R. H. Kerr, Esg., on bohilt of the committee, THEY ARE THE RESULT OF then reported the following resolutions:

1. Resolved, That the Democracy of Allegheny county stand to bay where they have always LONG INVESTIGATION.

b. Resource, that the lemmorrary of Allegheny county stund to also where they have slways stood; that their enduring print ples, housed upon and coexistent with the Constitution and the Union, as our fathers it unsmitted them, are as dear to day as even with that they see nothing in the present creation in their them to bate one jot or tittle of their devotion to those time-hom-ored principles. And carefully conducted experiments, having been in use many years, during which time they have prevented and refleved a vast smooth of suffering from Headache, whether originating in the nervous system, or from a deranged state of she stomach.

Determining the theorem is the principles were repudded and that object aban-doned.

a. Resolved. That the Democracy now, as at first, hold: That this wat should not be waged in any spirit of oppression, or purpose of over throwing or interfering with the treffs of established institutions of the States, but to defend and maintain the superstar; of the Constitution, and to preserve the to now with all the digning and regimered; and that as soon as these objects
4 Resolved, That Democrats require no better

are are accomplished the wirnucht to cease. 4' Resolved, fast Demorrats require no better platform than the American Constitution, sanctioned by Washington, and the declaration by Gen, Geo, B, alet lelian, in which le states: "I am in tayor of the projection of the way with all the means at the command of the logal States until the military power of the rebellion is destroyed; the policy directing it should be component with the principles of humanity and civilization, working no injury to private rights and recognized by military new supong civilized war are the restoration of the unity of the news

nations: and finally, that the sole objects of this war are the restoration of the unity of the m-tion, the preservation of the Constitution and the suprenacy of the laws of the country. This accomplished: all will be schere and the country freed from renels and trajectors.

accomplished, all will be accure and the year and the country freed from repels and trajectors.
6. Resolved, That we recognize in Gen. McCleflan a true American ensistinguished patriot and the brave solution. We are confident that with him for President on the United States, the country would be brough bases to the painty days of the finamoral Washington. We will take pleasure in voting for one so pure in heart, with integrity of purpose in every set of his life.
6. Resolved, That it is the desire of this Convention that the pay of the "rank and file" or the United States, for the men in the and the country would be increased. Justice demands this from Congress, for the men in the ranks are the best defenders of the Nation, and deserve our fullest sympathy and encourage ment. Then let Congress perform an act of duty to white men, and congrenss those who are rescuing from traitor hasing une so in both deserve our fullest sympathy and encourage it aboud be the care of those as home to do go for these on the battle fields.
7. Resolved, That having thus proclaimed the principles, which sharing thus proclaimed the information of all good men istration which will perpeture from all good men istration which will perpeture these principles. That the desire from all good men istration which will perpeture these principles. That the desire from all good men istration which will perpeture these principles. That the desire from all good men istration, and a many accurate to cover these principles.
8. Resolved. That the desire from all good men istration which will perpeture these principles.

The reading of the third resolution was greeted with rounds of applause, and all were adopted without n dissenting voice. On motion, the convention then adjourned

dead and several were wounded. About 3 o'clock this afternoon fortyolution in amendment of the joint resolution explanatory of the confiscation act which passed the House February one deserters from Lee's army arrived in this city and marched up Pennsylvania Avenue to the Provost Marshal's. They were conscripted six week's ago fifth. Mr. Johnson, also from same umittee, reported back adversely the and escaped through the rebel pickets and crossed the Rapidan. They say they are all lovalists and seek protection unbill of Mr. Sumner to remove doubts on the construction of the joint resolution explanatory of confiscation act, and to declare that such resolution shall not be

construed to create any other restriction CUMAERLAND GAP, Feb. 17-Capt. on the forfeituere of real estate of an offender under said act; than is created Watkins, provost marshal at this post, says the average number of deserters from Longstreet's army who report to him are five per day, and all complain of being heartilusick of the war. Their pay soldiers up, being under considera-Mr. Davis resumed his remarks on the accounts corroborated. The officers generally considered themselves whipped
