sur—In submitting this Pamphlet to the parishoners of 5t. Peter's Church, we desire that they shall know how far you condrim its state ment, and approve their publication

Yours very truly.

Douglast Very truly. the way of inquiry, feeling the public pulse, and endeavoring to discover how fident, and at last set down all the non-Protesters as disloyal, unfaithful to their country; and called upon their parishioners to withdraw their support from them and their families. And to such reckless assertions were these persons led, that the Editor felt constrained to come cut openly, and from personal knowledge of the accused clergymen, deny the accusa-

ions.

Mr. Jas. P. Tunner, a parishioner of St. Peter's Church, has since avowed himself the author of the most of these articles, and especially of the one charging the elergy with disloyalty. He has also, although not a Vestryman, been acting throughout, in concert with the gentleman, most prominent in pressing through the Resolutions referred to, and, after their passage, procured a copy from Mr. Johnston, who is not the Secretary, and without authority, took upon himself to have them published We feel less hesitation in giving Mr. Tanner's name because, for more than a year, and long before any queston of loyalty had arisen, he has been engaged in efforts to destroy our Rector's influence among the people, and to withdraw their affections and confidence; and now, using this Protst as a pretext, he is the open traducer of our Rector, daring to charge him with disloy-alty, whenever and wherever he can find a listener.

With these preliminary remarks, we proceed to the action of the Vestry upon the Resolutions, which have been pub-

lished. On the 4th Decemper last, the Rector

from his own high principles of Churchmanship. No, and the agree with the Bishop's views of slavere, or believe that his positions in it defence were tenable. His true reasons for not signing the Protest were threefold.

First—We belong to a Church of system of their opinions, and therefore withdraw.

A question was then made, as to whether the Resolutions should be voted on one by one, or as a whole; when on motion of Mr. Harper, we think, seconded by Mr. Johnston, it was determined that they be yould on a great selection. second—Your Rector was asked to protest against a Pamphlet he had never seen WARREN WARD.

55 Kind Street, New York.

January 16, 1863.

Messis. Kendall & Co.:

Ornis:—For a long time my head has been almost entirely balk, so that I had abandoned the dard of my hair ever being restored. I gave my head, and one day I was astonished at his beforming me that the hair was again growing, and the whole scale entirely covered with a growth of new hair. It is voit and silken, and growing family. I attribute it altogether to the use I shall be pleased to verify this by personal statement to any one who desares it, or would reter them to my barber. Air. Vitto Carrao, Division street, this sit.

We annot entirely bell, and shadoned the dark of the was requested to protest, and to protest. IMMEDIATELY, was not furnished him, nor had he then, ever seen it, nor did he know where a copy could be obtained.

Third—The Protest was to be used for political purposes, during the late Guber-like we only wonder at find-recting the my bear of the my bear of the my barber and the was requested to verify this by personal statement to any one who desares it, or would reter them to my barber. Air. Vitto Carrao, Division street, this sit.

Respectively and mesole the Bishop of an-todating effort of overflowing logalty, but was a preconcerted plan to force upon your commendation of the place, would imply, merely a misdirected other Diocesu, hitherto of high standing effort of overflowing logalty, but was a preconcerted plan to force upon your substance. To substanting the this was founded, and against which the view, to intimidate those, who might be disposed to defend him, nor had he then, ever seen it, nor did he know where a copy could be obtained.

Third—The Protest was to be used for political purposes, during the late Guber-like in the dark of the process of the process of the place, would imply, merely a mesdirected other pl

one town in this vicinity.

These reasons for not signing the, Protest, founded as they were, upon all the considerations suggested by Bishop Potter, in his letter to your Rector, printed in the Appendix—considerations "of courtesy, of expediency and even of sterner principle," were, whether right or then they were intered the did. "Does not that remark show then they were intered to the courtesy. not every person in it be disloyal, the Rector was above suspicion?"
