or crusning the recention if it took the last donar he and every other man in the county was worth. What would be the value of our property if the reballion should successful Mr. David Reed was placed in a peculiar posi-

tion. He was in favor of putting down the rebellion at any cost, but opposed to saddling the county with a delt in the shape of bonds, which past history had taught us would be repudiated when called for. Let those who had the means give freely; but let us not lay a burthen upon the tax-payers of the county such as they could not

bear, and which would, ere long, re-enact by-• gone scenes of attempted repudiation. We were now upon our knees asking the fholders of our bonds to compromise with us. Let us have no more of this. After many amendments and counter-imend-

ments had been offered and discussed with great freedom by those inside and outside the barmembers and non-members, the resolutions were put to a vote and pronounced carried, though there was a very decided negative vote.

sidered a failure. No one, we presume, will be prices. disposed to doubt the loyalty and patriotism of

the gentlemen composing this gathering, howev er much they may regret the course they have ing her bonds, not exceeding \$500,000 for the pure lested in advancing the organization in this pose of securing Allegheny county's quota under the last two salls of the President, provided the Pittsburgh and New York papers. That legal authority from the Legislature to that effect was had, and power given to the Commission of the Sankert, Sciretary. sioners to levy a tax sufficient to pay the inter-

est upon the bonds, and cancel the bonds themselves at the end of three years.

Although the wording of the call for the convention yesterday would have conveyed the idea munication over the signation of Benj. H vention yesterday would have conveyed the idea that its action would have been directed against the issuing of any more bonds of the county; yet it was evident from the general tenor of the re-marks of all the speakers, and indeed, the re-solves of the convention, that its members were opposed to the issue of the bonds under any cirnstances. Be this as it may, as public opin- | Country Blanket3 .-- Those who wish to

a son or near relation now in the army, or, it may be, sleeping 'neath the sods of the so-called Southern Confederacy mud who has contributed largely to the furtherance of the efforts of the government in crushing the rebellion. Those men may not be called disloy il. nor charged with opposition to the clovernment, because they are conscientiously opposed to what seems to be- MACHINES have obtained the highest premium and doubtless is- the almost unanimous wish of at every State, County and Institute Fair held the loyal people of the county, viz : the issue of in 1862, as the best family and the best manufacthe bonds of the county. They may be mista- turing machines, and for the best machine work. ken in their views-they may not be acting for the best interests either of themselves or the government under which they live ; yet that is a question which time can alone determine.

Some of their efforts to raise by voluntary ubsoriptions the amount -and more if necessa ry-to fill their quotas. Let those who differ

with them but evince a like determination and unselfish patriotism, and all will yet be well. Let those who are in favor of the honds but who know that they cannot be assued until near the FURNITURE AND CHAIRS, time that government bounties cease, and the draft commences, act with all promptitude in the matter of raising money and procuring recruits, and Alleghony will not again suffer the disgrace of a draft.

The men are in our midst who are willing to volunteer in defence of the Union. Some may doubt the patriotism of men who are disposed to stand aloof awating to see who will pay the largest bounty. We do not. Men who peril their lives in the defence of their country, and the immediate interest of those who stay at home, have a right to \$200 bounty, and to ten

times that amount if they carget it. And if we are preserved, through their heroic efforts, from the desolating and destructive marches of the enemy, the hairoi all we have would not be too great a price to pay them. Petitions will be circulated throughout the county for signature, calling upon the legislature not to legalize the issue of the bonds,

THE GREAT SECRET. IT IS admitted by all physicians that she grad a secret of health and long life lies in keeping the blood and various fluids of the body in a high de-gree of fluidity. When you feel continued pais in the head or bowels, or any continued undag-ness in any organ or parts of the body, you can prevent serious sickness by taking

Brandreth's Pills.

Bleeding may give momentary ease, because the blood left will have more room. But as the body is made from the blood, and sustained by the blood, to waste our blood is to waste our life, and ruin our congitution as readily as bleed. Fills relieve the circulation as readily as bleed.

Pills relieve the circulation as readily as bleeding by only taking away what it can well spare, and risty NEVES BURT, if Mass., was cured of St. Vitus' Dance, General Debility, porness of blood, and costiveness of many years standing by Brandreth's Pills. The case at length is published in the pamphlets.
